June 17, 2024

Honorable Mayor Rios and Council Members Chairperson Rios and Successor Agency Board Members Chairperson Rios and Gonzales Municipal Electric Authority P.O. Box 647 Gonzales, California 93926

Dear Council and Board Members:

I am pleased to present to your Council and Board the Recommended Budget for FY 2024-2025. It goes without saying that our City of Gonzales truly embodies our motto of *Love, Care and Connect*. In FY 23/24 we hit major milestones that advance us to the next level of opportunity for our community. In April, we celebrated the groundbreaking of our highly anticipated **Dennis and Janice Caprara Community Center Complex** that will be under construction for the next two years. We made major advancements in the upgrading and reconstruction of our **Industrial Wastewater Plant** and now with the agreement on hand for the State Revolving Fund (SRF) loan we can move to the next steps and continue to turn the gears to prepare for its construction. On the housing front, we completed the public review period of the Environmental Impact Report (EIR) for the Vista Lucia project and its currently going through the final stages to be completed. This marks a major milestone in the project. For our steadfast focus to bring housing to our community, the Monterey County Business Council awarded us the **Community Builders Award** during their gala event in April 2024.

Moreover, although we are working to reduce costs and are being more diligent about generating and collecting revenue, as well as setting up better cost recovery systems, through partnerships we have been able to bring more activities to our community. Partnerships with Alliance on Aging, Save the Whales and the Blue Zones project have allowed us to create a space for a community garden and have helped us bring more programming for our local senior citizens. Measure K and X continue to be strong and provide funding for some of our key programs including our sports league, aquatics, our youth leadership development, Kid Power programs, Hartnell Promise as well as support for our Fire Department operations. We have been mindful of prioritizing needs and have been persistently submitting grant applications for support for our internal operations. We have received two grants and are waiting to hear from six others.

Of the overall budget amount, the General Fund appropriations total \$7,354,639. An increase of 10.4% from FY 2023-2024. The change is primarily driven by the work on the Janice and Dennis Caprara Community Center, the increase to worker's compensation and liability insurance, the new employee bargaining agreement, as well as the employee and management salaries and benefits.

Overall, revenues are \$49,315,025 of that, the General Fund is \$8,159,087 which is 13.5% higher than FY 2023-2024 mainly due to a slight increase in sales and property tax revenues including Measure X and K and the sale of the City cell tower leases.

While the budget remains tight, the FY 2024-2025 budget reflects the Council's priorities. For example, it funds all authorized positions, maintains core operations, and it supports the continuation of our major project: the Dennis and Janice Caprara Community Center Complex and the expansion of the Industrial Wastewater System.

The budget reflects an increase in our General Fund Balance Reserve (rainy day fund) due to the sale of the City cell tower leases.

As your Council reviews the budget document, please keep in mind that any increases in expenditures or funding of new programs and/or initiatives should be done cautiously because they will need to be taken from another section of the budget. This approach is recommended because it is important to continue working on building our General Fund Reserve back up to at least \$1 million dollars.

Finally, I would like to take this opportunity to express my appreciation to all my staff and Mike Howard whose service, cooperation, and commitment to excellence made this document possible. Michael Rodriquez, City Attorney, who has been a great partner and provided invaluable advice to all departments during the year, Mrs. Mary Villegas for her tireless hard work and to the entire staff of the City of Gonzales for their continued dedication to our community.

Respectfully submitted,

Carmen Gil, MPA

General Purpose Revenues Budget Narrative for FY 2024-2025 Budget Unit 000

DEPARTMENTAL MISSION

This budget is used to track general purpose revenues for the General Fund that are not directly attributable to any program or function.

ACCOMPLISHMENTS FOR FY 2023-2024

- Sales and property tax revenues continued to grow at a steady pace.
- The Gonzales Agricultural Industrial Business Park (GAIBP) continued to be the foundational piece of the City's sales tax generation.
- Both Measure K and X continued to perform well.
- Captured and benefited from the American Rescue Plan funds.
- Cut costs to reduce strain on the General Fund (e.g. T-Mobile HotSpot Program, etc.)
- Sought out potential buyers for the wireless tower antennas.
- Submitted multiple grants to help offset General Fund expenses.

