CHIEF'S PREFACE

As the most visible symbol of the law, employees of the Gonzales Police Department must conduct themselves in a manner that inspires respect for the law. To be worthy of public trust, police authority must be exercised in a manner consistent with the highest principles of a free society.

The nation's political system is founded on the belief that certain rights are inalienable and that government may not deny or abridge these rights. The Department Manual sets forth the limits of police conduct and the exercise of police power. The policies are designed to instill a high degree of public trust in the police while, at the same time, providing fair and reasonable standards of conduct for police officers and civilian employees.

Whenever there are such written policies, there is also a greater understanding of police professionalism. Police professionals view standards of conduct as positive ethical goals that are basic and fundamental elements of an effective professional organization. An organization is a reflection of its leadership. Gonzales is a professional Community Police Department staffed by individuals who cherish the highest standards of conduct and performance. This Manual is a reflection of these concepts and, when fairly applied, the policies confirm this commitment to us and to our community.

All existing manuals, orders, and other regulations which are in conflict with the Manual are hereby revoked. The Manual is a living document and will be updated in its entirety on an annual basis. It will also be amended as needed with the issuance of Special Orders throughout the year.

LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

100.1 PURPOSE AND SCOPE

The purpose of this policy is to affirm the authority of the members of the Gonzales Police Department to perform their functions based on established legal authority.

100.2 PEACE OFFICER POWERS

Sworn members of this [department/office] are authorized to exercise peace officer powers pursuant to applicable state law (Penal Code § 830.1 et seq.).

100.2.1 DELIVERY TO NEAREST MAGISTRATE

100.2.2 JURISDICTION

While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed within the City or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

The arrest authority outside the jurisdiction of the Gonzales Police Department includes (Penal Code § 830.1; Penal Code § 836):

- (b) When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to person or property or of escape.
- (c) When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to person or property or of escape or the arrest is mandated by statute.

While this [department/office] recognizes the power of peace officers to make arrests and take other enforcement action, officers are encouraged to use sound discretion in the enforcement of the law. This [department/office] does not tolerate the abuse of law enforcement authority.

AS A LAW ENFORCEMENT OFFICER, my fundamental duty is to serve; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I WILL keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my [department/office]. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I RECOGNIZE the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before god to my chosen profession... law enforcement.

Electronic Mail

212.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the Department's electronic mail (email) system by employees of this department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., California Public Records Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

212.2 EMAIL RIGHT OF PRIVACY

All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department's email system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

212.3 PROHIBITED USE OF EMAIL

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive and harassing or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief of Police or a Bureau Commander. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password by others.

212.4 EMAIL RECORD MANAGEMENT

Email may, depending upon the individual content, be a public record under the California Public Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

All Department letterhead shall bear the signature element of the Chief of Police. Personnel should use Department letterhead only for official business and with approval of their supervisor.

214.4 SURVEYS

All surveys made in the name of the Department shall be authorized by the Chief of Police.

Staffing Levels

216.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against the need to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Department.

216.2 MINIMUM STAFFING LEVELS

Minimum staffing levels should result in the scheduling of at least two regular officers on duty whenever possible.

216.2.1 SUPERVISION DEPLOYMENTS

In order to accommodate training and other unforeseen circumstances, senior officer's may be used as acting field supervisors in place of a Corporal or sergeant.

A senior officer may act as an on-duty Corporal/Sergeant for a limited period of time with prior authorization from the Corporal/Sergeant.

- (b) The licensee has become a disqualified person and cannot receive such a license in accordance with the standards set forth in Penal Code § 26202.
- (c) The licensee has breached any of the conditions or restrictions described in Penal Code § 26200.
- (d) Any information provided by a licensee in connection with an application for a new license or a license renewal is inaccurate or incomplete.
- (e) If the license is one to carry "loaded and exposed," the license shall be revoked immediately upon a change of the licensee's place of residence to another county (Penal Code § 26210).

The issuance of a license by the Chief of Police shall not entitle the holder to either a property or liberty interest as the issuance, amendment, or revocation of such license remains exclusively within the discretion of the Chief of Police as set forth herein.

If any license is revoked, the [Department/Office] will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).

218.5.3 LICENSE RENEWAL

No later than 90 days prior to the expiration of any valid license to carry a firearm, the licensee may apply to the Chief of Police for a renewal by:

- (a) Verifying all information submitted in the original application under penalty of perjury.
- (b) Completing a training course pursuant to Penal Code § 26165.
- (c) Submitting any firearm to be considered for a license renewal to the Rangemaster for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).
- (d) Paying the applicable renewal application fee.

License to Carry a Firearm

Within 90 days of receiving the completed application for a renewal license, the [Department/Office] shall give written notice to the applicant of the [department/office]'s initial determination whether or not the applicant is a disqualified person (Penal Code § 26202).

If the determination is that the applicant is not a disqualified person, the notice shall inform the applicant to proceed with the training requirements as specified in Penal Code § 26165. The [Department/Office] shall then submit the renewal notification to the California DOJ as provided in Penal Code § 26185.

Once the Chief of Police or the authorized designee has verified the successful completion of the renewal process, the renewal of the license to carry a firearm will either be granted or denied.

218.6 [DEPARTMENT/OFFICE] REPORTING AND RECORDS

The [Department/Office] shall maintain a record of the following and immediately provide copies of each to the California DOJ (Penal Code § 26225):

- (a) The denial of a license
- (b) The denial of an amendment to a license
- (c) The issuance of a license
- (d) The amendment of a license
- (e) The revocation of a license

The Chief of Police shall annually submit to the State Attorney General the total number of licenses to carry firearms issued to reserve peace officers and judges.

218.7 CONFIDENTIAL RECORDS

The home address and telephone numbers of any peace officer, public defender, prosecutor, magistrate, court commissioner, or judge contained in an application shall not be considered a public record (Government Code § 7923.805).

218.8 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police [department/office] may not issue limited licenses and these applicants should be referred to the Sheriff's Office (Penal Code § 26150).

An individual who is not a resident of the county but who otherwise successfully completes all portions of phases one and two above, may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

- (a) The applicant physically spends a substantial period of working hours in the applicant's principal place of employment or business within the City of Gonzales Police Department (Penal Code § 26150).
- (b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).

- (c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).
- (d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

218.9 WRITTEN NOTICE FOR DENIAL OF LICENSE

The Chief of Police or the authorized designee shall give written notice to the applicant for a new license that the license is approved or denied within 120 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later (Penal Code § 26205).

Written notice to an applicant for a renewal license that is approved or denied shall be given within 120 days of receiving the completed application (Penal Code § 26205).

Additionally, regardless of the type of license, if the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.9.1 ADDITIONAL REQUIREMENTS

If an application for a new license, renewal of a license, or revocation is denied based on a determination that the person is a disqualified person as provided by Penal Code § 26202, the Chief of Police or the authorized designee shall provide the person with the notice of determination as provided by Penal Code § 26202(d), Penal Code § 26205, or Penal Code § 26195(b)(3). The notice shall state the reason why the determination was made and inform the applicant that they may request a hearing from a court. The [Department/Office] shall also provide the most recent California DOJ hearing request form to the applicant (Penal Code § 26206).

If an application for a new license, renewal of a license, or revocation is denied for any other reason as described in Penal Code § 26206(i), the Chief of Police or the authorized designee shall provide the person with the notice required under Penal Code § 26205 or Penal Code § 26195(b)(3), as applicable, and inform the applicant they may apply to the county Superior Court for a writ of mandate pursuant to Code of Civil Procedure § 1085 (Penal Code § 26206).

218.10 POLICY AVAILABILITY

This policy shall be made accessible to the public as provided by Penal Code § 26160.

It is the policy of the Gonzales Police Department to provide identification cards to qualified former or retired officers as provided in this policy.

220.3 LEOSA

The Chief of Police may issue an identification card for LEOSA purposes to any qualified former officer of this [department/office] who (18 USC § 926C(c)):

- (a) Separated from service in good standing from this [department/office] as an officer.
- (b) Before such separation, had regular employment as a law enforcement officer for an aggregate of 10 years or more or, if employed as a law enforcement officer for less than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this [department/office].
- (c) Has not been disqualified for reasons related to mental health.
- (d) Has not entered into an agreement with this [department/office] where the officer acknowledges that he/she is not qualified to receive a firearm qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

220.3.1 LEOSA IDENTIFICATION CARD FORMAT

The LEOSA identification card should contain a photograph of the former officer and identify him/her as having been employed as an officer.

If the Gonzales Police Department qualifies the former officer, the LEOSA identification card or separate certification should indicate the date the former officer was tested or otherwise found by the [Department/Office] to meet the active duty standards for qualification to carry a firearm.

220.3.2 AUTHORIZATION

Any qualified former law enforcement officer, including a former officer of this [department/office], may carry a concealed firearm under 18 USC § 926C when he/she is:

- (a) In possession of photographic identification that identifies him/her as having been employed as a law enforcement officer, and one of the following:
 - 1. An indication from the person's former law enforcement agency that he/she has, within the past year, been tested or otherwise found by the law enforcement agency to meet agency-established active duty standards for qualification in firearms training to carry a firearm of the same type as the concealed firearm.

Gonzales Police Department

2. A certification, issued by either the state in which the person resides or by a certified firearms instructor who is qualified to conduct a firearms qualification test for active duty law enforcement officers within that state, indicating that the person has, within the past year, been tested or otherwise found to meet the standards established by the state or, if not applicable, the standards of any agency in that state.
- (b) Not under the influence of alcohol or another intoxicating or hallucinatory drug or substance.
- (c) Not prohibited by federal law from receiving a firearm.

- (a) For the purpose of this policy, honorably retired includes all peace officers who have qualified for, and accepted, a service or disability retirement. It shall not include any officer who retires in lieu of termination.
- (b) No CCW Approved endorsement shall be issued to any officer retiring because of a psychological disability (Penal Code § 26305).

220.4.1 CALIFORNIA IDENTIFICATION CARD FORMAT

The identification card issued to any qualified and honorably retired officer shall be 2 inches by 3 inches, and minimally contain (Penal Code § 25460):

- (a) A photograph of the retiree.
- (b) The retiree's name and date of birth.
- (c) The date of retirement.
- (d) The name and address of this [department/office].
- (e) A stamped CCW Approved endorsement along with the date by which the endorsement must be renewed (not more than one year). If a CCW endorsement has been denied or revoked, the identification card shall be stamped "No CCW Privilege."

220.4.2 QUALIFIED RETIREES FROM INCORPORATED JURISDICTION

The Gonzales Police Department shall provide an identification card with a CCW Approved endorsement to honorably retired peace officers from any jurisdiction that this [department/office] now serves under the following conditions (Penal Code § 25905):

220.4.3 QUALIFIED RETIRED RESERVES

Qualified retired reserve officers who meet the [department/office] requirements shall be provided an identification card with a CCW Approved endorsement (Penal Code § 26300).

220.5 FORMER OFFICER RESPONSIBILITIES

A former officer with a card issued under this policy shall immediately notify the Shift Sergeant of his/her arrest or conviction in any jurisdiction, or that he/she is the subject of a court order, in accordance with the Reporting of Employee Convictions policy.

220.5.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the [Department/Office] for all acts taken related to carrying a concealed firearm, acknowledging both his/her personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the [Department/Office].

- (b) Remain subject to all applicable [department/office] policies and federal, state and local laws.
- (c) Not engage in conduct that compromises public safety.
- (d) Only be authorized to carry a concealed firearm inspected and approved by the [Department/Office].

220.6 DENIAL, SUSPENSION, OR REVOCATION OF A LEOSA IDENTIFICATION CARD

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the [Department/Office]. In the event that an identification card is denied,

suspended, or revoked, the former officer may request a review by the Chief of Police. The decision of the Chief of Police is final.

220.7 DENIAL, SUSPENSION, OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement for any officer retired from this [department/office] may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Shift Sergeant when the conduct of a retired peace officer compromises public safety (Penal Code § 25470).

- (a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the [Department/Office] shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
 - 1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
 - 2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
 - 3. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the [Department/Office], one selected by the retiree or his/her employee organization, and one selected jointly (Penal Code § 26320).
 - 1. The decision of such hearing board shall be binding on the [Department/Office] and the retiree.
 - 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The [Department/Office] will then reissue a new identification card which shall be stamped "No CCW Privilege."
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Shift Sergeant as soon as practicable. The Shift Sergeant should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise him/her of the temporary suspension and hearing information listed below.
 - 1. Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).

Gonzales Police Department

Gonzales PD Policy Manual

Retiree Concealed Firearms

2. The Shift Sergeant should document the investigation, the actions taken and, if applicable, any notification made to the retiree. The memo should be forwarded to the Chief of Police.
3. The personal and written notification should be as follows:
 - (a) The retiree's CCW endorsement is immediately and temporarily suspended.
 - (b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
 - (c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Shift Sergeant should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Shift Sergeant may request that a law enforcement officer from that agency act as the agent of the [Department/Office] to deliver the written notification.

220.8 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this [department/office] an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this [department/office] is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

Retaliation prohibitions for reporting suspected violations are addressed in the Anti-Retaliation Policy.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

Gonzales Police Department

Gonzales PD Policy Manual

Use of Force

The [Department/Office] recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 NON-DEADLY FORCE APPLICATIONS

Any application of force that is not reasonably anticipated and intended to create a substantial likelihood of death or very serious injury shall be considered non-deadly force. Each officer is provided with equipment, training and skills to assist in the apprehension and control of suspects as well as protection of officers and the public. Non-deadly force applications may include but are not limited to leg restraints, control devices and TASER described in Policy Manual §§ 306, 308 and 309 respectively.

300.2.3 DUTY TO REPORT EXCESSIVE FORCE

Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b)).

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

300.2.4 FAILURE TO INTERCEDE

An officer who has received the required training on the duty to intercede and then fails to act to intercede when required by law, may be disciplined in the same manner as the officer who used force beyond that which is necessary (Government Code § 7286(b)).

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Gonzales Police Department

Gonzales PD Policy Manual

Use of Force

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the [Department/Office]. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
- (c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).

Gonzales Police Department

Gonzales PD Policy Manual

Use of Force

- (h) Proximity of weapons or dangerous improvised devices.
- (i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the officer.
- (m) Potential for injury to officers, suspects, bystanders, and others.
- (n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (r) Prior contacts with the subject or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed [department/office]-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the officer.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Officers of this [department/office] are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

Gonzales Police Department

Gonzales PD Policy Manual

Use of Force

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Gonzales Police Department for this specific purpose.

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.7 ADDITIONAL RESTRICTIONS

Terms such as "positional asphyxia," "restraint asphyxia," and "excited delirium" continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence or pre-existing medical conditions. While it is impractical to restrict an officer's use of reasonable control methods when attempting to restrain a combative individual, officers are not authorized to use any restraint or transportation method which might unreasonably impair an individual's breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once the individual is safely secured, officers should promptly check and continuously monitor the individual's condition for signs of medical distress (Government Code § 7286.5).

Gonzales Police Department

Gonzales PD Policy Manual

Use of Force

300.4 DEADLY FORCE APPLICATIONS

Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code § 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) An officer may use deadly force to protect themselves or others from what the officer reasonably believes is an imminent threat of death or serious bodily injury to the officer or another person.
- (b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

Additionally, an officer should not use deadly force against a person whose actions are a threat solely to property.

An "imminent" threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer's subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

Gonzales Police Department

Gonzales PD Policy Manual

Use of Force

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this [department/office] shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the [Department/Office] may require the completion of additional report forms, as specified in [department/office] policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Any use of force by an officer shall be reported immediately to a supervisor, including but not limited to the following circumstances (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

Use of Force

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Records Bureau Policy.

300.5.3 REPORT RESTRICTIONS

Officers shall not use the term "excited delirium" to describe an individual in an incident report. Officers may describe the characteristics of an individual's conduct, but shall not generally describe the individual's demeanor, conduct, or physical and mental condition at issue as "excited delirium" (Health and Safety Code § 24402).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 SHIFT SERGEANT RESPONSIBILITY

The Shift Sergeant shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

300.8 TRAINING

Officers, investigators, and supervisors will receive annual training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

Gonzales Police Department

- (g) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

See the Training Policy for restrictions relating to officers who are the subject of a sustained use of force complaint.

Required state-specific training shall include guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities (Government Code § 7286(b)).

300.9 USE OF FORCE ANALYSIS

At least annually, the Operations Bureau Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

300.10 USE OF FORCE COMPLAINTS

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.11 POLICY REVIEW

The Chief of Police or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.13 PUBLIC RECORDS REQUESTS

Requests for public records involving an officer's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records and Records Maintenance and Release policies (Government Code § 7286(b)).

Deadly Force Review

302.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a process to review the use of deadly force by employees of this Department.

302.2 REVIEW BOARD

The Gonzales Police Department is charged with the important responsibility of objectively evaluating the use of deadly force. It is the policy of this Department to convene a Use of Deadly Force Review Board when the use of deadly force by an employee results in injury or death to a person.

The Use of Deadly Force Review Board will also investigate and review the circumstances surrounding every accidental or intentional discharge of a firearm, whether the employee is on or off duty, excluding range training, recreational use, or use on an animal.

