Military Equipment

709.1 PURPOSE AND SCOPE

The Gonzales Police Department does not participate in the 1033 Program and has not obtained any military equipment from the military, nor does it possess any equipment that was designed for military use. However, California Government Code § 7071(b) requires that law enforcement agencies submit a proposed Military Equipment Use Policy to their governing body for approval.

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of “military equipment” (Government Code § 7070; Government Code § 7071; Government Code § 7072). This policy is provided to fulfill the obligations set forth in Assembly Bill 481. These obligations include but are not limited to seeking approval on specific items deemed to be military equipment and requirements related to compliance, annual reporting, cataloging, and complaints regarding these items.

709.1.1 DEFINITIONS

Definitions related to this policy include (Government Code § 7070):

Governing body – The elected or appointed body that oversees the Department.

Military equipment – any of a wide variety of items as defined by California Government Code section 7070, subsections (c)(1) through (c)(16) listed below:

1. Unmanned, remotely piloted, powered aerial or ground vehicles.
2. Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers. However, police versions of standard consumer vehicles are specifically excluded from this subdivision.
3. High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached. However, unarmored all-terrain vehicles (ATVs) and motorized dirt bikes are specifically excluded from this subdivision.
4. Tracked armored vehicles that provide ballistic protection to their occupants and utilize a tracked system instead of a wheels for forward motion.
5. Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
6. Weaponized aircraft, vessels, or vehicles of any kind.
7. Battering rams, slugs, and breaching apparatuses that are explosive in nature. However, items designed to remove a lock, such as bolt cutters, or a handled arm ram designed to be operated by one person, are specifically excluded from this subdivision.

8. Firearms and ammunition of 50 caliber or greater. However, standard issue shotguns are specifically excluded from this subdivision.
9. Ammunition of 50 caliber or greater. However, standard issue shotgun ammunition is specifically excluded from this subdivision.
10. Specialized firearms and ammunition of less than 50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue weapons and ammunition of less than 50 caliber that are issued to officers, agents, or employees of a law enforcement agency or state agency.
11. Any firearm or firearm accessory that is designed to launch explosive projectiles.
12. “Flashbang” grenades and explosive breaching tools, “tear gas,” and “pepper balls,” excluding standard service-issued handheld pepper spray.
13. TASER® Shockwave, microwave weapons, water cannons, and long-range acoustic devices (LRADs).
14. Projectile launch platforms and their associated munitions: 40 mm projectile launchers, “bean bag,” rubber bullet, and specialty impact (SIM) weapons.
15. Any other equipment as determined by a governing body or a state agency to require additional oversight.
16. Notwithstanding paragraphs (1) through (15), “military equipment” does not include general equipment not designated as prohibited or controlled by the federal Defense Logistics Agency.

The bold items above are the current recognized specialized “military equipment” purchased and used by the Gonzales Police Department.

709.2 POLICY REQUIREMENTS

California Government Code § 7070(d) describes a Military Use Equipment as a publicly released, written document that includes, at a minimum the following:

1. A description of each type of Military Equipment, the quantity sought, its capabilities, expected lifespan, and product descriptions from the manufacturer of the Military Equipment.
2. The purposes and authorized uses for which the law enforcement agency or the state agency proposes to use each type of Military Equipment.
3. The fiscal impact of each type of Military Equipment, including the initial costs of obtaining the equipment and estimated annual costs of maintaining the equipment.
4. The legal and procedural rules that govern each authorized use.
5. The training, including any course required by the Commission on Peace Officer

Policy Manual

Standards and Training, that must be completed before any officer, agent, or employee of the law enforcement agency or the state agency is allowed to use each specific type of Military Equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties and full adherence to the Military Equipment use policy.

6. The mechanisms to ensure compliance with the Military Equipment use policy, including which independent persons or entities have oversight authority, and, if applicable, what legally enforceable sanctions are put in place for violations of the policy.
7. For a law enforcement agency, the procedures by which members of the public may register complaints or concerns or submit questions about the use of each specific type of Military Equipment, and how the law enforcement agency will ensure that each complaint, concern, or question receives a response in a timely manner.

709.3 POLICY

It is the policy of the Gonzales Police Department that members of this department comply with the provisions of Government Code §7071 with respect to military equipment. It is also the policy of the Gonzales Police Department that there are legally enforceable safeguards, including transparency, oversight and accountability measures in place to protect the public's welfare, safety, civil rights, and civil liberties before military equipment is funded, acquired, or used.

The acquisitions of military equipment and its deployment in our communities may impact the public's safety and welfare. The public has a right to know about any funding, acquisition, or use of military equipment by local government officials, as well as a right to participate in any government agency's decision to fund, acquire, or use such equipment. Decisions regarding whether and how military equipment is funded, acquired, or used should give strong consideration to the public's welfare, safety, civil rights, and civil liberties, and should be based on meaningful public input.

709.4 MILITARY EQUIPMENT COORDINATOR

The Chief of Police has designated the Police Captain as the Commander to serve as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

1. Acting as liaison to the City Council for matters related to the requirements of this policy.
2. Identifying department equipment that qualifies as military equipment in the current possession of the Department, or the equipment the Department intends to acquire that requires approval by the governing body.
3. Conducting an inventory of all military equipment at least annually.
4. Collaborating with any allied agency that may use military equipment within the jurisdiction of the Gonzales Police Department (Government Code § 7071).

7. Acquiring military equipment through any means not provided above.

709.7 COORDINATION WITH OTHER JURISDICTIONS

Military equipment used by any member of this jurisdiction shall be approved for use and in accordance with this Department policy. Military equipment used by other jurisdictions that are providing mutual aid to this jurisdiction shall comply with their respective military equipment use policies in rendering mutual aid.

709.8 ANNUAL REPORT

The Chief of Police or the authorized designee shall submit a military equipment report to the City Council for each type of military equipment approved within one year of approval, and annually thereafter for as long as the military equipment is available for use (Government Code § 7072). The Chief of Police or the authorized designee shall also make each annual military equipment report publicly available on the department website for as long as the military equipment is available for use.

The report shall include the following information for the immediately preceding calendar year as required by Government Code § 7072 for each type of military equipment in department inventory.

17. A summary of how the military equipment was used and the purpose of its use.
18. A summary of any complaints or concerns received concerning the military equipment.
19. The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.
20. The total annual cost for each type of military equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.
21. The quantity possessed for each type of military equipment.
22. If the law enforcement agency intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.

709.9 COMMUNITY ENGAGEMENT

Within 30 days of submitting and publicly releasing the annual report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Department should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.