DEPARTMENTAL GOALS FOR FY 2024-2025

- Carefully track and manage revenues.
- Continue to look for ways to enhance local revenues.
- Look for additional funding to support operating costs.
- Continue to seek out efficiencies in city operations.
- Complete sale of tower antennas to bring in additional revenue.
- Establish electronic billboard sign agreement to bring in additional non-restricted revenue.
- Continue to identify and submit applications for grants that can help offset general operating expenses.

FY 2024-2025 RECOMMENDED BUDGET

The Department's FY 2024-2025 Recommended Budget reflects an increase of \$1,206,703 or a 23.4% increase when compared to the FY 2023-2024 Approved Budget. However, the largest increase is due to the sale of the City's cell tower leases in the amount of \$1,200,000. If you eliminate this one-time revenue the actual increase in revenues would be \$6,703

<u>Revenues</u>

Reflected in this budget are the following significant changes:

1. A conservative 4.0% increase in Property Tax revenues from last year's budget,

which is mainly due to the Gonzales Agricultural Industrial Business Park.

- 2. A 6.7% decrease in all Sales Tax revenues based on projected revenues in FY 2024-2025, and the forecast from the City's sales tax consultants¹.
- 3. Continued emphasis on the General Fund being reimbursed for its administrative costs for running the various non-general fund programs.
- 4. Diligent recovery of fees, especially for planning and building permits as businesses come in and/or expand and housing construction begins.
- 5. Transfers from various funds for administrative support.

MAJOR POLICY CONSIDERATIONS

The Gonzales Agricultural Industrial Business Park continues to be one of the driving factors of our local economy, however the return rate, this year, has slowed down. Nonetheless, it's important to continue diversifying our revenue streams and develop new and sustainable funding sources while we work with our existing businesses to improve their resiliency and help them grow. We should also continue to seek ways in which we can support the expansion and development of our small business assistance program(s) and look at launching a downtown business revitalization project, while supporting signature projects like the Rianda Cooler.

Police Department Budget Narrative for FY 2024-2025 Budget Unit 300

DEPARTMENTAL MISSION

The Gonzales Police Department supports the Vision and Mission of the City by providing public safety services to all our residents, businesses, and visitors. These services are provided using a cooperative community policing philosophy, in which the Department works with the residents to solve crime and quality of life issues in our diverse community.

The number one concern of the Department is the safety of all our residents, businesses, and visitors. The Department takes a zero tolerance to crime and works aggressively to solve crimes that do occur.

The Gonzales Police Department supports and protects commercial, industrial, and educational institutions in the area. The Department provides advice as requested, and aides in crime prevention.

ACCOMPLISHMENTS FOR FY 2023-2024

The Police Department accomplished many of the goals, including the following:

- Experienced a 27% decrease in part one crimes during the 2023-2024 year compared to the previous year. Gonzales continues to be one of the safest communities in Monterey County and has been ranked as being one of the safest small Cities in the State of California.
- Participated and coordinated many events that were held throughout the City.
- The Police Department underwent several unremarkable internal audits for best practices, procedures, policies, and training. The audits were conducted by the State of California Commission on Police Officers Standards and Training, Department of Justice, California Department of Corrections and Monterey County Health Department for adult and youth detention in our Holding Cell Facility.
- Continued to do community outreach throughout the City to help residents address not only crime issues, but also quality of life challenges.

DEPARTMENTAL GOALS FOR 2024-2025

- Continue collaborative efforts with the community, organizations and Schools to improve interaction and strengthen relationships.
- Continue to apply for additional funding as opportunities arise, including applying for future gang and crime prevention grants, and other opportunities.
- Continue to identify and prioritize community concerns regarding crime and traffic, which will improve the health, safety, and security of the community.
- Continue to work with the residents of our City and establish productive lines of communication to address concerns and facilitate community problem solving.
- Work regionally with the other South County Cities to secure grant funding opportunities that may arise to help address community outreach, and training and engagement.

Services and Supplies

Theis is essentially a status quo budget in this category.

Capital Projects and Fixed Assets

This budget reflects no expenditures.