The Chief of Police may convene the Use of Deadly Force Review Board to investigate the circumstances surrounding any use of force incident.

302.2.1 COMPOSITION OF THE BOARD

The Use of Deadly Force Review Board shall be comprised of the following persons:

- Training Coordinator
- A Sergeant
- A Sergeant from the Monterey County Sheriff's Office

The senior ranking member will serve as chairperson.

The chairperson will convene the Use of Deadly Force Review Board as necessary. It will be the responsibility of the Supervisor of the involved employee(s) to notify the Chief of Police of any incidents requiring board review. The employee's Supervisor will also ensure that all relevant reports, documents, and materials are available for consideration and review by the Board.

302.2.2 RESPONSIBILITIES OF THE BOARD

The Use of Deadly Force Review Board is empowered to conduct an administrative investigation into the circumstances of an incident. The board members may request further investigation, call persons to present information, and may request that the involved employee appear before the board. The involved employee will be notified of the meeting of the board and may be represented by legal counsel and/or other representation through all phases of the review process.

Absent an express waiver from the employee, no more than two members of the board may ask questions of the involved employee (Government Code § 3303).

The review shall be based upon those facts which were reasonably believed by the officer at the time of the incident, applying legal requirements, department policy and procedures, and approved

Gonzales Police Department

Gonzales PD Policy Manual

Deadly Force Review

training to those facts. Facts later discovered but unknown to the officer at the time, can neither justify nor call into question an officer's decision regarding use of force.

If it appears that the actions of the employee may result in criminal charges or disciplinary action by the Department, the board will conduct the interviews in accordance with department disciplinary procedures. The board does not have the authority to recommend discipline. The board shall make a finding and such finding will be limited to one of the following:

- (a) The employee's actions were within department policy and procedures.
- (b) The employee's actions were in violation of department policy and procedures.

A finding will represent the consensus of the board. After the board has concluded, the board chairperson will submit written findings of the board to the Chief of Police. After review by the Chief of Police, a copy of the findings will be forwarded to the involved employee's Bureau Commander for review and appropriate action.

At the conclusion of the review process, a copy of all relevant reports and information will be filed with the Chief of Police.

Once the board has reached its specific finding, the Training Coordinator may convene a separate training committee to address training needs and to make recommendations for this department without specific reference to the facts of the incident considered by the board.

Policy Title

Shooting Policy

305.1 PURPOSE AND SCOPE

The purpose of the shooting policy is to establish procedures for the use and reporting of incidents involving the discharge of firearms. This policy is for internal use only and does not increase the Department's and/or an officer's civil or criminal liability in any way. Violations of this policy can only form the basis for departmental administrative actions.

305.1.1 POLICY

It is the policy of this department to resort to the use of a firearm, when it reasonably appears to be necessary, and generally:

- (a) An officer may use deadly force to protect himself/herself or others from what he/she reasonably believe would be an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to effect the arrest or prevent the escape of a suspected felon when the officer has probable cause to believe that the suspect has committed or intends to commit a felony involving the inflicting or threatened inflicting of serious bodily injury or death and the officer reasonably believes that there is an imminent or future potential risk of serious bodily injury or death to others if the suspect is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force where feasible.
- (c) To stop a dangerous animal.
 - 1. Officers are authorized to use deadly force against an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods to neutralize the threat are not reasonably available or would likely be ineffective.
 - 2. In circumstances in which officers have sufficient advanced notice that a potentially dangerous domestic animal (e.g. dog) may be encountered, such as in the serving of a search warrant, officers should develop reasonable contingency plans for dealing with the animal without the use of deadly force (e.g. fire extinguisher, Taser, OC Spray, animal control officer). Nothing in this policy shall prohibit any officer from resorting to deadly force to control a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.
- (d) With the approval of a supervisor, an officer may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical (Penal Code § 597.1(e)). Injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made (Penal Code § 597.1(b)). Injured dogs and cats found

Gonzales Police Department

Gonzales PD Policy Manual

Shooting Policy

without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed .

- (e) For target practice at an approved range.

Where feasible, a warning should be given before an officer resorts to deadly force as outlined (a) and (b) above. A specific warning that deadly force will be used is not required by this policy; only that a warning be given if feasible.

305.1.2 WARNING SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the officer reasonably believes that they appear necessary, effective and reasonably safe.

305.1.3 MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and are generally discouraged.

- (a) This is not intended to restrict an officer's right to use deadly force directed at the operator of a vehicle when it is reasonably perceived that the vehicle is being used as a weapon against the officer or others.
- (b) Officers may use deadly force to stop a fleeing suspect when the officer has probable cause to believe that the suspect has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death and the officer reasonably believes that there is an imminent or future potential risk of serious bodily injury or death to others if the suspect is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force when feasible.

305.1.4 REPORT OF WEAPON DISCHARGE

Except during training or recreational use, any member who discharges a weapon accidentally or intentionally, on or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If on-duty at the time of the incident the member shall file a written report prior to the end of shift and if off-duty, as directed by the supervisor but no later than the end of the next regularly scheduled shift.

Policy Title

Handcuffing and Restraints

307.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

307.2 POLICY

The Gonzales Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, the Transporting Persons in Custody Policy, and [department/office] training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

307.3 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the [Department/Office]. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

307.3.1 MEDICAL CONSIDERATIONS

Prior to booking or release, medical assistance shall be obtained for any person who has sustained visible injury, expressed a complaint of an injury or continuing pain, or who has been rendered unconscious. Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail.

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond physical characteristics and imperiousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death and should be examined by qualified medical personnel as soon as practicable. Any individual exhibiting signs of distress after such an encounter shall be medically cleared prior to booking.

Gonzales Police Department

Gonzales PD Policy Manual

Handcuffing and Restraints

If any individual refuses medical attention, such a refusal shall be fully documented in related reports and a supervisor should be notified. Whenever practical, the refusal should be witnessed by another officer and/or medical personnel. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

307.4 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

307.4.1 TRANSPORTING RESTRAINED PERSONS

When transporting a suspect(s) who has been restrained, officers shall observe the following procedures:

- (a) Restrained suspects may be transported in a patrol unit. They shall be seated in an upright position and secured by a seat belt. The long lead of the restraint will be placed outside the rear door and wrapped around the door pillar bringing it up through the passenger front door to prevent the lead from dragging on the ground. When the suspect cannot be transported in a seated position he/she shall be taken by ambulance/paramedic unit.
- (b) When taken by ambulance/paramedic unit, the suspect shall be accompanied by an officer.
- (c) Officers shall inform the jail staff that the arrestee was subjected to being restrained by use of a restraint device prior to arrival at the jail.

Gonzales Police Department

Gonzales PD Policy Manual

Handcuffing and Restraints

307.5 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg restraints, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only [department/office]-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

307.6 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the [Department/Office] shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

307.6.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on their stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on their stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

307.7 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

Gonzales Police Department

Gonzales PD Policy Manual

Handcuffing and Restraints

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

307.8 TRAINING

The Training Coordinator should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the [Department/Office].
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg restraints, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.
- (e) Proper placement of safely secured persons into an upright or seated position to avoid placement on the stomach for an extended period, as this could reduce the person's ability to breathe.

Control Devices and Techniques

309.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

309.1.1 WHEN DEVICES MAY BE USED

When a decision has been made to restrain or arrest a violent or threatening suspect, an approved control device may only be used when its use appears reasonable under the circumstances.

309.1.2 REVIEW, INSPECTION AND APPROVAL

Every control device will be periodically inspected by the department Armorer or Rangemaster, or the designated instructor for a particular control device.

309.1.3 TRAINING FOR CONTROL DEVICES

- (a) Only officers trained and having shown adequate proficiency in the use of any control device and this agency's Use of Force policy are authorized to carry the device. Proficiency training must be monitored and documented by a certified weapons or tactics instructor.
- (b) Training for all control devices should occur every two years at a minimum.
- (c) All training and proficiency for control devices will be documented in the officer's training file.
- (d) Officers failing to demonstrate proficiency with the weapon or knowledge of this agency's Use of Force policy will be provided remedial training. If, after two additional attempts, an officer still cannot demonstrate proficiency with a weapon or knowledge of this agency's Use of Force policy, the officer may be subject to discipline.

309.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Gonzales Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

309.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device

Gonzales Police Department

Gonzales PD Policy Manual

Control Devices and Techniques

appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

309.4 RESPONSIBILITIES

309.4.1 SHIFT SERGEANT RESPONSIBILITIES

The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

309.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

309.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

309.4.4 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been affected by the use of chemical agents should be promptly provided with the proper solution to cleanse the affected areas. Those persons who complain of further severe effects shall be afforded a medical examination by competent medical personnel.

309.4.5 REPORT OF USE

All uses of chemical agents shall be documented in the related arrest/crime report.

309.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

Gonzales Police Department

Gonzales PD Policy Manual

Control Devices and Techniques

309.5.1 DEPLOYMENT

Approved munitions are justified and may be used to compel an individual to cease his/her actions when such munitions present a reasonable option for resolving the situation at hand.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer(s) determine that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons, and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

309.5.2 EXAMPLES OF CIRCUMSTANCES APPROPRIATE FOR DEPLOYMENT

Examples include, but are not limited to, the following types of situations where the subject:

- (a) Is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions
- (b) Has made credible threats to harm her/himself or others
- (c) Is engaged in riotous behavior or is throwing rocks, bottles, or other dangerous projectiles at people and/or officers

309.5.3 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider the following factors:

- (a) Severity of the crime or incident.
- (b) Subject's capability to pose an imminent threat to the safety of officers or others.
- (c) If the subject is actively resisting arrest or attempting to evade arrest by flight.
- (d) The credibility of the subject's threat as evaluated by the officers present, and physical capacity/capability.
- (e) The proximity of weapons available to the subject.
- (f) The officer's versus the subject's physical factors (e.g., age, size relative strength, skill level, injury/exhaustion, the number of officer(s) versus subject(s)).
- (g) The availability of other force options and their possible effectiveness.
- (h) Distance and angle to target.
- (i) Type of munitions employed.
- (j) Type and thickness of subject's clothing.
- (k) The subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

309.5.4 DEPLOYMENT DISTANCES

Officers should keep in mind the manufacturer's recommendations regarding deployment when using control devices, but are not solely restricted to use according to these manufacturer

Gonzales Police Department

Gonzales PD Policy Manual

Control Devices and Techniques

recommendations. Each tactical situation must be evaluated on the totality of circumstances at the time of deployment.

309.5.5 SHOT PLACEMENT

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted when deadly force is not reasonably justified.

Officers should generally follow the manufacturer's recommendations regarding minimum deployment distances and target areas however any target area or distance may be considered when it reasonably appears necessary to accomplish immediate incapacitation in order to prevent serious injury or death and other reasonable methods have failed or reasonably appear ineffective.

309.5.6 APPROVED MUNITIONS

Only department approved kinetic energy munitions shall be carried and deployed.

309.5.7 USE OF KINETIC ENERGY PROJECTILES BY SWAT

Officers assigned to the Crisis Response Unit, who have completed a departmental training course may carry and employ 12 gauge or 37/40 mm projectiles while on duty or while performing Special Weapons and Tactics (SWAT) missions.

309.5.8 TRAINING REQUIRED FOR USE

Personnel who have successfully completed an approved departmental training course shall be authorized to use kinetic energy projectiles. Officers deploying kinetic energy projectiles will complete an annual recertification course.

309.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Shift Sergeant, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

309.6.1 SHIFT SERGEANT RESPONSIBILITIES

The Shift Sergeant shall monitor the use of control devices in the same manner as all other use of force incidents.

- (a) The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units provided the person(s) authorized has/have the required training. The request for a control device should be made through the Shift Sergeant.
- (b) The Shift Sergeant shall review each use of control devices by any personnel within his or her command.

Gonzales Police Department

Gonzales PD Policy Manual

Control Devices and Techniques

- (c) The Shift Sergeant shall ensure training on the use of control devices is provided as needed.

309.6.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and shall issue all control devices. All damaged, inoperative and/or expended control devices shall be returned to the Rangemaster for disposition, repair or replacement.

309.6.3 MAINTENANCE RESPONSIBILITY

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

309.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

309.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

309.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

Gonzales Police Department

Gonzales PD Policy Manual

Control Devices and Techniques

309.7.3 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

309.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

309.9 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

309.9.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

309.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.

Gonzales Police Department

Gonzales PD Policy Manual

Control Devices and Techniques

- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

309.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

309.10 TRAINING FOR CONTROL DEVICES

The Training Coordinator shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

Gonzales Police Department

Gonzales PD Policy Manual

Control Devices and Techniques

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

309.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

310.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

310.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

310.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed [department/office]-approved training may be issued and may carry the CED.

The Rangemaster should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the [department/office] inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the [Department/Office]. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon (Penal Code § 13660).

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

310.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Rangemaster for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

310.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

310.4.1 FACTORS TO DETERMINE REASONABLENESS OF FORCE

The application of the TASER is likely to cause intense, but momentary, pain. As such, officers should carefully consider and balance the totality of circumstances available prior to using the TASER including, but not limited to, the following factors:

- (a) The conduct of the individual being confronted (as reasonably perceived by the officer at the time).
- (b) Officer/subject factors (i.e., age, size, relative strength, skill level, injury/exhaustion, number of officers vs. subjects).
- (c) Influence of drugs/alcohol (mental capacity).
- (d) Proximity of weapons.
- (e) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (f) Time and circumstances permitting, the availability of other options (what resources are reasonably available to the officer under the circumstances).
- (g) Seriousness of the suspected offense or the reason for contact with the individual.
- (h) Training and experience of the officer.
- (i) Potential for injury to citizens, officers and suspects.
- (j) Risk of escape.
- (k) Other exigent circumstances.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

310.4.2 APPLICATION OF THE TASER

Authorized personnel may use the TASER when circumstances known to the officer at the time indicate that such application is reasonable to control a person in any of the following circumstances:

- (a) The subject is violent or physically resisting.
- (b) A subject who by words or action has demonstrated an intention to be violent or to physically resist and who reasonably appears to present the potential to harm officers, him/herself or others.
 - 1. When practicable, the officer should give a verbal warning of the intended use of the TASER followed by a reasonable opportunity to voluntarily comply.
 - 2. The officer must be able to articulate a reasonable belief that other available options appeared ineffective, impractical or would have presented a greater danger to the officer, the subject or others.
- (c) Absent meeting the conditions set forth in (a) or (b) above, or a reasonable belief that an individual has committed or threatened to commit a serious offense, mere flight from a pursuing officer shall not serve as good cause for the use of the TASER to apprehend an individual.

310.4.3 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the TASER should generally be avoided in the following situations unless the totality of the circumstances indicate that other available options reasonably appear ineffective, impractical, or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the TASER:

- (a) Pregnant females.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals who are handcuffed or otherwise restrained.
- (d) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any flammable material.
- (e) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER in the drive-stun mode (i.e., direct contact without darts) relies primarily on pain compliance and requires close proximity to the subject, additional caution should be exercised. The application in drive-stun mode should be limited to brief applications in which pain compliance would reasonably appear necessary to achieve control.

The TASER shall not be used to torture, psychologically torment, elicit statements or to punish any individual.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

310.4.4 TARGETING CONSIDERATIONS

While manufacturers generally recommend that reasonable efforts should be made to target lower center mass and to avoid intentionally targeting the head, neck, chest and groin, it is recognized that the dynamics of each situation and officer safety may not permit the officer to limit the application of the TASER darts to a precise target area. As such, officers should take prompt and ongoing care to monitor the condition of the subject if one or more darts strikes the head, neck, chest or groin until he/she is released to the care of paramedics or other medical personnel.

310.4.5 MULTIPLE APPLICATIONS OF THE TASER

If the first application of the TASER appears to be ineffective in gaining control of an individual and if circumstances allow, the officer should consider the following before additional applications of the TASER:

- (a) Whether the probes or darts are making proper contact.
- (b) Whether the application of the TASER is interfering with the ability of the individual to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

This, however, shall not preclude any officer from deploying multiple, reasonable applications of the TASER on an individual.

310.4.6 REPORT OF USE

All TASER discharges shall be documented in the related arrest/crime report, the TASER report form and notification made to a supervisor in compliance with Policy § 300.4.1. Accidental discharges of a TASER cartridge will also be documented on the TASER report form. Any report documenting the discharge of a TASER cartridge will include the cartridge serial number and an explanation of the circumstances surrounding the discharge.

