Loaves, Fishes & Computers is among the winners of Charter Spectrum's second round of Spectrum Digital Education grants, a philanthropic initiative designed to support nonprofit organizations that educate community members on the benefits of broadband and how to use it to improve their lives. The grants are part of a \$1 million commitment to provide digital education in Charter Spectrum communities.

Charter Spectrum has partnered with Loaves, Fishes & Computers, a Salinas-based nonprofit organization that takes donated computer equipment and trains volunteers to refurbish computers and provide low-cost, complete bilingual, warranted computer systems to in-need residents of Monterey county.

That's why we'd like to personally invite you to stop by for a Spectrum Digital Education event in Gonzales, on Thursday, January 10 & support everyone's right to broadband access.

Spectrum and Loaves, Fishes & Computers will be celebrating our partnership with members of the community, including Gonzales Adult School and we hope you can stop by.

Charter is committed to improving communities and impacting lives where our customers and employees live and work. Through their philanthropic initiative, **Spectrum Digital Education**, Charter Spectrum supports nonprofit organizations that educate community members on the benefits of broadband and how to use it to improve their lives. Additionally, Charter Spectrum is committed to PSAs, workshops and webinars for local nonprofit organizations. Everyone deserves to succeed in the digital age.