Fire Department Budget Narrative for FY 2024-2025 Budget Unit 310

DEPARTMENTAL MISSION

The Gonzales Fire Department is committed to providing safe and effective emergency response to our City and Rural Fire District in a friendly, cost-effective manner to ensure the safety of our residents and businesses. The Department continues to work collaboratively with other public safety agencies to maintain the highest quality of service and serve those in our diverse community.

ACCOMPLISHMENTS FOR FY 2023-2024

- Provided public safety services to our residents in a safe and effective manner.
- Worked with our partners to provide and promote health and safety initiatives for our residents.
- Continued Fire Prevention/Business Inspection, and residential rental inspection programs.
- Supported the community by engaging with non-profit groups providing services.
- Maintained a presence at all city events to promote fire prevention initiatives and educate the public.
- Submitted multiple grant applications for support for the Fire Department.

DEPARTMENTAL GOALS FOR FY 2024-2025

- Continue to seek out grant opportunities to assist the City with maintaining and replacing Fire Department equipment.
- Continue to work collaboratively with other public safety agencies to ensure that the residents of our City are receiving the best public safety services available, such as the Auto-Aid Agreements.
- Continue to coordinate emergency management and disaster preparedness to ensure Gonzales is prepared for an emergency.
- Continue to perform all duties of the Fire Marshal including business inspections, fire investigations, and coordinate inspections of rental housing units with the building department.
- Work to retain our firefighting force in a competitive labor market.
- Seek out new partnerships and expand existing relationships with non-profit groups that provide services to our residents.
- Prepare our Department for future growth and the associated increase in call volume through training and new technology.

FY 2024-2025 RECOMMENDED BUDGET

The Department's FY 2024-2025 Recommended Budget represents an overall increase of \$53,575 or 5.7% in expenditures, and \$9,800 or 3.5% in revenues, when compared to the FY 2023-2024 Approved Budget. As a result, the Requested Net Cost is increased by \$43,775.

Revenues

The Department operates on funds obtained from General Fund, the Gonzales Rural Fire Protection District, Special EMS Assessments, and other grants. The City will also see approximately \$6,500 in funding from CSA-74 monies that are collected by the County to provide medical supplies, training, and equipment. The increase in revenues is reflected from increases on property taxes from the Rural District.

To offset some of the increase, the budget reflects a \$250,000 contribution from Measure K funds.

Personnel

The increase reflected in the budget is due to the costs associated with operating a department with seven full-time personnel. Due to the unprecedented demand for firefighters, we can no longer sustain an adequate volunteer program. The projected growth of the City and subsequent increase in population will lead to an increase in call volume and the need for additional full-time personnel. Personnel costs take up the largest portion of the budget.

Services and Supplies

Services and supplies object codes are essentially unchanged.

Capital Projects/Fixed Assets

The Department is trying to maintain the City's policy on fiscal responsibility. Any capital projects or fixed assets purchases (over \$1,000) will be possible only with grant funding or low interest federal loans.

MAJOR POLICY CONSIDERATIONS

While the City continues to use General Fund monies to support the Fire Department's efforts, the overall cost of fire protection is minimal when compared to other cities. This is accomplished through the use of Auto Aid Agreements with other agencies to provide extra personnel when needed or during large incidents.

FY 2024-2025 RECOMMENDED BUDGET

Estimated Fund Balance

The Department's FY2024-2025 Recommended Budget reflects a slight decrease of \$5,817 of 11.0% in revenues, and a slight increase of \$500 or .4% in expenditures, when compared to the FY 2023-2024 Approved Budget.

Revenues

This budget revenue is solely based upon anticipated building activity.

Expenditures

Expenditures in this department are mostly associated with services provided by an outside consulting firm for building inspections and plan check, whose services are necessary in the absence of a city-employed plan checker and building inspector.

Per contractual arrangements, the outside consulting firm receives a fixed percentage of the building permit fees collected (approximately 60%) thereby assuring that City costs encumbered by this outside contractual service will not exceed the fees collected and leaves a balance for City administration and record keeping for these purposes.

MAJOR POLICY CONSIDERATIONS

There are no major policy considerations reflected in this budget.

Revenues

The main reason for the decrease is due to anticipated actual recreation revenue to be lower than the FY 2023-2024 budget.