The onboard TASER memory will be downloaded through the data port by a supervisor or Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken, Anti-Felon Identification (AFID) tags should be collected and the expended cartridge along with both probes and wire should be submitted by the officer collecting the cartridge into evidence for future reference. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

310.4.7 TASER CAM®

The TASER is equipped with the TASER CAM, which is an audio-video recording device integrated into the power supply. The TASER CAM is activated any time the safety is in the off position. The safety should not be in the off position unless the officer intends to use the device and the guidelines established in §§ 309.3 and 309.4 are met. Any time the TASER CAM is activated, the video and audio data should be downloaded in accordance with department evidence procedures and referenced in the related case report. All video and audio not booked as evidence will be kept for a minimum of one year, at which time they will be erased or destroyed.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

310.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

310.5.1 OFFICER'S RESPONSIBILITIES

- (a) Whenever practical, prior to firing the TASER, the officer shall:
 - 1. Warn the suspect that he/she will be shot with an electric stun device if they do not comply with the officer's directives
 - 2. Loudly announce the TASER is going to be discharged so that other officers in the area are prepared for the deployment
 - 3. Notify dispatch via radio that a TASER is going to be discharged
- (b) After the use or attempted use of the TASER, and the suspect has been taken into custody, the officer shall:
 - 1. Immediately report the incident to a supervisor
 - 2. Ensure that the suspect's injuries (if any) are appropriately treated. Officers shall have paramedics give an initial medical evaluation either in the field or at the station. As soon as practical thereafter, officers shall obtain a medical clearance. Only medical personnel may remove probes that are embedded in a suspect's skin
 - 3. Ensure any discharged cartridges, probes, and a sampling of AFID (Anti-Felon Identification) "microdots" that are discharged with the probes are collected and booked into evidence
 - 4. Ensure photographs are taken of probe impact sites and any other injuries
 - 5. Ensure that the following information is included in the Incident/Crime and Arrest report(s):
 - (a) Identities of all involved Department personnel
 - (b) Identities of all known witnesses and other involved parties
 - (c) Necessity and justification for use
 - (d) Serial number of the TASER and cartridge(s) used
 - (e) How applied
 - (f) Injuries sustained, if any

- (g) Medical treatment provided
- (h) A reference to all photographs and what they depict
- (i) Description and disposition of evidence; and
- (j) The Use of Force Box is marked with an "X"

6. Complete the officer portion of the Use of Force Report

NOTE: Accidental discharge of the TASER shall be documented in a Use of Force Report

310.5.2 SUPERVISOR RESPONSIBILITIES

When the on-duty patrol sergeant becomes aware that a TASER may be necessary or has been used in the field, he/she shall respond to the location to control and supervise the scene. The supervisor shall also:

- (a) Ensure that adequate resources are available
- (b) Ensure that proper medical treatment is provided, as necessary
- (c) Complete the supervisor portion of the Use of Force Report; and
- (d) Notify the Chief of Police as soon as practicable.

Any requests for use of the TASER by Gonzales Police personnel from an outside police agency must be approved on a case by case basis by the on-duty supervisor.

310.5.3 TRAINING COORDINATOR'S RESPONSIBILITIES

The supervisor assigned as the Training Coordinator shall:

- (a) Maintain a separate training file for TASER training and recertification for Department personnel
- (b) Monitor the status of the TASER training and ensure that all sworn personnel assigned to patrol comply with the yearly certification policy; and
- (c) maintain a separate file of TASER related Use of Force Reports

310.5.4 APPLICATION OF THE CED

The CED may be used, when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

310.5.5 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

310.5.6 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

310.5.7 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

310.5.8 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

310.5.9 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

310.5.10 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry [department/office] CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

310.6 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a [department/office]-approved process to preserve the data.

310.6.1 CED REPORT FORM

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Training Coordinator should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Coordinator should also conduct audits of CED device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

310.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

310.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes or who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

310.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Rangemaster and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

310.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial [department/office]-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate by the Training Coordinator. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Coordinator is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Coordinator should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.

Gonzales Police Department

Gonzales PD Policy Manual

Conducted Energy Device

- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

Officer-Involved Shootings and Deaths

311.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

311.2 POLICY

The policy of the Gonzales Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

311.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

311.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

311.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Gonzales Police Department would control the investigation if the suspect's crime occurred in Gonzales Police Department.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

Gonzales PD Policy Manual

Officer-Involved Shootings and Deaths

311.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this [department/office] is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this [department/office] to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

311.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

311.5 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

311.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting, the first uninvolved GPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the [Department/Office] or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

311.5.2 SHIFT SERGEANT RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Sergeant shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Bureau Commander.

All outside inquiries about the incident shall be directed to the Shift Sergeant.

311.5.3 NOTIFICATIONS

The following person(s) shall be notified as soon as practicable:

- Chief of Police
- Investigation Bureau Commander
- Monterey County Chiefs of Police and Sheriff's Association Protocol rollout team
- Outside agency investigator (if appropriate)

- Psychological/peer support personnel
- Chaplain
- Coroner (if necessary)
- Involved officer's agency representative (if requested)
- Public Information Officer

311.5.4 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved GPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any GPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
 2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Sergeant and County Communications. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional GPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. Each involved GPD officer should be given an administrative order not to discuss the incident with other involved officers or GPD members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

311.5.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

Gonzales Police Department

Gonzales PD Policy Manual

Officer-Involved Shootings and Deaths

- (a) Any request for legal or union representation will be accommodated.
 - 1. Involved GPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 - 2. Requests from involved non-GPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).
- (d) A licensed psychotherapist shall be provided by the [Department/Office] to each involved GPD officer. A licensed psychotherapist may also be provided to any other affected GPD members, upon request.
 - 1. Interviews with a licensed psychotherapist will be considered privileged.
 - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved officer and a peer support member are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved GPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

311.6 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this [department/office] may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

Gonzales Police Department

Gonzales PD Policy Manual

Officer-Involved Shootings and Deaths

- (a) GPD supervisors and Internal Affairs Unit personnel should not participate directly in any voluntary interview of GPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of the officer's choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally, or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

311.6.1 REPORTS BY INVOLVED GPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this [department/office] shall retain the authority to require involved GPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved GPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved GPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

311.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.

Gonzales Police Department

Gonzales PD Policy Manual

Officer-Involved Shootings and Deaths

1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the [Department/Office].
1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

311.6.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigating Officer supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. [Department/Office] investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related [department/office] reports, except administrative and/or privileged reports, will be forwarded to the designated Investigating Officer supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Bureau Commander.

311.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this [department/office] will conduct an internal administrative investigation of GPD officers to determine conformance with [department/office] policy. The investigation will be conducted under the supervision of the Internal Affairs Unit and will be considered a confidential officer personnel file.

Interviews of members shall be subject to [department/office] policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from

Gonzales Police Department

Gonzales PD Policy Manual

Officer-Involved Shootings and Deaths

the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
 - 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
 - 4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
 - 5. The Internal Affairs Unit shall compile all relevant information and reports necessary for the [Department/Office] to determine compliance with applicable policies.
 - 6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
 - 7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

311.8 CIVIL LIABILITY RESPONSE

A member of this [department/office] may be assigned to work exclusively under the direction of the legal counsel for the [Department/Office] to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

Gonzales Police Department

Gonzales PD Policy Manual

Officer-Involved Shootings and Deaths

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

311.9 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate.

311.10 DEBRIEFING

Following an officer-involved shooting or death, the Gonzales Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

311.10.1 CRITICAL INCIDENT/STRESS DEBRIEFING

A critical incident/stress debriefing should occur as soon as practicable. The Administrative Services Bureau Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law, or a valid court order.

Attendance at the debriefing shall only include those members of the [Department/Office] directly involved in the incident, which can include support personnel (e.g., [dispatchers, other civilian personnel]). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the [Department/Office], including supervisory and Internal Affairs Unit personnel.

311.10.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

311.11 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and [department/office] representative responsible for each phase of the investigation. Releases will be available to the Shift Sergeant, Investigation Bureau Commander and Public Information Officer in the event of inquiries from the media.

The [Department/Office] shall not subject any involved GPD officer to visits by the media (Government Code § 3303(e)). No involved GPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Bureau Commander. [Department/Office] members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

311.12 REPORTING

If the death of an individual occurs in the Gonzales Police Department jurisdiction and qualifies to be reported to the state as a justifiable homicide, the Operations Bureau Commander will ensure that the Records Supervisor is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022).

Firearms

313.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy only applies to those members who are authorized to carry firearms.

313.2 POLICY

All other weapons not provided by the [Department/Office], including but not limited to edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by [department/office] policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Bureau Commander. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

When not deployed, the patrol rifle shall be properly secured consistent with [department/office] training in a locking weapons rack in the patrol vehicle.

313.3.4 PERSONALLY OWNED DUTY FIREARMS

Members desiring to carry an authorized but personally owned duty firearm must receive written approval from the Chief of Police or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

- (b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.

313.3.6 AUTHORIZED OFF-DUTY FIREARMS

The carrying of firearms by members while off-duty is permitted by the Chief of Police but may be rescinded should circumstances dictate (e.g., administrative leave). Members who choose to carry a firearm while off-duty, based on their authority as peace officers, will be required to meet the following guidelines:

- (a) The member may use his/her duty firearm or may use a personally owned firearm that is carried and inspected in accordance with the Personally Owned Duty Firearms requirements in this policy. A member carrying his/her duty firearm will be deemed to have complied with (c), (d) and (e) of this section.

313.3.7 AMMUNITION

Members shall carry only [department/office]-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all [department/office]-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the [Department/Office] shall be dispensed by the Rangemaster when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from [department/office]-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

313.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

313.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Firearms that are the property of the [Department/Office] or personally owned firearms that are approved for [department/office] use may be repaired or modified only by a person who is [department/office]-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Any repairs or modifications to the member's personally owned firearm shall be done at his/her expense and must be approved by the Rangemaster.

313.4.2 HOLSTERS

Only [department/office]-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

313.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

313.4.4 OPTICS OR LASER SIGHTS

Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the [Department/Office] to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the [Department/Office] or a Rangemaster approved by the [Department/Office] for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

313.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and

loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. [Department/Office]-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

313.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit [department/office]-issued firearms to be handled by anyone not authorized by the [Department/Office] to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

313.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

313.5.4 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, then the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

313.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. In addition to quarterly training, all members will qualify at least annually with their duty firearms. Members will qualify with off-duty and secondary firearms at least twice a year. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

313.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit

Gonzales Police Department

Gonzales PD Policy Manual

Firearms

a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - 1. Unauthorized range make-up
 - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

313.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Bureau Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

313.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, [department/office] members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsaicin (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

313.7.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

Stray or abandoned injured animals that may be moved or taken to an available veterinarian should not be euthanized. With supervisor approval, abandoned injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made. Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed (Penal Code § 597.1).

313.7.3 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots should not be used.

313.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Coordinator after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to [department/office] members during hours established by the [Department/Office].

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this [department/office] to verify proper operation. The Rangemaster has the authority to deem any [department/office]-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Coordinator documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the [Department/Office], a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Coordinator.

313.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the [Department/Office] based on the law and published TSA rules.
- (b) Officers must carry their Gonzales Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the [Department/Office] and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Gonzales Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Gonzales Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the [department/office]-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

313.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this [department/office] are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry his/her Gonzales Police Department identification card whenever carrying such firearm.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other [department/office] policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Officer Response to Calls

317.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

317.2 RESPONSE TO CALLS

Officers dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Officers responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Officers should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

317.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify County Communications.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

317.3.1 NUMBER OF UNITS ASSIGNED

Normally, only one unit should respond to an emergency call Code-3 unless the Shift Sergeant or the field supervisor authorizes an additional unit(s).

317.4 INITIATING CODE 3 RESPONSE

If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify County Communications. Generally, only one unit should respond Code-3 to any situation. Should another officer believe a Code-3 response is appropriate, County Communications shall be notified and the Shift Sergeant or field supervisor will make a determination as to whether one or more officers driving Code-3 is appropriate.

Gonzales Police Department

Gonzales PD Policy Manual

Officer Response to Calls

317.5 RESPONSIBILITIES OF RESPONDING OFFICERS

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify County Communications. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

317.6 COMMUNICATIONS RESPONSIBILITIES

A dispatcher shall assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher shall obtain authorization from the Shift Sergeant or a field supervisor prior to assigning units Code-3 . The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance
- (b) Immediately notify the Shift Sergeant
- (c) Confirm the location from which the unit is responding
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Shift Sergeant or field supervisor

317.7 SUPERVISORY RESPONSIBILITIES

Upon being notified that a Code-3 response has been initiated, the Shift Sergeant or the field supervisor shall verify the following:

- (a) The proper response has been initiated
- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment,

Gonzales Police Department

Gonzales PD Policy Manual

Officer Response to Calls

the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Shift Sergeant or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

317.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Shift Sergeant, field supervisor, or County Communications of the equipment failure so that another unit may be assigned to the emergency response.

Domestic Violence

321.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this [department/office] to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

321.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic violence that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

321.2 POLICY

The Gonzales Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this [department/office] to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

321.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

321.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.

Gonzales Police Department

Gonzales PD Policy Manual

Domestic Violence

- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigating Officer in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Whether the suspect lives on the premises with the victim.
 - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 3. The potential financial or child custody consequences of arrest.
 - 4. The physical or emotional state of either party.
 - 5. Use of drugs or alcohol by either party.
 - 6. Denial that the abuse occurred where evidence indicates otherwise.
 - 7. A request by the victim not to arrest the suspect.
 - 8. Location of the incident (public/private).
 - 9. Speculation that the complainant may not follow through with the prosecution.
 - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
 - 11. The social status, community status, or professional position of the victim or suspect.

321.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

Gonzales Police Department

Gonzales PD Policy Manual

Domestic Violence

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

321.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
 - 1. Voluntary separation of the parties.
 - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

321.5 VICTIM ASSISTANCE

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected:

- (a) Victims should be provided with the [department/office]'s domestic violence information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should also be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.
- (d) If the victim has sustained injury or complaints of pain, officers should seek medical assistance as soon as practicable.
- (e) Officers should ask the victim whether the victim has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for the victim's safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order if appropriate.

An officer shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

321.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Gonzales Police Department

Gonzales PD Policy Manual

Domestic Violence

[Dispatcher]s are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that [dispatchers check whether any of the involved persons are subject to the terms of a court order.

321.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

321.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
 1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the officer shall inform the subject of the order, make a reasonable effort to serve the order upon the subject, and allow the subject a reasonable opportunity to comply with the order before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).
- (b) Check available records or databases that may show the status or conditions of the order.
 1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

321.9 STANDARDS FOR ARRESTS

Officers investigating a domestic violence report should consider the following:

Gonzales Police Department

Gonzales PD Policy Manual

Domestic Violence

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.
 - 1. Officers are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the officer makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) An officer responding to a domestic violence call who cannot make an arrest will advise the victim of the victim's right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Officers shall not dissuade victims from making a lawful private person's arrest. Officers should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person's arrests (Penal Code § 836(b)).
- (c) Officers shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
 - 1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
 - 2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender's child)
 - 3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
 - 4. Penal Code § 646.9 (stalking)
 - 5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an officer shall consider:
 - 1. The intent of the law to protect victims of domestic violence from continuing abuse.
 - 2. The threats creating fear of physical injury.
 - 3. The history of domestic violence between the persons involved.
 - 4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the officer's presence. After arrest, the officer shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

Gonzales Police Department

Domestic Violence

321.10 REPORTS AND RECORDS

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting officers should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.
- (c) Officers who seize any firearm, ammunition, or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt that includes the name and residential mailing address of the owner or person who possessed the weapon and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 18255; Penal Code § 33800; Family Code § 6389(c)).

321.11 RECORD-KEEPING AND DATA COLLECTION

This [department/office] shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the [Department/Office], including whether weapons were used in the incident or whether the incident involved strangulation or suffocation (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Supervisor to maintain and report this information as required.

321.12 SERVICE OF COURT ORDERS

- (a) An officer who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located and shall provide the person protected or the person's parent/guardian with a copy of the order. The officer shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).
- (b) A temporary restraining order, emergency protective order, or an order issued after a hearing shall, at the request of the petitioner, be served on the restrained person by an officer who is present at the scene of a reported domestic violence incident or when the officer receives a request from the petitioner to provide service of the order (Family Code § 6383; Penal Code § 13710).
- (c) Any officer serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).

Gonzales Police Department

Gonzales PD Policy Manual

Domestic Violence

1. An officer should ensure that the Records Bureau is notified of any firearm obtained for entry into the Automated Firearms System (Family Code § 6383) (see the Records Bureau Policy for additional guidance).
- (e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the officer shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The officer shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide the person with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

321.13 PUBLIC ACCESS TO POLICY

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

321.14 DECLARATION IN SUPPORT OF BAIL INCREASE

Any officer who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the officer shall prepare a declaration in support of increased bail (Penal Code § 1269c).

321.15 DOMESTIC VIOLENCE DEATH REVIEW TEAM

This [department/office] should cooperate with any interagency domestic violence death review team investigation. Written and oral information relating to a domestic violence death that would otherwise be subject to release restrictions may be disclosed to the domestic violence death review team upon written request and approval of a supervisor (Penal Code § 11163.3).

Search and Seizure

323.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Gonzales Police Department personnel to consider when dealing with search and seizure issues.

323.2 POLICY

It is the policy of the Gonzales Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

323.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Gonzales Police Department

Gonzales PD Policy Manual

Search and Seizure

323.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

323.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

325.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Gonzales Police Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

325.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

Juvenile offender - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1; 15 CCR 1150).

