Notice: Issuance of a business license does not allow you to engage in a business whose operation would be in violation of other City Ordinances. Chapter 5.04 of the Gonzales City Code states that licenses are subject to all City regulations, state & other regulatory agencies, including those pertaining to health and safety, use of property, and zoning. You are urged to check with the appropriate City Departments and other regulatory agencies for further information about these regulations prior to paying for your license.