Overall, expenditures will be lower as a result of leveling out the full program now that we have surpassed the effects of the pandemic and an increased contribution from Measure K.

Personnel

Reflected in salaries and benefits are the core full-time positions and limited part-time positions.

Services and Supplies

Services and supplies reflect an increase due to an increase in the level of activity and programs.

Capital Projects/Fixed Assets

MAJOR POLICY CONSIDERATIONS

It is important to highlight that a decrease in the budget is due to the leveling out of program and program staff as well as working through more collaborations that share cost of programming.

Gonzales Quality of Life Temporary Tax Measure Measure K Budget Narrative for FY 2024-2025 Budget Unit 800

DEPARTMENTAL MISSION

This budget unit is administered by the City Manager's Office whose Mission supports the Vision of the City by working to enhance the quality of life of our residents in an environment of safety, courtesy, integrity, and respect. This budget unit was created to keep track of the incoming revenue associated with the Measure 'K' Transaction and Use Tax, and monitor the associated expenditures, including the transfers out to other budget units and funds.

DEPARTMENTAL PROGRAMS

On November 4, 2014, 65 percent (65%) of Gonzales voters approved Measure 'K', enacting a one-half percent (0.5%) transactions and use tax. Revenue generated by the tax has provided the City with the financial flexibility to continue to move the City forward with a number of proactive and quality-of-life programs. The City's authority to levy the tax expires on the tenth anniversary of the last day of the calendar quarter preceding the operative date.

ACCOMPLISHMENTS FOR FY 2023-2024

- Completed the list of services/programs and funding allocations recommended by the Measure 'K' Oversight Committee and approved by the City Council. These services and programs are reflected over three budgets, Youth Development & Leadership (Budget Unit 550), Debt Service (Budget Unit 900), and this one, which included:
 - Provided match funds for the Sports and Senior Programs Coordinator position, and After School and Day Camp.
 - Funded the Community Participation Grants.
 - Provided funding for Community Policing activities.
 - Provided funding youth leadership and the Hartnell Promise program.
 - Provided funding for the Gonzales Fire Department.
 - Provided funding for Olinga youth development.

DEPARTMENTAL GOALS FOR FY 2024-2025

The Goals for FY 2024-2025 are to fully fund and support the efforts and programs recommended by the Measure 'K' Oversight Committee for this budget, which reflects:

- The annual debt service for the pool.
- The Community Grant Program which was slightly increased for FY 24/25.
- "Ensuring Gonzales Youth Achieve 21st Century Success" afterschool "Kid Power", summer youth programs, and recreational preschool.
- The Senior/adult programming.
- The Olinga "Wings of Knowledge" Youth STEM program and the Salinas Valley Promise Scholarship at Hartnell Junior College.
- The Police Department's community policing efforts.
- Help offset the cost of 3 fulltime Fire Fighter positions necessary to augment and maintain the high level of fire services for the community.
- Support for our aquatics and sports programs.
- Community beatification projects.

FY 2024-2025 RECOMMENDED BUDGET

The Department's FY 2024-2025 Recommended Budget represents an increase of \$13,500 or 2.1% in expenditures when compared to FY 2023-2024 Approved Budget. However, unlike the other General Fund budgets, looking at the Net Cost for this budget unit is not very relevant because while all the TUT revenue is reflected in this budget, in addition to this budget, it is used to fund the expenditures in Budget Units 310, 511, 550, 800, and 900.

Revenues

Revenues reported in this budget unit are those associated with the proceeds collected from the one-half percent (0.5%) transactions and use tax.

Expenditures

Expenditures in the budget unit represent the costs paid to the State Board of Equalization with regard to administration and oversight, and those programs and services funded by tax revenues that are recommended by the Measure 'K' Oversight Committee, listed above, and approved by the City Council.

<u>Personnel</u>

While the City Manager, Community Development Director, and other Department Heads will participate in the completion of program tasks and duties, no salaries and benefits are allocated to this budget.

Services and Supplies & Fixed Assets

The budget reflects a mix of appropriations for the committee to utilize as part of their recommendations to the Council listed above in the FY 2024-2025 Goals.