Safety checks - Direct, visual observation personally by a member of this [department/office] performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

Gonzales Police Department

Gonzales PD Policy Manual

- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact that is more than brief or inadvertent.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

325.2 POLICY

The Gonzales Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Gonzales Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

325.2.1 CONSTITUTIONAL RIGHTS ADVISEMENT

In any case where a juvenile is taken into temporary custody, the juvenile should be promptly advised of his/her constitutional rights to ensure the admissibility of any spontaneous statements, whether or not questioning is intended (Welfare & Institutions Code § 625) .

325.2.2 CHILDREN UNDER THE AGE OF 14

Whenever a child under the age of 14 is arrested, the arresting officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

325.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Gonzales Police Department:

- (a) Unconscious
- (b) Seriously injured

- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the Gonzales Police Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed (15 CCR 1142).

325.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Shift Sergeant shall be notified of the need for medical attention for the juvenile. [Department/Office] members should administer first aid as applicable (15 CCR 1142).

325.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

[Department/Office] members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill themselves, or any unusual behavior which may indicate the juvenile may harm themselves while in either secure or non-secure custody (15 CCR 1142).

325.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the Gonzales Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Gonzales Police Department without authorization of the arresting officer's supervisor or the Shift Sergeant. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of the juvenile's entry into the Gonzales Police Department (34 USC § 11133; Welfare and Institutions Code § 207.1).

Gonzales Police Department

Gonzales PD Policy Manual

Temporary Custody of Juveniles

325.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Gonzales Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination (Welfare and Institutions Code § 602.1).

325.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

325.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Gonzales Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and taken into custody for committing or attempting to commit a felony with a firearm shall not be released and be transported to a juvenile facility (Welfare and Institutions Code § 625.3).

A juvenile offender suspected of committing murder, a sex offense described in Welfare and Institutions Code § 602(b) that may subject the juvenile to criminal jurisdiction under Welfare and Institutions Code § 707, or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the [Department/Office].
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to the juvenile offender's home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

Gonzales Police Department

Gonzales PD Policy Manual

Temporary Custody of Juveniles

In determining which disposition is appropriate, the investigating officer or supervisor shall prefer the alternative that least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

325.4.4 JUVENILE DETENTION ROOMS

The Gonzales Police Department has provided juvenile detention rooms outside of the adult holding tank. These rooms are designed for the temporary detention of juveniles meeting the criteria of secure custody. Officers or detectives placing juveniles in secure detention rooms shall comply with the following:

- (a) It is the officer's responsibility to notify the on-duty Sergeant, desk personnel, and/or detective personnel that a detention has begun. The juvenile must be told the reason for incarceration, the length of time secure detention will last and that it may not exceed a total of six hours.
- (b) Any juvenile placed in a locked detention room shall be separated according to sex and the severity of the crime (felony or misdemeanor) unless emergency circumstances will not allow for this type of segregation. When such separation is not possible, the on-duty Sergeant shall be consulted for directions on how to proceed with the detention of the multiple juveniles involved.
- (c) A written record will be maintained on a detention log. This log will include the charges for which the juvenile is being detained, the circumstances that warrant a secured detention, the time the detention began, and the time it ended. There will also be a place for the on-duty Sergeant to initial the log approving the detention to occur and to initial the log when the juvenile is released.
- (d) It is the responsibility of a detective (when available) to monitor the custody of the juvenile and to prepare the necessary paperwork to process the juvenile for release to a parent, guardian, or the appropriate juvenile custody facility. When a detective is not available, the on-duty Sergeant or his/her designee, shall be responsible for monitoring the detention of the juvenile, and ensuring that appropriate paperwork is prepared to process the juvenile out of the custody of this Department. The on-duty Sergeant shall be notified in all cases when a juvenile is detained at this Department, and when applicable, shall be provided the name of the detective taking responsibility for the detention and processing of the juvenile.
- (e) A thorough inspection of the detention room shall be conducted before placing a juvenile into the room. A second inspection shall be conducted after removing the

juvenile. Any damage noted to the room shall be photographed and documented in the crime report

325.4.5 JUVENILE'S PERSONAL PROPERTY

The officer placing a juvenile into a detention room must make a thorough search of the juvenile's property. This will ensure all items likely to cause injury to the juvenile or the facility are confiscated and placed in a property bag. The property shall be inventoried in the juvenile's presence and sealed into the bag. The property will be maintained by the responsible detective or the desk personnel or locked in a juvenile property locker until the juvenile is released from the custody of the Gonzales Police Department.

325.4.6 MONITORING OF JUVENILES

The juvenile shall constantly be monitored by the audio/video system during the entire detention. An in-person visual inspection shall be done to ensure the welfare of the juvenile and shall be conducted at least once each half-hour, on an unscheduled basis, until the juvenile is released. This inspection shall not be replaced by video monitoring. This inspection shall be conducted by a designee of the on-duty Sergeant's and the visual inspection shall be logged on the Inspection Log.

More frequent visual inspections should be made as circumstances dictate as in the case of an injured or ill juvenile being detained, or if specific circumstances exist such as a disciplinary problem or suicide risk. In such instances the on-duty Sergeant shall be fully informed about the special circumstances in order to evaluate continued detention of such a juvenile. Juvenile Security Report Logs and Confinements of Juvenile Logs shall be turned into the Records Manager or his/her designee at the end of each month.

325.4.7 MANDATED JUVENILE PROVISIONS

While a juvenile is being detained in the detention room, he/she shall be provided with the following provisions:

- (a) Reasonable access to toilets and washing facilities
- (b) Food, if the juvenile has not eaten within the past four hours, or is otherwise in need of nourishment, including any special diet required for the health of the juvenile. All food given to a juvenile in custody shall be provided from the jail food supply
- (c) Reasonable access to drinking water
- (d) Privacy during family, guardian, and/or lawyer visits
- (e) Blankets and clothing necessary to ensure the comfort of the juvenile (clothing shall be provided by the jail if the juvenile's clothing is taken as evidence or is otherwise unsuitable or inadequate for the continued wear while in custody)

325.4.8 FORMAL BOOKING

No juvenile shall be formally booked (Welfare and Institutions Code § 602 only) without the authorization of the arresting officer's supervisor, or in his or her absence, the Chief of Police. Any

 - 3. An adult person specified by the parent/guardian

- (b) If the six hour time limit has expired, the juvenile should be transported to the juvenile hall to accept custody
- (c) After an officer has taken a juvenile into temporary custody for a violation of law, the following dispositions are authorized:
 - 1. The arresting officer may counsel or admonish the juvenile and recommend no further action be taken.
 - 2. If the arresting officer or the on-duty Sergeant believes that further action is needed, the juvenile will be released to a responsible person as listed above, and such juvenile will be advised that follow-up action will be taken by a detective. The detective assigned to the case will then determine the best course of action, such as diversion or referral to court. The detective will contact the parents and advise them of the course of action.
 - 3. The arresting officer may complete an Application for Petition form on behalf of the juvenile and forward it for processing.
 - 4. The juvenile may be transferred to Juvenile Hall with authorization of the appropriate supervisor or the on-duty Sergeant when the violation falls within the provisions of Welfare and Institutions Code § 602.
- (d) If a juvenile is to be transported to Juvenile Hall, the following forms shall accompany the juvenile:

Gonzales PD Policy Manual

Temporary Custody of Juveniles

1. Application for Petition.
2. Three copies of the applicable reports for each juvenile transported. In certain cases Juvenile Hall may accept custody of the juvenile based on the petition and the agreement that facsimile copies will be forwarded as soon as completed.
3. Any personal property taken from the juvenile at the time of detention

325.5 ADVISEMENTS

Officers shall take immediate steps to notify the juvenile's parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, the juvenile shall be given the *Miranda* rights advisement regardless of whether questioning is intended. This does not apply to juvenile non-offenders taken into temporary custody for their safety or welfare (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, the juvenile offender shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to their parent or guardian; one to a responsible relative or their employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Shift Sergeant shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

325.6.1 RELEASE OF INFORMATION BY SUPERIOR COURT ORDER

A copy of the current policy of the Juvenile Court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

325.6.2 RELEASE OF INFORMATION TO OTHER AGENCIES

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Supervisor or other appropriate supervisor(s) to ensure that personnel of those bureaus act within legal guidelines.

325.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the [Department/Office] (34 USC § 11133; Welfare and Institutions Code § 207.1; Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Gonzales Police Department (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

325.7.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY

When emergency medical attention is required for a juvenile who is either in secure or non-secure custody, the paramedics will be called. The on-duty Sergeant shall be notified of the need for medical attention for the juvenile.

In cases where injury or illness is life threatening and where lost minutes may be the deciding factor, the arresting officer or the discovering officer should administer first aid prior to the arrival of the paramedics. The juvenile will then be transported to a medical facility.

In the event of a serious illness, suicide attempt, injury or death of a juvenile, the following persons shall be notified as soon as possible:

- (a) The Juvenile Court
- (b) The parent, guardian, or person standing in loco parentis, of the juvenile

325.7.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

The arresting officer should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill himself/herself, or any unusual behavior which may indicate the juvenile may harm himself/herself while in custody in either secure or non-secure detention.

The detaining or transporting officer is responsible to notify the on-duty Sergeant if he/she believes the juvenile may be a suicide risk. The on-duty Sergeant will then arrange to contact a mental health team for evaluation, or to contact Juvenile Hall and arrange for the transfer of the juvenile, providing the juvenile meets the intake criteria. The juvenile shall be under constant personal supervision until the transfer is completed.

325.7.3 USE OF RESTRAINT DEVICES

Policy Manual § 306 refers to the only authorized restraint device. It is the policy of this Department that restraints will not be used for arrestees retained in custody. This policy also applies to juveniles held in temporary custody. The use of a restraint is an extreme measure and only for a temporary measure pending transportation to another facility or until other custodial arrangements can be made. The use of restraints shall only be used when the juvenile:

- (a) Displays bizarre behavior that results in the destruction of property or shows intent to cause physical harm to self or others
- (b) Is a serious and immediate danger to himself/herself or others
- (c) Otherwise falls under the provisions of Welfare and Institutions Code § 5150

Restraint devices include devices which immobilize a juvenile's extremities and/or prevent the juvenile from being ambulatory. Restraints shall only be used after less restrictive measures have failed and with the approval of the on-duty Sergeant.

Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Direct visual observation shall be conducted at least twice every 30 minutes to ensure that the restraints are properly employed, and to ensure the safety and well-being of the juvenile.

The on-duty Sergeant shall arrange to have the juvenile evaluated by a mental health team as soon as possible if there is evidence of mental impairment. When mental impairment is suspected, constant personal visual supervision shall be maintained in order to ensure that restraints are properly employed and to ensure the safety and well being of the juvenile. Such supervision shall be documented in the police report.

Juveniles who have been placed in restraint devices shall be isolated to protect them from abuse. Restraints shall not be used as a punishment, or as a substitute for treatment.

325.7.4 DISCIPLINE OF JUVENILES

Police personnel are prohibited from administering discipline to any juvenile.

325.7.7 PROTECTIVE CUSTODY

Pursuant to Welfare and Institutions Code § 300 et seq., a child may be taken into protective custody if he/she is the victim of suspected child abuse. Before taking any minor into protective custody, the officer should make reasonable attempts to contact the appropriate child welfare authorities to ascertain any applicable history or current information concerning the minor.

Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs. Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object (15 CCR 1148).

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

325.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent, to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of *Miranda* rights, an officer shall permit a juvenile 17 years of age or younger to consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived by the juvenile (Welfare and Institutions Code § 625.6).

Threats, physical harm, deception, or psychologically manipulative interrogation tactics shall not be used by an officer during a custodial interrogation of a juvenile (Welfare and Institutions Code § 625.7).

The requirements to consult with legal counsel or to refrain from the use of prohibited interrogation techniques do not apply when (Welfare and Institutions Code § 625.6; Welfare and Institutions Code § 625.7):

- (a) Information is necessary to protect life or property from an imminent threat.
 - 1. The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

325.13.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a [department/office] facility, jail, detention facility or other fixed place of detention. The recording shall include the entire interview and a *Miranda* advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

325.14 FORMAL BOOKING

No juvenile offender shall be formally booked without the authorization of the arresting officer's supervisor, or in the supervisor's absence, the Shift Sergeant.

Any juvenile 14 years of age or older who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted, and photographed.

For all other acts defined as crimes, juveniles may be booked, fingerprinted, or photographed upon the approval from the Shift Sergeant or the Investigating Officer supervisor, giving due consideration to the following:

- (a) The gravity of the offense
- (b) The past record of the offender
- (c) The age of the offender

325.15 RELEASE OF INFORMATION CONCERNING JUVENILES

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this [department/office] shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Supervisor and the appropriate Investigating Officer supervisors to ensure that personnel of those bureaus act within legal guidelines.

325.16 BOARD OF STATE AND COMMUNITY CORRECTIONS CERTIFICATION

The Operations Bureau Commander shall coordinate the procedures related to the custody of juveniles held at the Gonzales Police Department and ensure any required certification is maintained (Welfare and Institution Code § 210.2).

325.17 RELIGIOUS ACCOMMODATION

Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).

325.18 TRAINING

[Department/Office] members should be trained on and familiar with this policy and any supplemental procedures.

Senior and Disability Victimization

327.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Gonzales Police Department members as required by law (Penal Code § 368.6).

The Gonzales Police Department is committed to providing equal protection and demonstrating respect for all persons regardless of age or disabilities, and to conscientiously enforcing all criminal laws protecting elders, and adults and children with disabilities, regardless of whether these crimes also carry civil penalties (Penal Code § 368.6) (see Child Abuse Policy for child abuse investigations and reporting).

327.1.1 DEFINITIONS

Definitions related to this policy include:

Abuse of an elder (age 65 or older) or dependent adult - Physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. Neglect includes self-neglect (Welfare and Institutions Code § 15610.05 et seq.; Penal Code § 368.5).

This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Penal Code § 368; Welfare and Institutions Code § 15610.23).

Elder and dependent adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

Senior and disability victimization - Means any of the following (Penal Code § 368.6):

- (a) Elder and dependent adult abuse
- (b) Unlawful interference with a mandated report
- (c) Homicide of an elder, dependent adult, or other adult or child with a disability

- (h) Domestic violence against elders, dependent adults, and adults and children with disabilities, including disabilities caused by advanced age

327.2 POLICY

The Gonzales Police Department will investigate all reported incidents of alleged elder and dependent adult abuse and ensure proper reporting and notification as required by law.

327.2.1 ADHERENCE TO POLICY

All officers are required to be familiar with the policy and carry out the policy at all times, except in the case of an unusual compelling circumstance as determined and approved by a supervisor (Penal Code § 368.6).

Any supervisor who determines and approves an officer's deviation from this policy shall provide a written report to the Chief of Police that states the unusual compelling circumstances regarding the deviation. A copy of this report will be made available to the alleged victim and reporting party pursuant to [department/office] protocols (Penal Code § 368.6(c)(27)).

The Chief of Police shall retain the report for a minimum of five years and shall make it available to the state protection and advocacy agency upon request (Penal Code § 368.6(c)(27)).

327.3 INVESTIGATIONS AND REPORTING

All reported or suspected cases of elder and dependent adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated (Penal Code § 368.6).

Investigations and reports related to suspected cases of elder and dependent adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected elder and dependent adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.

- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.

- (j) Witness and suspect statements if available.
- (k) Review of all portable audio/video recorders, devices, and other available video.
- (l) Call history related to the elder or dependent adult including calls from mandated reporters or other individuals.

- (n) Results of investigations shall be provided to those agencies (Adult Protective Services (APS), long-term ombudsman) that referred or reported the elder or dependent adult abuse (Welfare and Institutions Code § 15640(f)).
- (o) Whether a death involved the End of Life Option Act:
 - 1. Whether or not assistance was provided to the person beyond that allowed by law (Health and Safety Code § 443.14).
 - 2. Whether an individual knowingly altered or forged a request for an aid-in-dying drug to end a person's life without his/her authorization, or concealed or destroyed a withdrawal or rescission of a request for an aid-in-dying drug (Health and Safety Code § 443.17).
 - 3. Whether coercion or undue influence was exerted on the person to request or ingest an aid-in-dying drug or to destroy a withdrawal or rescission of a request for such medication (Health and Safety Code § 443.17).
 - 4. Whether an aid-in-dying drug was administered to a person without his/her knowledge or consent (Health and Safety Code § 443.17).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential elder or dependent adult abuse and investigated similarly.

An unexplained or suspicious death of an elder, dependent adult, or other adult or child with a disability should be treated as a potential homicide until a complete investigation including an autopsy is completed, and it should not be assumed that the death of an elder or person with a disability is natural simply because of the age or disability of the deceased (Penal Code § 368.6(c)(18)).

