City Manager Report

April 2025

April was another exciting month for the City of Gonzales. We held the 3rd Annual Show & Shine Car Show on April 5th. The Car Show has become one of our largest events, called for by the community year after year. This year, we had over 170 cars participate. The weather and music were great, and everyone got to enjoy themselves. We would like to **THANK Street Life and Gonzales Customs** for their support in making it a huge success! Gonzales Customs went over the top and donated raffle prizes that were a total hit. We appreciate their leadership and love for the community of Gonzales.

Gonzales Police Department

The Gonzales Police Department received the **Lexipol Connect Gold 2024** recognition. The Lexipol Connect Program is a unique initiative aimed at helping safety organizations achieve excellence in managing critical areas of operation such as policy, training and wellness. Congratulations to the Gonzales Police Department for receiving this recognition.

The Gonzales Police Department has also been busy working with the Monterey County Health Department on various community activities, including conducting community presentations regarding pedestrian and driver safety, as well as giving out helmets to ensure bike riders are adhering to helmet requirement laws.

Join them and Officer Perez as he leads the 2025 Torch Run in Gonzales on Wednesday, June 25, 2025. To register or to make a donation, scan the bar code below.