MAJOR POLICY CONSIDERATIONS

The Measure 'K' Oversight Committee is appointed by the City Council to provide advisory

recommendations on an annual spending plan for Measure 'K' revenues to the City Council.

Gonzales Quality of Life Temporary Tax Measure Measure X Budget Narrative for FY 2024-2025 Budget Unit 850

DEPARTMENTAL MISSION

This budget unit is administered by the City Manager's Office whose Mission supports the Vision of the City by working to enhance the quality of life of our residents in an environment of safety, courtesy, integrity, and respect. This budget unit was created to keep track of the incoming revenue associated with the Measure 'X' Transaction and Use Tax, and monitor the associated expenditures, including the transfers out to other budget units and funds.

DEPARTMENTAL PROGRAMS

On November 3, 2020, Gonzales voters approved Measure 'X', enacting an additional one-half percent (0.5%) general purpose transactions and use tax (TUT). Revenues generated by the tax are flexible, but were approved by the voters to provide funding for and in a variety of areas; including, the Community Center Complex project, streets, roads, etc. This measure has provided the City with the financial capacity to be able to take on the Gonzales Community Center project (Dennis and Janice Caprara Community Center Complex).

ACCOMPLISHMENTS FOR FY 2023-2024

- Advisory Subcommittee approved the use of these funds for the Community Center Complex Project for year 23/24.
- The City held a grandiose Groundbreaking Ceremony on April 27th at the site that was attended by local residents, the Gonzales High School Band and local, state, and federal elected officials.
- The City has received the final construction documents and held the official "Preconstruction" meeting on June 5th and plans to issue the Notice to Proceed by Friday, June 7th.
- Measure X funding has also been instrumental in the Gonzales Community Center capital campaign. It has supported us in generating over \$5.5 million in private contributions with a total commitment of \$6.5 million.

DEPARTMENTAL GOALS FOR FY 2024-2025

- Continue to engage the Oversight Committee.
- Move the project into construction.
- Ensure the project stays on the construction timeline.
- Continue to generate capital campaign contributions.

FY 2024-2025 RECOMMENDED BUDGET

The Department's FY 2024-2025 Recommended Budget represents transfer to the Community Center Capital Fund of \$743,240 and revenues of \$812,500 which is a decrease in revenues of \$19,000 or 2.3% when compared to the FY 2023-2024 Approved Budget. As a result, the Requested Net Cost is decreased by \$19,000.

Revenues

Revenues reported in this budget unit are those associated with the proceeds collected from the one-half percent (0.5%) transactions and use tax. The increase is based on the expected spending activity and patterns expected as we come out of the pandemic.

Expenditures

Expenditures in the budget unit represent the costs for the Community Center Complex Project

Personnel

While the City Manager, Community Development Director, and other Department Heads will participate in the completion of program tasks and duties, no salaries and benefits are allocated to this budget.

Services and Supplies

With the exception of engineering and surveying costs for the Community Center Complex project, no other costs are reflected.

MAJOR POLICY CONSIDERATIONS

The Measure 'X' Advisory Subcommittee is appointed by the Measure K Oversight Committee to provide advisory recommendations on an annual spending plan to the City Council.

While the budget reflects the \$750,000 allocated to the project, work is underway on developing the financing vehicle and as a result, portions or all of this amount would be used for debt service should the financing be secured. It is expected that this will be brought to the Council for action sometime before the end of the year.

- Painted traffic stripes and markings

DEPARTMENTAL GOALS FOR FY 2024-2025

- Maintain stormwater ponds in an efficient manner.
- Continue the Striping and Street Sign Program.

FY 2024-2025 RECOMMENDED BUDGET

This Fund's FY 2024-2025 Recommended Budget represents an overall decrease of \$107,357 or 19% in expenditures, and decrease of \$16,035 or 3.6% in revenues, when compared to the FY 2023-2024 Approved Budget. As a result, the Requested Net Cost is decreased by \$123,592.

Revenue

This budget reflects revenue received from several State transportation taxes, and the Soledad Subvention funds. The slight decrease is spread out over several revenue object codes.

Personnel

The Public Works Department provides the personnel requirements for this fund, and Fund 130 reflects a portion of the Public Works salaries. Only assigned personnel's time is charged to this fund.