327.3.1 ADDITIONAL INVESTIGATIVE CONSIDERATIONS

The following factors as provided in Penal Code § 368.6 should be considered when investigating incidents of elder and dependent adult abuse:

- (a) Elder and dependent adult abuse, sex crimes, child abuse, domestic violence, and any other criminal act, when committed in whole or in part because of the victim's actual or perceived disability, including disability caused by advanced age, is also a hate crime (Penal Code § 368.6) (see the Hate Crimes Policy for additional guidance).
- (b) Senior and disability victimization crimes are also domestic violence subject to the mandatory arrest requirements of Penal Code § 836 if they meet the elements described in Penal Code § 273.5, including but not limited to a violation by a caretaker or other person who is or was a cohabitant of the victim, regardless of whether the cohabitant is or was a relative of, or in an intimate personal relationship with, the victim (Penal Code § 368.6(c)(10)).
- (c) Many victims of sexual assault and other sex crimes delay disclosing the crimes for reasons including but not limited to shame, embarrassment, self-doubt, fear of being disbelieved, and fear of retaliation by the perpetrator or others (Penal Code § 368.6(c)(11)).
- (d) Victims and witnesses with disabilities, including cognitive and communication disabilities, can be highly credible witnesses when interviewed appropriately by trained officers or other trained persons (Penal Code § 368.6(c)(14)).

327.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of elder and dependent adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to elder and dependent adult abuse investigations.
- (c) Present all cases of alleged elder and dependent adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies, and facility administrators as needed (Welfare and Institutions Code § 15650).
- (e) Provide referrals to therapy services, victim advocates, guardians, and support for the victim and family as appropriate (see the Victim and Witness Assistance Policy for additional guidance).
 - 1. Ensure victims of sex crimes know their right to have a support person of their choice present at all times during an interview or contact (Penal Code § 368.6) (see the Sexual Assault Investigations Policy for additional guidance).
 - 2. Referrals to the crime victim liaison as appropriate for victims requiring further assistance or information regarding benefits from crime victim resources.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 15610.55).

Gonzales Police Department

- (g) Make reasonable efforts to determine whether any person committed unlawful interference in a mandated report.

327.5 MANDATORY NOTIFICATION

Members of the Gonzales Police Department shall notify the local office of the California Department of Social Services (CDSS) APS agency of known, suspected, or alleged instances of abuse when they reasonably suspect, have observed, or have knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the person has experienced abuse (Welfare and Institutions Code § 15630(b)).

Notification shall be made by telephone or through a confidential internet reporting tool as soon as practicable. If notification is made by telephone, a written report shall be sent or internet report shall be made through the confidential internet reporting tool within two working days, as provided in Welfare and Institutions Code § 15630(b).

Notification shall also be made to the following agencies as soon as practicable or as provided below (Welfare and Institutions Code § 15630):

- (a) If the abuse occurred in a long-term care facility (not a state mental health hospital or a state developmental center), notification shall be made as follows (Welfare and Institutions Code § 15630(b)(1)):
 - 1. If there is serious bodily injury, notification shall be made by telephone and, within two hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.
 - 2. If the abuse is allegedly caused by a resident with dementia and there is no serious bodily injury, notification shall be made by a written report to the local ombudsman within 24 hours.
 - 3. If there is any other abuse in a long-term care facility (not a state mental health or a state developmental center), a written report shall be made to the local ombudsman and corresponding state licensing agency within 24 hours.
- (b) The California Department of Public Health (DPH) shall be notified of all known or suspected abuse in a long-term care facility.

of State Hospitals or the California Department of Developmental Services as soon as practicable but no later than two hours after law enforcement becomes aware of the abuse (Welfare and Institutions Code § 15630(b)).

1. When a report of abuse is received by the [Department/Office], investigation efforts shall be coordinated with the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services (Welfare and Institutions Code § 15630(b)).
- (h) If during an investigation it is determined that the elder or dependent adult abuse is being committed by a licensed health practitioner as identified in Welfare and Institutions Code § 15640(b), the appropriate licensing agency shall be immediately notified (Welfare and Institutions Code 15640(b)).
- (i) When the [Department/Office] receives a report of abuse, neglect, or abandonment of an elder or dependent adult alleged to have occurred in a long-term care facility, the licensing agency shall be notified by telephone as soon as practicable (Welfare and Institutions Code § 15640(e)).

The Investigating Officer supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

Failure to report or impeding or inhibiting a report of abuse of an elder or dependent adult is a misdemeanor (Welfare and Institutions Code §15630(h)).

Senior and Disability Victimization

327.6 PROTECTIVE CUSTODY

Before taking an elder or dependent adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian, or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this [department/office] should remove an elder or dependent adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an elder or dependent adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to APS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an elder or dependent adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When elder or dependent adult abuse victims are under state control, have a state-appointed guardian, or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

327.6.1 EMERGENCY PROTECTIVE ORDERS

In any situation which an officer reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

327.6.2 VERIFICATION OF PROTECTIVE ORDER

Whenever an officer verifies that a relevant protective order has been issued, the officer shall make reasonable efforts to determine if the order prohibits the person from possession of firearms or requires the relinquishment of firearms, and if the order does so, the officer shall make reasonable efforts to (Penal Code § 368.6(c)(19)):

- (a) Inquire whether the restrained person possesses firearms. The officer should make this effort by asking the restrained person and the protected person.
- (b) Query the California Law Enforcement Telecommunications System to determine if any firearms are registered to the restrained person.
- (c) Receive or seize prohibited firearms located in plain view or pursuant to a consensual or other lawful search in compliance with Penal Code § 18250 et seq. and in accordance with [department/office] procedures.

Senior and Disability Victimization

327.7 INTERVIEWS

327.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected elder or dependent adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

327.7.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

327.7.3 INTERVIEWS WITH A PERSON WITH DEAFNESS OR HEARING LOSS

An officer who is interviewing a victim or witness who reports or demonstrates deafness or hearing loss should secure the services of a qualified interpreter (as defined by Evidence Code § 754) prior to the start of the interview (Penal Code § 368.6) (see the Communications with Persons with Disabilities Policy for additional guidance).

327.8 MEDICAL EXAMINATIONS

When an elder or dependent adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency, or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency, or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

Senior and Disability Victimization

327.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an elder or dependent adult abuse victim who has been exposed to the manufacturing, trafficking, or use of narcotics.

327.9.1 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where there is evidence that an elder or dependent adult abuse victim lives should:

- (a) Document the environmental, medical, social, and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigating Officer supervisor so an interagency response can begin.

327.9.2 SUPERVISOR RESPONSIBILITIES

The Investigating Officer supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers, and local prosecutors, to develop community specific procedures for responding to situations where there are elder or dependent adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Investigating Officer supervisor that he/she has responded to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where evidence indicates that an elder or dependent adult abuse victim lives.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social, and other conditions that may affect the adult.

327.10 TRAINING

The [Department/Office] should provide training on best practices in elder and dependent adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to elder and dependent adult abuse investigations.
- (f) Availability of victim advocates or other support.

327.10.1 MANDATORY TRAINING

The Training Coordinator shall ensure that appropriate personnel receive the required training, including:

 - (b) Information on the history of elder and dependent adult abuse and crimes against individuals with disabilities (see the POST Senior and Disability Victimization Policy Guidelines).

The Training Coordinator shall also ensure that appropriate training is provided on this policy to dispatchers, community services officers, front desk personnel, and other civilian personnel who interact with the public (Penal Code § 368.6 (c)(7)).

327.11 RECORDS BUREAU RESPONSIBILITIES

The Records Bureau is responsible for:

- (a) Providing a copy of the elder or dependent adult abuse report to the APS, ombudsman, or other agency as applicable within two working days or as required by law (Welfare and Institutions Code § 15630; Welfare and Institutions Code § 15640(c)).
- (b) Retaining the original elder or dependent adult abuse report with the initial case file.

327.12 JURISDICTION

The Gonzales Police Department has concurrent jurisdiction with state law enforcement agencies when investigating elder and dependent adult abuse and all other crimes against elder victims and victims with disabilities (Penal Code § 368.5).

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request, if consistent with federal law, in such cases. However, this [department/office] will retain responsibility for the criminal investigations (Penal Code § 368.5).

Additional jurisdiction responsibilities for investigations of abuse involving various facilities and agencies may be found in Welfare and Institutions Code § 15650.

Discriminatory Harassment

329.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent [department/office] members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

329.2 POLICY

The Gonzales Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The [Department/Office] will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The [Department/Office] will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the [Department/Office] may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

329.3 DEFINITIONS

Definitions related to this policy include:

329.3.1 DISCRIMINATION

The [Department/Office] prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or [department/office] equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to [department/office] policy and to a work environment that is free of discrimination.

Gonzales Police Department

Gonzales PD Policy Manual

Discriminatory Harassment

329.3.2 SEXUAL HARASSMENT

The [Department/Office] prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

329.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Civil Rights Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with City or [department/office] rules or regulations, or any other appropriate work-related communication between supervisor and member.

329.3.4 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

329.4 RESPONSIBILITIES

This policy applies to all [department/office] personnel. All members shall follow the intent of these guidelines in a manner that reflects [department/office] policy, professional standards, and the best interest of the [Department/Office] and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Personnel Officer, or the City Manager.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

Gonzales Police Department

Gonzales PD Policy Manual

Discriminatory Harassment

retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

329.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the Personnel Officer in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

329.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the [Department/Office] and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

329.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Personnel Officer, the City Manager, or the California Civil Rights Department for further information, direction, or clarification (Government Code § 12950).

329.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any

Gonzales PD Policy Manual

Discriminatory Harassment

continuing abusive or hostile work environment. It is the policy of the [Department/Office] that all complaints of discrimination, retaliation, or harassment shall be fully documented and promptly and thoroughly investigated.

329.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

329.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Personnel Officer, or the City Manager.

329.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the [Department/Office]. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

329.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- (a) Approved by the Chief of Police, the City Manager, or the Personnel Officer, depending on the ranks of the involved parties.

329.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the [Department/Office].

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

Child Abuse

331.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Gonzales Police Department members are required to notify the county Child Protective Services (CPS) of suspected child abuse.

331.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

331.2 POLICY

The Gonzales Police Department will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

331.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this [department/office]. Notification of the District Attorney is not required for reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority. When the alleged abuse or neglect involves a child of a minor parent or a dependent adult, notification shall also be made to the attorney of the minor or the dependent adult within 36 hours (Penal Code 11166.1; Penal Code 11166.2).

Gonzales Police Department

Gonzales PD Policy Manual

Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of the peace officer's employment as a peace officer.

331.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (Penal Code § 11166):

331.3.3 CONTACTING SUSPECTED CHILD ABUSE VICTIMS

An officer should not involuntarily detain a juvenile suspected of being a victim of abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless any of the following apply:

- (a) Exigent circumstances exist. For example:
 - 1. A reasonable belief that medical issues need to be addressed immediately.
 - 2. It is reasonably believed that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
- (b) A court order or warrant has been issued.

In all circumstances in which a suspected child abuse victim is contacted, it will be incumbent upon the investigating officer to articulate in the related reports the overall basis for the contact and what, if any, exigent circumstances exist.

Any juvenile student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

331.3.4 RELEASE OF REPORTS

Reports of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to Penal Code § 11167.5 and Policy Manual § 810.

331.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 18961.7).

331.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.

Gonzales Police Department

Gonzales PD Policy Manual

Child Abuse

- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

331.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, [department/office] members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax, or electronic transfer to the agency with proper jurisdiction (Penal Code § 11165.9).

331.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact CPS. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this [department/office] should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to CPS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The officer reasonably believes the child is a person described in Welfare and Institutions Code § 300, and further has good cause to believe that any of the following conditions exist:
 - 1. The child has an immediate need for medical care.
 - 2. The child is in immediate danger of physical or sexual abuse.
 - 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the officer shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.

Gonzales Police Department

- (b) The officer reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
 - 1. It reasonably appears to the officer that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
 - 2. There is no lawful custodian available to take custody of the child.
 - 3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
 - 4. The child is an abducted child.

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

331.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

331.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS

Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

331.7 INTERVIEWS

331.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

331.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

Gonzales Police Department

Gonzales PD Policy Manual

Child Abuse

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

331.7.3 INTERVIEWS AT A SCHOOL

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

331.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

331.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

331.9.1 SUPERVISOR RESPONSIBILITIES

The Investigating Officer supervisor should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

Gonzales Police Department

Gonzales PD Policy Manual

- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

331.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.

331.10 STATE MANDATES AND OTHER RELEVANT LAWS

California requires or permits the following:

331.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSECENTRAL INDEX (CACI)

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

331.10.3 CACI HEARING OFFICER

The Investigating Officer supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

331.10.4 CACI HEARING PROCEDURES

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Gonzales Police Department

Gonzales PD Policy Manual

Child Abuse

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

Hate Crimes

339.1 PURPOSE AND SCOPE

This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the Gonzales Police Department may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6; Penal Code § 422.87).

339.1.1 DEFINITION AND LAWS

In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

Bias motivation - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, discriminatory selection of victims, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

Disability - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

Disability bias - In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator's

Gonzales PD Policy Manual

Hate Crimes

motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

Gender - Gender means sex and includes a person's gender identity and gender expression.

Gender expression -Gender expression means a person's gender-related appearance and behavior, regardless of whether it is stereotypically associated with the person's assigned sex at birth.

Gender identity - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

Hate crime - "Hate crime" includes but is not limited to a violation of Penal Code § 422.6, and means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

- (a) Disability
- (b) Gender
- (c) Nationality
- (d) Race or ethnicity
- (e) Religion
- (f) Sexual orientation
- (g) Association with a person or group with one or more of these actual or perceived characteristics:
 - 1. "Association with a person or group with one or more of these actual or perceived characteristics" includes advocacy for, identification with, or being on the premises owned or rented by, or adjacent to, any of the following: a community center, educational facility, family, individual, office, meeting hall, place of worship, private institution, public agency, library, or other entity, group, or person that has, or is identified with people who have, one or more of the characteristics listed in the definition of "hate crime" under paragraphs 1 to 6, inclusive, of Penal Code § 422.55(a).

Note: A "hate crime" need not be motivated by hate but may be motivated by any bias against a protected characteristic.

Hate incident - A hate incident is an action or behavior motivated by hate or bias but legally protected by the First Amendment right to freedom of expression. Examples of hate incidents include:

- Name-calling
- Insults and epithets
- Distributing hate material in public places

- Fighting words
- True threats
- Perjury
- Blackmail
- Incitement to lawless action
- Conspiracy
- Solicitation to commit any crime

In whole or in part - "In whole or in part because of" means that the bias motivation must be a cause in fact of the offense whether or not other causes also exist. When multiple concurrent motives exist, the prohibited bias must be a substantial factor in bringing about the particular result. There is no requirement that the bias be a main factor, or that a crime would not have been committed but for the actual or perceived characteristic.

Nationality - Nationality means country of origin, immigration status, including citizenship, and national origin.

Race or ethnicity - Race or ethnicity includes ancestry, color, and ethnic background.

Religion - Religion includes all aspects of religious belief, observance, and practice and includes agnosticism and atheism.

Religious bias - In recognizing suspected religion-bias hate crimes, officers should consider whether there were targeted attacks on, or biased references to, symbols of importance to a particular religion or articles considered of spiritual significance in a particular religion (e.g., crosses, hijabs, Stars of David, turbans, head coverings, statues of the Buddha).

Sexual orientation - Sexual orientation means heterosexuality, homosexuality, or bisexuality.

Victim - Victim includes but is not limited to:

- Community center
- Educational facility
- Entity
- Family
- Group

339.2 POLICY

It is the policy of this [department/office] to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. Any acts or threats of violence, property damage, harassment, intimidation, or other crimes motivated by hate or bias should be viewed very seriously and given high priority.

This [department/office] will employ reasonably available resources and vigorous law enforcement action to identify and arrest hate crime perpetrators. [Department/Office] personnel are also encouraged to learn about the inherent issues concerning their communities in relation to hate crimes.

Standards of Conduct

341.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Gonzales Police Department and are expected of all [department/office] members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this [department/office] or a member's supervisors.

341.2 POLICY

The continued employment or appointment of every member of the Gonzales Police Department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

341.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any [department/office] supervisor or person in a position of authority, absent a reasonable and bona fide justification.

341.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or [department/office] policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, [department/office] policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

All members have a duty to protect the computer system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care, and maintenance of the computer system.

Members shall ensure [department/office] computers and access terminals are not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off and password protections enabled whenever the user is not present. Access passwords, logon information, and other individual security data, protocols, and procedures are confidential information and are not to be shared. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

This policy provides guidelines for the release of official [department/office] information to the media. It also addresses coordinating media access to scenes of disasters, criminal investigations, emergencies, and other law enforcement activities.

347.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. In situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Bureau Commanders, Shift Sergeants, and designated Public Information Officers ([PIO]s) may prepare and release information to the media in accordance with this policy and the applicable laws regarding confidentiality.

347.3 ACCESS

Authorized media representatives shall be provided access to scenes of disasters, criminal investigations, emergencies, and other law enforcement activities as required by law.

Access by the media is subject to the following conditions (Penal Code § 409.5(d)):

- (a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public. Media representatives may not bring or facilitate the transport of an unauthorized person into a closed area unless it is for the safety of the person.
- (b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.
 - 1. Based upon available resources, reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the [PIO] or other designated spokesperson.
- (c) No member of this [department/office] who is under investigation shall be subjected to media visits or interviews without the consent of the involved member (Government Code § 3303(e)).
- (d) Media interviews with individuals who are in custody should not be permitted without the approval of the Chief of Police and the express consent of the person in custody.