Services and Supplies

This fund included services such as engineering for street maintenance, improvements, and planning. Supplies for street maintenance are also included in this fund, as well as street striping, signs, and pothole repairs. Street trees and their maintenance were funded by this account. The reason for the decrease is mainly due to a reduction in expected revenues.

Capital Projects/Fixed Assets

There are no capital projects or fixed assets reflected in the budget at this time.

MAJOR POLICY CONSIDERATIONS

The policy consideration for this fund is how to annually implement and fund roadway rehabilitation projects from the City's Pavement Management Plan.

Measure X Transportation Program Fund Budget Narrative for FY 2024-2025 Budget Fund 136

DEPARTMENTAL MISSION

This Fund tracks funds allocated to the City from TAMC's 0.375% Regional Sales Tax. Measure X was approved by County voters in November 2016. Under Measure X, 60% of the sales tax revenue goes to local cities and the County of Monterey for road maintenance projects. Regional safety and mobility projects receive the other 40% of the revenue.

DEPARTMENTAL PROGRAMS

• This fund is used to plan and implement street system repairs and improvements.

ACCOMPLISHMENTS FOR FY 2023-2024

• The City's Measure X funds continued to make the debt service payment to TAMC for the \$2.5 million, that was borrowed to partially fund the Alta Street Pavement Rehabilitation Project completed in December 2018.

DEPARTMENTAL GOALS FOR FY 2024-2025

• This fund will continue to repay the \$2.5M loan for the 2018 Alta Street Pavement Rehabilitation Project for the next 6 to 7 years.

FY 2024-2025 RECOMMENDED BUDGET

This Fund's FY 2023-2024 Recommended Budget represents no change when compared to the FY 2022-2023 Approved Budget. As a result, the Requested Net Cost is zero.

Revenues

The increase in estimated revenues is due to an anticipated increase of the Regional Transportation Tax.

Personnel

There are no personnel costs reflected in this budget.

Services and Supplies

There are no service or supply costs reflected in this budget.

Capital Projects/Fixed Assets

The debt service of the Alta Street Pavement Rehabilitation Project repayment is the only expense included in this budget.

MAJOR POLICY CONSIDERATIONS

There are no major policy decisions for this fund this year.

Overall, the debt service agreement with TAMC reflects that the City's share of the Regional Transportation Tax will be used to cover the annual debt service payment, until the debt is retired. Once that debt is retired, these funds will be used for street rehabilitation projects as prioritized by the City Council.

Supplemental Law Enforcement Budget Narrative for 2024-2025 Budget Fund 150

DEPARTMENTAL MISSION

The Supplemental Law Enforcement Fund is administered by the Police Department as a fiscal record keeping fund that tracks grant funding, that the City has obtained from the Federal and State governments. The grant funding supports the City's Mission by working in a fiscal responsible manner to provide public safety services to our residents, businesses, and visitors.

The safety of Gonzales' residents is the number one concern of the Police Department. The collaborative working relationship with other government agencies to provide law enforcement funding, continues to assist our City in providing these services to our diverse community.

ACCOMPLISHMENTS FOR FY-2023-2024

Please see Budget Unit 300.

DEPARTMENTAL GOALS FOR FY 2024-2025

Please see Budget Unit 300.

FY 2024-2025 RECOMMENDED BUDGET

The Department's FY 2024-2025 Recommended Budget represents relatively no change in expenditures and revenues, when compared to the FY 2023-2024 Approved Budget. As a result, the Requested Net Cost remains unchanged.

Revenues

This fund receives Supplemental Law Enforcement funds provided by California Government Code 30061.

While Gonzales currently uses this revenue to help support the salaries of two front line Police Officers, the reality is that the funding is no longer adequate to pay those salaries in full, and General Fund monies are needed to offset the difference.

Personnel

The Supplemental Law Enforcement Fund is designed as the fund where grant monies are funneled when they are received by the City. This fund is managed by the State of California when they are received from the Federal government.

Once the funds are received, they are transferred to the Public Safety Fund (210), where they are used for personnel costs as outlined above.

Services and Supplies

There are no expenses reflected in this category.

Capital Projects/Fixed Assets

There are no capital projects or fixed assets associated with this fund.