347.3.1 CRITICAL OPERATIONS

A critical incident or tactical operation should be handled in the same manner as a crime scene, except the media should not be permitted within the inner perimeter of the incident, subject to any restrictions as determined by the supervisor in charge. [Department/Office] members shall not jeopardize a critical incident or tactical operation in order to accommodate the media. All comments to the media shall be coordinated through a supervisor or the [PIO].

347.3.2 TEMPORARY FLIGHT RESTRICTIONS

Whenever the presence of media or other aircraft pose a threat to public or member safety or significantly hamper incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Shift Sergeant. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR 91.137).

347.4 POLICY

It is the policy of the Gonzales Police Department to protect the privacy rights of individuals, while releasing non-confidential information to the media regarding topics of public concern. Information that has the potential to negatively affect investigations will not be released.

347.5 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of [department/office] members and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at a minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person, or is otherwise prohibited by law.

347.6 MEDIA REQUESTS

Any media request for information or access to a law enforcement incident shall be referred to the [PIO], or if unavailable, to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

- (a) At no time shall any member of this [department/office] make any comment or release any official information to the media without prior approval from a supervisor or the [PIO].
- (b) In situations involving multiple agencies or government departments, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this [department/office].
- (c) Under no circumstance should any member of this [department/office] make any comments to the media regarding any law enforcement incident not involving this [department/office] without prior approval of the Chief of Police. Under these circumstances the member should direct the media to the agency handling the incident.

347.7 CONFIDENTIAL OR RESTRICTED INFORMATION

It shall be the responsibility of the [PIO] to ensure that confidential or restricted information is not inappropriately released to the media (see the Records Maintenance and Release and Personnel Records policies). When in doubt, authorized and available legal counsel should be consulted prior to releasing any information.

347.7.1 EMPLOYEE INFORMATION

The identities of officers involved in shootings or other critical incidents may only be released to the media upon the consent of the involved officer or upon a formal request filed.

Any requests for copies of related reports or additional information not contained in the information log (see the Information Log section in this policy), including the identity of officers involved in shootings or other critical incidents, shall be referred to the [PIO].

Requests should be reviewed and fulfilled by the Custodian of Records, or if unavailable, the Shift Sergeant or the authorized designee. Such requests will be processed in accordance with the provisions of the Records Maintenance and Release Policy and public records laws.

347.8 RELEASE OF INFORMATION

The [Department/Office] may routinely release information to the media without receiving a specific request. This may include media releases regarding critical incidents, information of public concern, updates regarding significant incidents, or requests for public assistance in solving crimes or identifying suspects. This information may also be released through the [department/office] website or other electronic data sources.

347.8.1 INFORMATION LOG

The [Department/Office] will maintain a daily information log of significant law enforcement activities. Log entries shall only contain information that is deemed public information and not restricted or confidential by this policy or applicable law. Upon request, the log entries shall be made available to media representatives through the Shift Sergeant.

The daily information log will generally include:

- (a) The date, time, location, case number, type of crime, extent of injury or loss, and names of individuals involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation, or the information is confidential (e.g., juveniles or certain victims).
- (b) The date, time, location, case number, name, birth date, and charges for each person arrested by this [department/office], unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation or the information is confidential (e.g., juveniles).
- (c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident.

Media Relations

At no time shall identifying information pertaining to a juvenile arrestee (13 years of age and under), victim, or witness be publicly released without prior approval of a competent court. The identity of a minor 14 years of age or older shall not be publicly disclosed unless the minor has been arrested for a serious felony and the release of such information has been approved by the Shift Sergeant (Welfare and Institutions Code § 827.5).

Identifying information concerning deceased individuals shall not be released to the media until notification of next of kin or otherwise cleared through the [Medical Examiner/JOP].

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated [department/office] media representative, the custodian of records, or if unavailable, to the Shift Sergeant. Such requests will generally be processed in accordance with the provisions of the Public Records Act (see the Records Maintenance and Release Policy).

349.2 POLICY

Gonzales Police Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

349.2.1 SERVICE OF SUBPOENA

Service of a subpoena requiring the appearance of any Department employee in connection with a matter arising out of the employee's course and scope of official duties may be accomplished by personal service on the employee or by delivery of two copies of the subpoena on the employee's supervisor or other authorized Departmental agent (Government Code § 68097.1 and Penal Code § 1328(c)). Subpoena service is also acceptable by courier or court liaison from the court to this Department.

349.2.2 VALID SUBPOENAS

No subpoena shall be accepted for an employee of this Department unless it has been properly served and verified to have originated from a recognized legal authority.

349.2.3 ACCEPTANCE OF SUBPOENA

- (a) Only the employee named in a subpoena, his/her immediate supervisor or the Department Records Supervisor shall be authorized to accept service of a subpoena. (Penal Code § 1328(c)). Any authorized employee accepting a subpoena shall immediately provide a copy of the subpoena to the Department Subpoena Clerk. The Subpoena Clerk shall maintain a chronological log of all department subpoenas and provide a copy of the subpoena to each involved employee.
- (b) Any supervisor or other authorized individual accepting a subpoena on behalf of another employee shall immediately check available schedules to determine the availability of the named employee for the date listed on the subpoena.
- (c) Once a subpoena has been received by a supervisor or other authorized individual, a copy of the subpoena shall be promptly provided to the Department Subpoena Clerk as well as a copy to the individually named employee.

349.2.4 REFUSAL OF SUBPOENA

reasons for refusing the subpoena or missing court. If the subpoena has been received by the individually named employee from the Subpoena Clerk and a valid reason exists for refusing the subpoena, the subpoena shall be promptly returned to the Subpoena Clerk with a specified reason for refusal as well as the dates when the officer will become available. It shall then become the responsibility of the Subpoena Clerk to notify the assigned Deputy District Attorney or other attorney of record of the bona fide unavailability of the employee.

- (b) If the immediate supervisor or other authorized individual knows that he/she will be unable to deliver a copy of the subpoena to the named employee within sufficient time for the named employee to comply with the subpoena, the supervisor or other authorized individual may refuse to accept service.
- (c) If a subpoena is presented for service to an immediate supervisor or other authorized individual less than five working days prior to the date listed for an appearance, the supervisor or other authorized individual may refuse to accept service. (Penal Code § 1328(d)).
- (d) If, after initially accepting service of a subpoena, a supervisor or other authorized individual determines that he/she will be unable to deliver a copy of the subpoena to the individually named employee within sufficient time for the named employee to comply with the subpoena, the supervisor or the Subpoena Clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance. (Penal Code § 1328(f))

349.2.5 OFF-DUTY RELATED SUBPOENAS

Employees receiving valid subpoenas for actions taken off-duty not related to their employment with Gonzales Police Department shall comply with the requirements of the subpoena. Employees receiving these subpoenas are not compensated for their appearance and arrangements for time off shall be coordinated through their immediate supervisor.

349.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the officer or by delivery of two copies of the subpoena to the officer's supervisor or other authorized departmental agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

- (a) He/she knows that he/she will be unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena.

Gonzales Police Department

Gonzales PD Policy Manual

Subpoenas and Court Appearances

- (b) It is less than five working days prior to the date listed for an appearance and he/she is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines that he/she is unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

- (d) Any civil action stemming from the member's on-duty activity or because of his/her association with the Gonzales Police Department.
- (e) Any personnel or disciplinary matter when called to testify or to provide information by a government entity other than the Gonzales Police Department.

The supervisor will then notify the Chief of Police and the appropriate prosecuting attorney as may be indicated by the case. The Chief of Police should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

349.3.2 CIVIL SUBPOENA

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current memorandum of understanding or collective bargaining agreement.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

349.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

349.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes his/her location during the day, the member shall notify the designated department member of how he/she can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

349.7 OVERTIME APPEARANCES

When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with the current memorandum of understanding or collective bargaining agreement.

Reserve Officers

351.1 PURPOSE AND SCOPE

The Gonzales Police Department Reserve Unit was established to supplement and assist regular sworn police officers in their duties. This unit provides professional, sworn volunteer reserve officers who can augment regular staffing levels.

351.2 SELECTION AND APPOINTMENT OF POLICE RESERVE OFFICERS

The Gonzales Police Department shall endeavor to recruit and appoint to the Reserve Unit only those applicants who meet the high ethical, moral and professional standards set forth by this department.

351.2.1 PROCEDURE

All applicants shall be required to meet and pass the same pre-employment procedures as regular police officers before appointment.

Before appointment to the Police Reserve Unit, an applicant must have completed, or be in the process of completing, a POST approved basic academy or extended basic academy.

351.2.2 APPOINTMENT

Applicants who are selected for appointment to the Police Reserve Unit shall, on the recommendation of the Chief of Police, be sworn in by the Chief of Police and take a loyalty oath to observe and obey all of the laws of the land and to carry out their duties to the best of their ability.

351.2.3 COMPENSATION FOR POLICE RESERVE OFFICERS

Compensation for reserve officers is provided as follows:

All reserve officer appointees are issued two sets of uniforms and all designated attire and safety equipment. All property issued to the reserve officer shall be returned to the Department upon termination or resignation. Reserves shall receive a yearly uniform allowance equal to that of regular officers.

351.2.4 EMPLOYEES WORKING AS RESERVE OFFICERS

Qualified employees of this department, when authorized, may also serve as reserve officers. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (e.g., a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve Coordinator should consult the Department of Human Resources prior to an employee serving in a reserve or volunteer capacity (29 CFR 553.30).

351.3 DUTIES OF RESERVE OFFICERS

Reserve officers assist regular officers in the enforcement of laws and in maintaining peace and order within the community. Assignments of reserve officers will usually be to augment the

Gonzales Police Department

Gonzales PD Policy Manual

Reserve Officers

Operations Bureau. Reserve officers may be assigned to other areas within the Department as needed. Reserve officers are required to work a minimum of 16 hours per month.

351.3.1 POLICY COMPLIANCE

Police reserve officers shall be required to adhere to all departmental policies and procedures. A copy of the policies and procedures will be made available to each reserve officer upon appointment and he/she shall become thoroughly familiar with these policies.

Whenever a rule, regulation, or guideline in this manual refers to a sworn regular full-time officer, it shall also apply to a sworn reserve officer unless by its nature it is inapplicable.

351.3.2 RESERVE OFFICER ASSIGNMENTS

All reserve officers will be assigned to duties by the Reserve Coordinator or his/her designee.

351.3.3 RESERVE COORDINATOR

The Chief of Police shall delegate the responsibility for administering the Reserve Officer Program to a Reserve Coordinator.

The Reserve Coordinator shall have the responsibility of, but not be limited to:

- (a) Assignment of reserve personnel
- (b) Conducting reserve meetings
- (c) Establishing and maintaining a reserve call-out roster
- (d) Maintaining and ensuring performance evaluations are completed
- (e) Monitoring individual reserve officer performance
- (f) Monitoring overall Reserve Program
- (g) Maintaining liaison with other agency Reserve Coordinators

351.4 FIELD TRAINING

Penal Code § 832.6 requires Level II reserve officers, who have not been released from the immediate supervision requirement per the Completion of the Formal Training Process subsection, to work under the immediate supervision of a peace officer who possesses a Basic POST Certificate.

351.4.1 TRAINING OFFICERS

Officers of this department, who demonstrate a desire and ability to train reserve officers, may train the reserves during Phase II, subject to Shift Sergeant approval.

351.4.2 PRIMARY TRAINING OFFICER

Upon completion of the Academy, reserve officers will be assigned to a primary training officer. The primary training officer will be selected from members of the Field Training Officer (FTO) Committee. The reserve officer will be assigned to work with his/her primary training officer during the first 160 hours of training. This time shall be known as the Primary Training Phase.

Gonzales Police Department

Gonzales PD Policy Manual

Reserve Officers

351.4.3 FIELD TRAINING MANUAL

Each new reserve officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Gonzales Police Department. The reserve officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

351.4.4 COMPLETION OF THE PRIMARY TRAINING PHASE

At the completion of the Primary Training Phase, (Phase I) the primary training officer will meet with the Reserve Coordinator. The purpose of this meeting is to discuss the progress of the reserve officer in training.

If the reserve officer has progressed satisfactorily, he/she will then proceed to Phase II of the training. If he/she has not progressed satisfactorily, the Reserve Coordinator will determine the appropriate action to be taken.

351.4.5 SECONDARY TRAINING PHASE

The Secondary Training Phase (Phase II) shall consist of 100 hours of additional on-duty training. The reserve officer will no longer be required to ride with his/her primary training officer. The reserve officer may now ride with any officer designated by the Shift Sergeant.

During Phase II of training, as with Phase I, the reserve officer's performance will be closely monitored. In addition, rapid progress should continue towards the completion of the Officer's Field Training Manual. At the completion of Phase II of training, the reserve officer will return to his/her primary training officer for Phase III of the training.

351.4.6 THIRD TRAINING PHASE

Phase III of training shall consist of 24 hours of additional on-duty training. For this training phase, the reserve officer will return to his/her original primary training officer. During this phase, the training officer will evaluate the reserve officer for suitability to graduate from the formal training program.

At the completion of Phase III training, the primary training officer will meet with the Reserve Coordinator. Based upon the reserve officer's evaluations, plus input from the primary training officer, the Reserve Coordinator shall decide if the reserve officer has satisfactorily completed his/her formal training. If the reserve officer has progressed satisfactorily, he/she will then graduate from the formal training process. If his/her progress is not satisfactory, the Reserve Coordinator will decide upon the appropriate action to be taken.

351.4.7 COMPLETION OF THE FORMAL TRAINING PROCESS

When a reserve officer has satisfactorily completed all three phases of formal training, he/she will have had a minimum of 284 hours of on-duty training. He/she will no longer be required to ride with a reserve training officer. The reserve officer may now be assigned to ride with any officer for the remaining 200-hour requirement for a total of 484 hours before being considered for relief of immediate supervision.

Gonzales Police Department

Reserve Officers

351.5 SUPERVISION OF RESERVE OFFICERS

Reserve officers who have attained the status of Level II shall be under the immediate supervision of a regular sworn officer (Penal Code 832.6). The immediate supervision requirement shall also continue for reserve officers who have attained Level I status unless special authorization is received from the Reserve Coordinator with the approval of the Bureau Commander.

351.5.1 SPECIAL AUTHORIZATION REQUIREMENTS

Reserve officers certified as Level I may, with prior authorization of the Reserve Coordinator and on approval of the Bureau Commander, be relieved of the "immediate supervision" requirement. Level I reserve officers may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Bureau Commander, the Shift Sergeant may assign a certified Level I reserve officer to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

351.5.2 RESERVE OFFICER MEETINGS

All reserve officer meetings will be scheduled and conducted by the Reserve Coordinator. All reserve officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

351.5.3 IDENTIFICATION OF RESERVE OFFICERS

All reserve officers will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time officer. The identification card will be the standard identification card with the exception that "Reserve" will be indicated on the card.

351.5.4 UNIFORM

Reserve officers shall conform to all uniform regulation and appearance standards of this department.

351.5.5 INVESTIGATIONS AND COMPLAINTS

If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Operations Bureau Commander.

Reserve officers are considered at-will employees. Government Code § 3300 et seq. applies to reserve officers with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual.

Gonzales Police Department

Gonzales PD Policy Manual

Reserve Officers

351.5.6 RESERVE OFFICER EVALUATIONS

While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.

351.6 FIREARMS REQUIREMENTS

Penal Code § 830.6(a)(1) designates a reserve officer as having peace officer powers during his/her assigned tour of duty, provided the reserve officer qualifies or falls within the provisions of Penal Code § 832.6.

351.6.1 CARRYING WEAPON ON DUTY

Penal Code § 830.6(a)(1) permits qualified reserve officers to carry a loaded firearm while on-duty. It is the policy of this department to allow reserves to carry firearms only while on-duty or to and from duty.

351.6.2 CONCEALED FIREARMS PROHIBITED

No reserve officer will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve officers who possess a valid CCW permit. An instance may arise where a reserve officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve officer may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to departmental standards. The weapon must be registered by the reserve officer and be inspected and certified as fit for service by a departmental armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve officer shall have demonstrated his/her proficiency with said weapon.

When a reserve officer has satisfactorily completed all three phases of training (as outlined in the Field Training section), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Chief of Police with input from the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve officer's qualification will be individually judged. A reserve officer's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve officer remains in good standing as a Reserve Officer with the Gonzales Police Department.

351.6.3 RESERVE OFFICER FIREARM TRAINING

All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers shall comply with all areas of the firearms training section of the Policy Manual, with the following exceptions:

Gonzales Police Department

Gonzales PD Policy Manual

Reserve Officers

- (a) All reserve officers are required to qualify at least every other month
- (b) Reserve officers may fire at the department approved range at least once each month and more often with the approval of the Reserve Coordinator
- (c) Should a reserve officer fail to qualify over a two-month period, that reserve officer will not be allowed to carry a firearm until he/she has reestablished his/her proficiency

351.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL

The Reserve Coordinator shall develop a plan outlining an emergency call-out procedure for reserve personnel.

Outside Agency Assistance

353.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

353.1.1 ASSISTING OUTSIDE AGENCIES

Generally, calls for assistance from other agencies are routed to the on-duty Sergeant for approval. When an authorized employee of an outside agency requests the assistance of this Department in taking a person into custody, available officers shall respond and assist in making a lawful arrest. If an officer receives a request in the field for assistance, that officer shall notify a supervisor. Arrestees may be temporarily detained by our agency until arrangements for transportation are made by the outside agency. Only in exceptional circumstances will this Department provide transportation of arrestees to other county facilities.

When such assistance is rendered, a case number will be issued to report action taken by Gonzales Police Department Personnel. Probation violators temporarily detained by this Department will not ordinarily be booked at this Department.

353.2 POLICY

It is the policy of the Gonzales Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

353.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Sergeant's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Shift Sergeant may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

Gonzales Police Department

Gonzales PD Policy Manual

Outside Agency Assistance

353.3.1 INITIATED ACTIVITY

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Gonzales Police Department shall notify his/her supervisor or the Shift Sergeant and County Communications as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

353.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

353.5 REPORTING REQUIREMENTS

Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Shift Sergeant.

353.6 MANDATORY SHARING

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administrative Services Bureau Commander or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
 - 1. The use of the supplies and equipment.
 - 2. The members trained in the use of the supplies and equipment.
- (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to County Communications and the Shift Sergeant to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Coordinator should maintain documentation that the appropriate members have received the required training.

Handcuff Policy

355.1 PURPOSE AND SCOPE

This procedure provides guidelines for handling situations involving handcuffing during detentions and arrests. This policy is also applicable to Flexcuffs, which will be considered synonymous with handcuffs for purposes of this policy.

355.2 HANDCUFFING POLICY

Although recommended for most arrest situations, handcuffing is a discretionary procedure and not an absolute rule of the Department. When deciding whether to handcuff an arrestee, officers should carefully balance officer safety concerns with factors including, but not limited to the following:

- The circumstances leading to the arrest.
- The attitude and behavior of the arrested person.
- The age, sex and health of the person.
- Whether the person has a hearing or speaking disability. In such cases consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

It is not the intent of the Department to dissuade officers from handcuffing all persons they believe warrant that degree of restraint, nor is it the intent of this policy to create the atmosphere that in order to avoid risk, an officer should handcuff all persons regardless of the circumstances. In most situations handcuffs should be applied with the hands behind the person. Handcuffs should be removed as soon as the arrested person is safely confined within the jail.

355.2.1 IMPROPER USE OF HANDCUFFS

Handcuffing is never done to punish, to display authority, or as a show of force. Persons are handcuffed only to restrain their hands to ensure officer safety. When practical, handcuffs shall be double locked to prevent tightening which may cause undue discomfort or injury to the hands or wrists.

355.2.2 JUVENILES

Juveniles 14-years of age or older may be handcuffed when the act committed is of a felonious nature or when their acts have amounted to crimes where the officer has a reasonable suspicion the suspect may have a desire to escape, injure themselves, injure the officer, or destroy property.

Juveniles under 14-years of age generally will not be handcuffed unless their acts have amounted to a dangerous felony or when they are of a state of mind which suggests a reasonable probability of their desire to escape, injure themselves, the officer, or to destroy property.

Gonzales Police Department

Gonzales PD Policy Manual

Handcuff Policy

355.2.3 HANDCUFFING OF DETAINEES

Situations may arise where it may be reasonable to handcuff an individual who may, after subsequent investigation, be released prior to arrest. Such a situation is considered a detention, rather than an actual arrest. Unless arrested, the use of handcuffs on detainees should continue for only as long as is reasonably necessary to assure the safety of officers and others. Officers should continuously weigh the safety interests at hand against the intrusion upon the detainee when deciding to remove handcuffs from a detainee.

When an individual is handcuffed and released without an arrest, a written report of the incident shall be made to document the details of the detention and need for use of handcuffs.

355.2.4 HANDCUFFING OF PREGNANT ARRESTEES

No arrestee who is in labor shall be handcuffed or restrained by the wrists, ankles or both unless it is reasonably necessary for the safety of the arrestee, officers or others (Penal Code § 6030).

Registered Offender Information

357.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Gonzales Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the [Department/ Office] will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

357.2 POLICY

It is the policy of the Gonzales Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

357.3 REGISTRATION

The Investigating Officer supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

357.3.1 CONTENTS OF REGISTRATION

The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph, and any other information required by applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

357.4 MONITORING OF REGISTERED OFFENDERS

The Investigating Officer supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on the California DOJ website for sex offenders.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the California DOJ.

Gonzales Police Department

Gonzales PD Policy Manual

Registered Offender Information

The Investigating Officer supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Gonzales Police Department personnel, including timely updates regarding new or relocated registrants.

357.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Gonzales Police Department's website. Information on sex registrants placed on the Gonzales Police Department's website shall comply with the requirements of Penal Code § 290.46.

The Records Supervisor may release local registered offender information to residents only in accordance with applicable law and in compliance with a California Public Records Act request (Government Code § 7920.000 et seq.; Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1).

357.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY

California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the internet website, to be released to a campus community (Penal Code § 290.01(d)):

- (a) The offender's full name
- (b) The offender's known aliases
- (c) The offender's sex
- (d) The offender's race
- (e) The offender's physical description
- (f) The offender's photograph
- (g) The offender's date of birth
- (h) Crimes resulting in the registration of the offender under Penal Code § 290
- (i) The date of last registration

For purposes of this section, campus community shall be defined as those persons present at or regularly frequenting any place constituting campus property, satellite facilities, laboratories, public areas contiguous to the campus and other areas set forth in Penal Code § 290.01(d).

357.5.2 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

Gonzales Police Department

Registered Offender Information

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.
- (f) The purpose of the release of information is to allow members of the public to protect themselves and their children from sex offenders (Penal Code 290.45).

Major Incident Notification

359.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

359.2 POLICY

The Gonzales Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

359.3 MINIMUM CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the Chief of Police and the affected Bureau Commander. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

- Homicides
- Traffic accidents with fatalities
- Officer-involved shooting - on or off duty (see Officer-Involved Shootings and Deaths Policy for special notifications)

- Aircraft crash with major damage and/or injury or death
- In-custody deaths

359.4 SHIFT SUPERVISOR RESPONSIBILITY

The Shift Supervisor is responsible for making the appropriate notifications. The Shift Supervisor shall make reasonable attempts to obtain as much information on the incident as possible before notification. The Shift Supervisor shall attempt to make the notifications as soon as practicable. Notification should be made by calling the home telephone number first and then by any other available contact numbers.

359.4.1 STAFF NOTIFICATION

In the event an incident occurs described in the Major Incident Notification Policy, the Chief of Police shall be notified along with the affected Bureau Commander and the Detective Lieutenant if that bureau is affected.

359.4.2 TRAFFIC BUREAU NOTIFICATION

In the event of a traffic fatality or major injury, the Deputy Chief shall be notified.

359.4.3 PUBLIC INFORMATION OFFICER (PIO)

The Public Information Officer shall be called after members of staff have been notified that it appears the media may have a significant interest in the incident.

Death Investigation

361.1 PURPOSE AND SCOPE

The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

361.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

361.2.1 CORONER REQUEST

Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

- (a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).
- (b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by Health and Safety Code § 1746 in the 20 days prior to death.
- (c) Physician unable to state the cause of death. Unwillingness does not apply. Includes all sudden, unexpected and unusual deaths and fetal deaths when the underlying cause is unknown.
- (d) Known or suspected homicide.
- (e) Known or suspected suicide.
- (f) Involving any criminal action or suspicion of a criminal act. Includes child and dependent adult negligence and abuse.
- (g) Related to or following known or suspected self-induced or criminal abortion.
- (h) Associated with a known or alleged rape or crime against nature.
- (i) Following an accident or injury (primary or contributory). Deaths known or suspected as resulting (in whole or in part) from or related to accident or injury, either old or recent.
- (j) Drowning, fire, hanging, gunshot, stabbing, cutting, starvation, exposure, alcoholism, drug addiction, strangulation or aspiration.
- (k) Accidental poisoning (food, chemical, drug, therapeutic agents).

Gonzales Police Department

Death Investigation

- (l) Occupational diseases or occupational hazards.
- (m) Known or suspected contagious disease and constituting a public hazard.
- (n) All deaths in operating rooms and all deaths where a patient has not fully recovered from an anesthetic, whether in surgery, recovery room or elsewhere.
- (o) In prison or while under sentence. Includes all in-custody and police involved deaths.
- (p) All deaths of unidentified persons.
- (q) All deaths of state hospital patients.
- (r) Suspected Sudden Infant Death Syndrome (SIDS) deaths.
- (s) All deaths where the patient is comatose throughout the period of the physician's attendance. Includes patients admitted to hospitals unresponsive and expire without regaining consciousness.

The body shall not be disturbed or moved from the position or place of death without permission of the coroner.

361.2.2 SEARCHING DEAD BODIES

The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card (Government Code § 27491.3). If such a donor card is located, the Coroner or a designee shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Coroner or a designee; the investigating officer shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

361.2.3 DEATH NOTIFICATION

When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.

Death Investigation

361.2.4 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Coroner arrives, the Coroner's office will issue a "John Doe" or "Jane Doe" number for the report.

361.2.5 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented on the appropriate form.

361.2.6 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the Investigations Bureau shall be notified to determine the possible need for a detective to respond to the scene for further immediate investigation.

361.2.7 EMPLOYMENT RELATED DEATHS OR INJURIES

Any member of this agency who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone immediately or as soon as practicable with all pertinent information (8 CCR 342(b)).

Identity Theft

363.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

363.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
 - 1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting officer should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

Private Persons Arrests

365.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

365.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all officers shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, officers should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

365.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

365.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
 - 1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b)(1). The officer must include the basis of such a determination in a related report.

Gonzales Police Department

Gonzales PD Policy Manual

Private Persons Arrests

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
 1. Take the individual into physical custody for booking
 2. Release the individual pursuant to a Notice to Appear
 3. Release the individual pursuant to Penal Code § 849

365.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a Department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

Limited English Proficiency Services

369.1 PURPOSE AND SCOPE

Language barriers can sometimes inhibit or even prohibit individuals with limited English proficiency (LEP) from gaining meaningful access to, or an understanding of important rights, obligations and services. It is therefore the policy of this department to take all reasonable steps to ensure timely and equal access to all individuals, regardless of national origin or primary language (Title VI of the Civil Rights Act of 1964, § 601, 42 USC 2000d).

369.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - Any employee who is bilingual and has successfully completed department-prescribed interpreter training and is authorized to act as an interpreter or translator.

Bilingual - The ability to communicate in two languages fluently, including the ability to communicate technical and law enforcement terminology. Bilingual includes a variety of skill levels. For example, some bilingual individuals may be fluent enough to engage in direct communications in a non-English language but insufficiently fluent to interpret or translate from one language into another. For example, a bilingual individual, depending on his/her skill level, could be utilized to communicate fluently in a non-English language but not to interpret between two languages if he/she does not possess the specialized skills necessary to interpret between two languages effectively. In order to be utilized to interpret or translate from one language into another, an individual must possess the skill, training and demonstrated competence to do so. For purposes of this policy, employees, in order to be identified as bilingual, must initially and periodically demonstrate, through a procedure to be established by the Department, their level of skill and competence such that the Department is able to determine the purposes for which an employee's language skills may be used.

Interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language) while retaining the same meaning.

Limited English Proficient (LEP) - Designates individuals whose primary language is not English and who have a limited ability to read, write, speak or understand English. LEP individuals may be competent in certain types of communication (e.g., speaking or understanding), but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific: An individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

369.2 FOUR FACTOR ANALYSIS

Since there are potentially hundreds of languages department personnel could encounter, the Department will utilize the four-factor analysis outlined in the Department of Justice LEP *Guidance*

Gonzales Police Department

Gonzales PD Policy Manual

Limited English Proficiency Services

to *Federal Financial Assistance Recipients* available at the DOJ [website](#) in determining which measures will provide reasonable and meaningful access to various rights, obligations, services and programs to everyone. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis therefore, must remain flexible and requires an ongoing balance of the following four factors:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department personnel or who may benefit from programs or services within the Department's jurisdiction or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department personnel, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

As indicated above, the intent of this analysis is to provide a balance that reasonably ensures meaningful access by LEP individuals to critical services while not imposing undue burdens on the Department its personnel.

While this department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right, the above analysis will be utilized to determine the availability and level of assistance provided to any LEP individual or group.

369.2.1 IDENTIFICATION OF LEP INDIVIDUAL'S LANGUAGE

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language in an effort to avoid misidentifying that language.

369.3 TYPES OF LEP ASSISTANCE AVAILABLE

Depending on the balance of the above four factors, this department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services, where available. LEP individuals may elect to accept interpreter services offered by the Department at no cost or choose to provide their own interpreter services at their own expense. Department personnel should document in any related report whether the LEP individual elected to use interpreter services provided by the Department or some other source. Department-provided interpreter services may include, but are not limited to, the assistance methods described in this section.

369.3.1 BILINGUAL PERSONNEL

Personnel utilized for LEP services need not be certified as interpreters, but must have demonstrated, through established department procedures, a level of competence to ascertain whether his/her language skills are best suited to monolingual communications, interpretation, translation, or all or none of these functions.

Gonzales Police Department

Gonzales PD Policy Manual

Limited English Proficiency Services

All personnel used for communication with LEP individuals must demonstrate knowledge of the functions of an interpreter and the ethical issues involved when acting as a language conduit. In addition, employees who serve as interpreters and/or translators must have demonstrated competence in both English and the non-English language. When bilingual personnel from this department are not available, personnel from other city departments who have the requisite training may be requested.

369.3.2 WRITTEN FORMS AND GUIDELINES

This department will determine the most frequently used and critical forms and guidelines and translate these documents into the languages most likely to be requested. The Department will arrange to make these translated forms available to department personnel and other appropriate individuals.

369.3.3 AUDIO RECORDINGS

The Department may develop audio recordings of information that is either important to or frequently requested by LEP individuals for broadcast in a language most likely to be understood by involved LEP individuals.

369.3.4 TELEPHONE INTERPRETER SERVICES

The Shift Sergeant and the Communications Supervisor will maintain a list of qualified interpreter services. These services shall be available, with the approval of a supervisor, to assist department personnel in communicating with LEP individuals via official cellular telephones.

369.3.5 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF INTERPRETATION

Where competent bilingual departmental personnel or other City-certified staff are unavailable to assist, responsible members of the community who have demonstrated competence in either monolingual (direct) communication and/or in interpretation and translation (as noted in above) may be called upon to assist in communication efforts. Sources for these individuals may include neighboring police departments, university languages and linguistics departments, local businesses, banks, churches, neighborhood leaders and school officials. Department personnel should ensure that community members are able to provide unbiased assistance. The nature of the contact and relationship between the LEP individual and the individual offering services must be carefully considered (e.g., victim/suspect).

Except for exigent or very informal and non-confrontational circumstances, the use of an LEP individual's bilingual friends or family members, particularly children, are generally not recommended and department personnel shall make case-by-case determinations on the appropriateness of using such individuals (for further guidance see: Section V(3) of the DOJ Final Guidance available at the DOJ [website](#)).

369.4 LEP CONTACT SITUATIONS AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize language services so that they may be targeted where they are most needed.

Gonzales Police Department

Gonzales PD Policy Manual

Limited English Proficiency Services

Whenever any member of this department is required to complete a report or when other documentation and interpretation or translation services are provided to any involved LEP individual, such services should be noted in the related report.

369.4.1 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

In order to provide LEP individuals with meaningful access to police services when they are victims of, or witnesses to, alleged criminal activity or other emergencies, this department has designated its 9-1-1 lines as its top priority for language services. Department personnel will make every reasonable effort to promptly accommodate such LEP individuals utilizing 9-1-1 lines through any or all of the above resources.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

369.4.2 EMERGENCY CALLS TO 9-1-1

When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker should quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in County Communications, the call-taker should immediately connect the LEP caller to the interpreter.

If an appropriate authorized interpreter is not available, the call-taker will promptly connect the LEP caller to the contracted telephonic interpretation service directly for assistance in completing the call. Dispatchers will make every reasonable effort to dispatch a bilingual officer to the assignment, if available.

The Gonzales Police Department will take reasonable steps and will work with the Department of Human Resources to hire and develop in-house language capacity in County Communications by hiring qualified personnel with specific language skills.

369.4.3 FIELD ENFORCEMENT AND INVESTIGATIONS

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts which may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Department personnel must assess each situation to determine the need and availability for translation services to all involved LEP individuals and utilize the methods outlined in § 368.3 to provide appropriate language assistance.

Although not every situation can be addressed in this policy, it is important that department personnel are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action taken with an LEP individual. It would, for example, be meaningless to request consent to search if the person requesting is unable to effectively communicate with an LEP individual.