MAJOR POLICY CONSIDERATIONS

There are no major policy considerations reflected in this budget.

General Plan Impact Fund Budget Narrative for FY 2024-2025 Budget Fund 200

DEPARTMENTAL MISSION

This Fund is administered by the Community Development Department and was established to pay for periodic updates and revisions to the Gonzales General Plan and follow-up work in support of the General Plan. The financial resources supporting the fund are General Plan Maintenance Impact Fees, transfers from the general fund and other City accounts, grants, and interest income of funds on deposit as warranted.

ACCOMPLISHMENTS FOR FY 2023-2024

• Insignificant revenue in the fund presently to be of utility.

DEPARTMENTAL GOALS FOR FY 2024-2025

- Continue to searching for new grant opportunities.
- Increase new building construction and repair generally city-wide, adding incrementally to the fund.
- Complete the Housing Element and offset impacts to the General Fund through financial resources added to this fund, as the City must bear the costs of preparing the implementation ordinances for the Housing Element.

FY 2024-2024 RECOMMENDED BUDGET

The Fund was originally created to address the financial needs of updating and maintaining the City's General Plan. Currently, it reflects no expenditure activity.

These funds are collected as a small surcharge on building permits to facilitate implementation of the General Plan. When construction in begins in the neighborhoods of the Vista Lucia Specific Plan, and other new housing construction increases city-wide, then this fund will grow. Revenues can be used to offset staff and consultant time for preparing new ordinances and zoning codes, including those implementation ordinances required of the 6th Cycle Housing Element (once certified and adopted by the City of Gonzales.)

Revenues

There are currently \$2,000 dollars in revenues due to interest earnings.

Expenditures

There are currently no expenditures.

MAJOR POLICY CONSIDERATIONS

- 1. Refer to Fund 201 for Sphere of Influence development.
- 2. Begin planning in the near future for the General Plan Update to occur in the 2030 to 2032 timeframe.

Sphere of Influence Impact Fund Budget Narrative for FY 2024-2025 Budget Fund 201

DEPARTMENTAL MISSION

This Fund is administered by the Community Development Department and was established for processing of the Sphere of Influence boundary change approved by LAFCO in 2014. This fund subsequently became the Fund to accommodate the two Environmental Impact Reports (EIR) for the Vista Lucia Specific Plan, and the Puente del Monte Specific Plan. These EIRs will address the development in the new growth area as approved in the City's 2010 General Plan. The financial resources supporting this fund are contributions from the applicants and landowners within the Sphere of Influence area, the City, and grants that may be available. The City also contributed to this fund with SB 2 grant funds.

ACCOMPLISHMENTS FOR FY 2023-2024

- Continued to engage on a regular basis with applicants on their proposed projects including Pembrook Development.
- Moved the Rianda Cooler Project through the entitlement process including completing the CEQA Initial Study, City Council approvals, and LAFCo approval subject to conditions, prior to incorporation.

DEPARTMENTAL GOALS FOR FY 2024-2025

- Complete the Vista Lucia Project EIR, seek City Council approvals in Fall of 2024 and submit the project's annexation application to LAFCo.
- Re-engage and restart with the Puente Del Monte Specific Plan project (Jackson Family Investments) as the project has been modified following approval of the Rianda Cooler Project.

FY 2024-2025 RECOMMENDED BUDGET

This Fund's FY 2024-2025 Recommended Budget reflects relative no change in expenditures, and no change in revenues, when compared to the FY 2023-2024 Approved Budget. As a result, the Net Cost is decreased by \$2,000.

Estimated Fund Balance

The year-end Fund Balance is estimated to be \$281,400 as of June 30, 2024, which is sufficient to offset the Net Cost.

Revenues

The revenues in this fund are the same as the FY 2023-2024 Approved Budget.

Expenditures

Expenditures reflected in the Fund are for consultants to finish the needed studies for growth in the City SOI: The Vista Lucia Specific Plan EIR, and following review of the revised Puente Del Monte Specific Plan, an EIR for that project.

MAJOR POLICY CONSIDERATIONS

This fund is critical for continuing to advance the annexation approvals for the Vista Lucia Specific Plan Project and the Puente Del Monte Specific Plan. Staff continuously seeks new grant funds to augment the development related work to be completed under this Fund.

Public Safety Fund Budget Narrative for FY 2024-2025 Budget Fund 210

DEPARTMENTAL MISSION

This fund is administered by the Gonzales Police Department, who supports the Vision and Mission of the City of Gonzales by providing a cooperative community policing philosophy, to provide law enforcement services to our residents, businesses, and visitors.

The chief's goal of the Department is the safety of all our residents and visitors. The Department takes a zero-tolerance approach to all crime issues that face Gonzales. It is this collaborative working relationship with our businesses, and residents that makes Gonzales one of the safest communities in Monterey County.

ACCOMPLISHMENTS FOR FY 2023-2024

Please see Budget Unit 300.

DEPARTMENTAL GOALS FOR FY 2024-2025

Please see Budget Unit 300.

FY 2024-2025 RECOMMENDED BUDGET

The Department's FY 2024-2025 Recommended Budget reflects a decrease of \$5,365 or 1.6% in expenditures and revenues, when compared to the FY 2023-2024 Approved Budget. As a result, the Requested Net Cost remains unchanged.

Revenues

The reason for the decrease is due to the decreased transfer from the General Fund to cover expenses.

The funds contained in this fund are a pass through from Fund 150, and also include AB 109 grant funds. They are used to pay salaries, and other direct front line efforts. AB 109 funding is being used to purchase equipment for the Department, explorer program, and items used for community outreach, such as the National Night Out in August.

The revenue source continues to hold steady, but it is no longer sufficient to fully cover the cost of the two Police Officers allocated to this fund.

Personnel

The Public Safety Fund is where grant monies collected in the Supplemental Law Enforcement Fund (150) are transferred to be used to pay the partial salaries and benefits for two Officers. The remaining costs are funded through the City's General Fund. At its inception, the fund was able to cover all of the salaries, benefits, and associated costs of one and a half Police Officer positions.

Services and Supplies

Services or supplies reflect contractual services for direct front line community activities and equipment needs of the Department.

Capital Projects/Fixed Assets

There are no capital projects or fixed assets associated with this fund.

MAJOR POLICY CONSIDERATIONS

As mentioned in the Narrative for Fund 150 – Supplemental Law Enforcement, the City must continue to address the inability of the current funding source to fully fund this program.

Gonzales Successor Agency Budget Narrative for FY 2024-2025 Budget Fund 426

DEPARTMENTAL MISSION

This fund, which is administered by the City Manager's Office, who serves as the Executive Director of the Gonzales Successor Agency, was set up to track expenditures and revenues for the Agency. As part of the elimination of Redevelopment (RDA), the State established a different process and organization structure to account for the tax increment. This process established a Successor Agency, Oversight Board, and a separate fund that would be used to reflect all tax increment proceeds.

ACCOMPLISHMENTS FOR FY 2023-2024

- The old RDA, now as the Successor Agency, continues to generate significant tax increment to both the City and other entities like the Gonzales Unified School District, Hartnell Junior College, and the County of Monterey.
- As required by the State, successfully transitioned to the County Successor Agency as the overseer of this function; which was formally under the purview of the Gonzales Successor Agency.

DEPARTMENTAL GOALS FOR FY 2024-2025

- Continue to move towards submitting a Last and Final Recognized Obligation Payment Schedule (ROPS) to DOF, which would essentially result in completing the dissolution process of the former Gonzales RDA.
- Continue to manage and oversee all the functions of the Gonzales Successor Agency.

FY 2024-2025 RECOMMENDED BUDGET

The Fund's FY 2024-2025 Recommended Budget represents no change in revenues compared to FY 2023-2024, and decrease in expenditures of \$74,694 or 6.0% when compared to last FY.

Revenues

The budget reflects the revenue estimates of tax increment that will be received to cover the recognized obligations (ROPS) of the Successor Agency. Although there is no significant change, it is still significant in great part due to the Gonzales Agricultural Industrial Business Park.

Expenditures

The budget includes the debt service expenses of the former RDA and the administrative costs of the Successor Agency.

MAJOR POLICY CONSIDERATIONS

There are no major policy considerations reflected in this budget.