Gonzales Police Department

Gonzales PD Policy Manual

Limited English Proficiency Services

369.4.4 INVESTIGATIVE INTERVIEWS

In any situation where the translation of an interview may contain information that might be used in a criminal trial, it is important to take certain steps to improve the chances of admissibility. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

Any person selected as an interpreter and/or translator must have demonstrated competence in both English and the non-English language involved and knowledge of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the case. The person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation to the court.

369.4.5 CUSTODIAL INTERROGATIONS AND BOOKINGS

In an effort to ensure the rights of LEP individuals are protected during arrest and custodial interrogation, this department places a high priority on providing competent interpretation during such situations. It is further recognized that miscommunication during custodial interrogations may have a substantial impact on the evidence presented in any related criminal prosecution. As such, department personnel providing interpretation services or translated forms in these situations will have demonstrated competence in interpretation/translation and make every reasonable effort to accurately interpret/translate all communications with LEP individuals.

In order to ensure that translations during criminal investigations are documented accurately and admissible as evidence, audio recordings of interrogations, victim interviews and witness interviews should be used whenever reasonably possible.

Employees providing interpretation or translation services shall also be aware of the inherent communication impediments to gathering information from the LEP individual throughout the booking process or any other situation in which an LEP individual is within the control of department personnel. Medical screening questions are commonly used to elicit information on an individual's medical needs, suicidal inclinations, presence of contagious diseases, potential illness, resulting symptoms upon withdrawal from certain medications, or the need to segregate the arrestee from other prisoners, therefore it is important for members of this department to make every reasonable effort to provide effective language services in these situations.

369.4.6 COMPLAINTS

The Department shall ensure access to LEP persons who wish to file a complaint regarding the discharge of department duties. The Department may do so by providing interpretation assistance or translated forms to such individuals. If the Department responds to complaints filed by LEP individuals, the Department shall attempt to communicate its response in an accessible manner.

Gonzales Police Department

Gonzales PD Policy Manual

Limited English Proficiency Services

369.4.7 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department have become increasingly recognized as important to the ultimate success of more traditional law enforcement duties. As such, this department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services to LEP individuals and groups.

369.5 TRAINING

In an effort to ensure that all personnel in public contact positions (or having contact with those in custody) are properly trained, the Department will provide periodic training to personnel about LEP policies and procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Coordinator shall be responsible for ensuring all new personnel receive LEP training and that all personnel receive refresher training at least once every two years thereafter. The Training Coordinator shall maintain records of all LEP training provided, with a copy in each member's training file, in accordance with established records retention schedules.

369.6 INTERPRETERS AND TRANSLATORS

Department personnel who are called upon to interpret, translate, or provide other language assistance will be trained annually on language skills competency (including specialized terminology) and ethical considerations.

- (a) **Assessment:** The Gonzales Police Department personnel identified as bilingual, who are willing to act as authorized interpreters, will have their language skills assessed by a professional interpreter using a structured assessment tool established by the Training Coordinator. Personnel found proficient in interpreting into and from the target language will be placed conditionally on the authorized interpreters list.
- (b) **Training:** All personnel conditionally placed on the authorized interpreter list must successfully complete the prescribed interpreter training within one year. After successful completion of interpreter training, the individual will be unconditionally placed on the authorized interpreter list. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language; demonstrate knowledge in both languages of any specialized terms or phraseology and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal advisor.
- (c) **Refresher course for authorized interpreters:** Personnel who have been unconditionally placed on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. The Training Bureau shall be responsible for coordinating the annual refresher training and will maintain a record of training that the interpreters have received.

Biological Samples

375.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

375.2 POLICY

The Gonzales Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

375.3 PERSONS SUBJECT TO DNA COLLECTION

Those who must submit a biological sample include (Penal Code § 296):

375.4 PROCEDURE

When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the individual's criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.

375.5 USE OF FORCE TO OBTAIN SAMPLES

If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order and only

Gonzales Police Department

Gonzales PD Policy Manual

Biological Samples

with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

- (a) The person's parole or probation officer when applicable.
- (b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
- (c) The judge at the person's next court appearance.

- (e) A chaplain.
- (f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

375.5.1 VIDEO RECORDING

A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule (15 CCR 1059).

375.5.2 CELL EXTRACTIONS

If the use of force includes a cell extraction, the extraction shall be video recorded, including audio. Video shall be directed at the cell extraction event. The video recording shall be retained by the [Department/Office] for the length of time required by statute. Notwithstanding the use of the video as evidence in a criminal proceeding, the tape shall be retained administratively (15 CCR 1059).

California law provides for the following:

375.6.1 DOCUMENTATION RELATED TO FORCE

The Shift Sergeant or the on-duty authorized designee shall prepare prior written authorization for the use of any force (15 CCR 1059). The written authorization shall include information that the subject was asked to provide the requisite specimen, sample, or impression and refused, as well as the related court order authorizing the force.

375.6.2 BLOOD SAMPLES

A blood sample should only be obtained under this policy when:

- (a) The California DOJ requests a blood sample and the subject consents, or
- (b) A court orders a blood sample following a refusal.

Gonzales Police Department

Gonzales PD Policy Manual

Biological Samples

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

375.6.3 LITIGATION

The Chief of Police or authorized designee should notify the California DOJ's DNA Legal Unit in the event this [department/office] is named in a lawsuit involving the DNA Data Bank sample collection, sample use or any aspect of the state's DNA Data Bank Program.

Public Safety Video Surveillance System

379.1 PURPOSE AND SCOPE

This policy provides guidance for the placement and monitoring of [department/office] public safety video surveillance, as well as the storage and release of the captured images.

This policy only applies to overt, marked public safety video surveillance systems operated by the [Department/Office]. It does not apply to mobile audio/video systems, covert audio/video systems or any other image-capturing devices used by the [Department/Office].

379.2 POLICY

The Gonzales Police Department operates a public safety video surveillance system to complement its anti-crime strategy, to effectively allocate and deploy personnel, and to enhance public safety and security in public areas. Cameras may be placed in strategic locations throughout the City to detect and deter crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

Video surveillance in public areas will be conducted in a legal and ethical manner while recognizing and protecting constitutional standards of privacy.

379.3 OPERATIONAL GUIDELINES

Only [department/office]-approved video surveillance equipment shall be utilized. Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

379.3.1 PLACEMENT AND MONITORING

Camera placement will be guided by the underlying purpose or strategy associated with the overall video surveillance plan. As appropriate, the Chief of Police should confer with other affected City divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation, or other obstructions, should also be evaluated when determining placement.

The cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public video surveillance system may be useful for the following purposes:

- (a) To prevent, deter, and identify criminal activity.
- (b) To target identified areas of gang and narcotics complaints or activity.
- (c) To respond to critical incidents.
- (d) To assist in identifying, apprehending, and prosecuting offenders.

Gonzales Police Department

Gonzales PD Policy Manual

Public Safety Video Surveillance System

- (e) To document officer and offender conduct during interactions to safeguard the rights of the public and officers.
- (f) To augment resources in a cost-effective manner.
- (g) To monitor pedestrian and vehicle traffic activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in the Shift Sergeant's office and County Communications. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. The Shift Sergeant or trained personnel in County Communications are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination, or retention is prohibited.

379.3.2 CAMERA MARKINGS

All public areas monitored by public safety surveillance equipment shall be marked in a conspicuous manner with appropriate signs to inform the public that the area is under police surveillance. Signs should be well lit, placed appropriately and without obstruction to ensure visibility.

379.3.3 INTEGRATION WITH OTHER TECHNOLOGY

The [Department/Office] may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of [department/office] strategy.

The [Department/Office] should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems and video enhancement or other analytical technology, requires additional safeguards.

379.4 VIDEO SUPERVISION

Supervisors should monitor video surveillance access and usage to ensure members are within [department/office] policy and applicable laws. Supervisors should ensure such use and access is appropriately documented.

379.4.1 VIDEO LOG

A log should be maintained at all locations where video surveillance monitors are located. The log should be used to document all persons not assigned to the monitoring locations who have

Gonzales Police Department

Gonzales PD Policy Manual

Public Safety Video Surveillance System

been given access to view or monitor images provided by the video surveillance cameras. The logs should, at a minimum, record the:

- (a) Date and time access was given.
- (b) Name and agency of the person being given access to the images.
- (c) Name of person authorizing access.
- (d) Identifiable portion of images viewed.

379.4.2 PROHIBITED ACTIVITY

Public safety video surveillance systems will not intentionally be used to invade the privacy of individuals or observe areas where a reasonable expectation of privacy exists.

Public safety video surveillance equipment shall not be used in an unequal or discriminatory manner and shall not target individuals or groups based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.

Video surveillance equipment shall not be used to harass, intimidate, or discriminate against any individual or group.

379.5 STORAGE AND RETENTION OF MEDIA

All downloaded media shall be stored in a secure area with access restricted to authorized persons. A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. All actions taken with respect to retention of media shall be appropriately documented.

The type of video surveillance technology employed and the manner in which recordings are used and stored will affect retention periods. The recordings should be stored and retained in accordance with the established records retention schedule and for a minimum of one year. Prior to destruction, written consent shall be obtained from the City Attorney. If recordings are evidence in any claim filed or any pending litigation, they shall be preserved until pending litigation is resolved (Government Code § 34090.6).

Any recordings needed as evidence in a criminal or civil proceeding shall be copied to a suitable medium and booked into evidence in accordance with current evidence procedures.

379.5.1 EVIDENTIARY INTEGRITY

All downloaded and retained media shall be treated in the same manner as other evidence. Media shall be accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, digital masking of innocent or uninvolved individuals to preserve anonymity, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

Gonzales Police Department

Public Safety Video Surveillance System

379.6 RELEASE OF VIDEO IMAGES

All recorded video images gathered by the public safety video surveillance equipment are for the official use of the Gonzales Police Department.

Requests for recorded video images from the public or the media shall be processed in the same manner as requests for [department/office] public records.

Requests for recorded images from other law enforcement agencies shall be referred to the Shift Sergeant for release in accordance with a specific and legitimate law enforcement purpose.

Recorded video images that are the subject of a court order or subpoena shall be processed in accordance with the established [department/office] subpoena process.

379.7 VIDEO SURVEILLANCE AUDIT

The Chief of Police or the authorized designee will conduct an annual review of the public safety video surveillance system. The review should include an analysis of the cost, benefit and effectiveness of the system, including any public safety issues that were effectively addressed or any significant prosecutions that resulted, and any systemic operational or administrative issues that were identified, including those related to training, discipline or policy.

The results of each review shall be appropriately documented and maintained by the Chief of Police or the authorized designee and other applicable advisory bodies. Any recommendations for training or policy should be promptly addressed.

379.8 TRAINING

All [department/office] members authorized to operate or access public video surveillance systems shall receive appropriate training. Training should include guidance on the use of cameras, interaction with dispatch and patrol operations and a review regarding relevant policies and procedures, including this policy. Training should also address state and federal law related to the use of video surveillance equipment and privacy.

Child and Dependent Adult Safety

381.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this [department/office] (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Senior and Disability Victimization policies.

381.1.1 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience children may have when their parent or caregiver is arrested. The Gonzales Police Department will endeavor to create a strong cooperative relationship with local, state and community-based child social services to ensure an effective, collaborative response that addresses the needs of affected children.

381.2 POLICY

It is the policy of this [department/office] to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Gonzales Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

381.2.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered, dependent minor children.

Officers should allow the arrestee reasonable time to arrange for care of minor children. Temporary placement of the child with family or friends may be appropriate. However, any decision should give priority to a child-care solution that is in the best interest of the child. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of minor children with a responsible party, as appropriate.
 - 1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent's judgment regarding arrangements for child care. It is generally best if the child remains with relatives or family friends the child knows and trusts. Consideration regarding the child's familiarity with the surroundings, comfort, emotional state and safety should be paramount.

Gonzales Police Department

Gonzales PD Policy Manual

Child and Dependent Adult Safety

2. Except when a court order exists limiting contact, the officer should attempt to locate and place dependent children with the non-arrested parent or guardian.
- (b) Provide for the immediate supervision of minor children until an appropriate caregiver arrives.
- (c) Notify Child Protective Services if appropriate.
- (d) Notify the field supervisor or Shift Sergeant of the disposition of minor children.

If children are at school or at a known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the parent's arrest and of the arrangements being made for the care of the arrestee's children, and then record the result of such actions in the associated report.

381.2.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional free local phone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any minor dependent child. These phone calls shall be given immediately upon request or as soon as practicable and are in addition to any other phone calls allowed by law (Penal Code § 851.5(c)).

381.2.3 REPORTING

For all arrests where children are present or living in the household, the reporting employee will include information about the children, including names, gender, age and how they were placed.

381.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Gonzales Police Department

Gonzales PD Policy Manual

Child and Dependent Adult Safety

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

381.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.
- (e) Notify the field supervisor or Shift Sergeant of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

Gonzales Police Department

Gonzales PD Policy Manual

Child and Dependent Adult Safety

381.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

381.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs (e.g., medical, mental health)
 - 5. How, where and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether he/she reasonably appears able to care for him/herself
 - 5. Disposition or placement information if he/she is unable to care for him/herself

381.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

381.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Gonzales Police Department

Gonzales PD Policy Manual

Child and Dependent Adult Safety

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car, or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

381.5 TRAINING

The Training Coordinator is responsible to ensure that all personnel of this [department/office] who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).

Service Animals

383.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA).

383.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

383.2 POLICY

It is the policy of the Gonzales Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

383.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with

Gonzales Police Department

Service Animals

schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

383.4 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Gonzales Police Department affords to all members of the public (28 CFR 35.136).

383.4.1 INQUIRY

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

383.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

383.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability, with or without a service animal.

383.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany

Gonzales Police Department

Service Animals

their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

Volunteer Program

385.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

385.1.1 DEFINITION OF VOLUNTEER

An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

385.2 VOLUNTEER MANAGEMENT

385.2.1 VOLUNTEER COORDINATOR

The Volunteer Coordinator shall be appointed by the Administrative Services Bureau Commander. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

- (a) Recruiting, selecting and training qualified volunteers for various positions.
- (b) Facilitating the implementation of new volunteer activities and assignments.
- (c) Maintaining records for each volunteer.
- (d) Tracking and evaluating the contribution of volunteers.
- (e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
- (f) Maintaining a record of volunteer schedules and work hours.
- (g) Completion and dissemination as appropriate of all necessary paperwork and information.
- (h) Planning periodic recognition events.
- (i) Administering discipline when warranted.

Gonzales Police Department

Gonzales PD Policy Manual

Volunteer Program

- (j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

385.2.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

385.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.
- (b) Employment
- (c) References
- (d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

385.2.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

Gonzales Police Department

Gonzales PD Policy Manual

Volunteer Program

385.2.5 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

385.2.6 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

385.2.7 DRESS CODE

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

Volunteer Program

385.3 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

385.4 CONFIDENTIALITY

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

385.5 PROPERTY AND EQUIPMENT

Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

385.5.1 VEHICLE USE

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

Gonzales Police Department

Gonzales PD Policy Manual

Volunteer Program

- (a) A driving safety briefing and department approved driver safety course.
- (b) Verification that the volunteer possesses a valid California Driver License.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

385.5.2 RADIO AND MDT USAGE

Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MDT and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

385.6 DISCIPLINARY PROCEDURES/TERMINATION

A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

385.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

385.7 EVALUATION

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

Off-Duty Law Enforcement Actions

386.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Gonzales Police Department with respect to taking law enforcement action while off-duty.

386.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

386.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the officer's senses or judgment.

386.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, OC or baton.

Gonzales Police Department

Gonzales PD Policy Manual

Off-Duty Law Enforcement Actions

- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

386.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Gonzales Police Department officer until acknowledged. Official identification should also be displayed.

386.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

386.4.3 CIVILIAN RESPONSIBILITIES

Civilian personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

386.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

386.5 REPORTING

Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Shift Sergeant as soon as practicable. The Shift Sergeant shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Canines

390.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment police services to the community including, but not limited to locating individuals and contraband and apprehending criminal offenders.

390.2 POLICY

It is the policy of the Gonzales Police Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

390.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement the Operations Bureau to function primarily in assist or cover assignments. However, they may be assigned by the Shift Sergeant to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time and then only with the approval of the Shift Sergeant.

390.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Operations Bureau or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

390.5 REQUESTS FOR CANINE TEAMS

Operations Bureau members are encouraged to request the use of a canine. Requests for a canine team from [department/office] units outside of the Operations Bureau shall be reviewed by the Shift Sergeant.

Gonzales Police Department

Gonzales PD Policy Manual

Canines

390.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Shift Sergeant and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

390.5.2 PUBLIC DEMONSTRATIONS

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

390.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed, is committing or threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine

Absent a reasonable belief that a suspect has committed, is committing or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Shift Sergeant. Absent a change in circumstances that present an imminent threat to officers, the canine or the public, such canine use should

Gonzales Police Department

Gonzales PD Policy Manual

Canines

be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

390.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include, but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

390.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

Gonzales Police Department

Gonzales PD Policy Manual

Canines

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

390.6.3 REPORTING DEPLOYMENTS, BITES AND INJURIES

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by emergency medical services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current [department/office] evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements. However, the canine shall be made available for examination at any reasonable time if requested by the local health department. The canine handler shall also notify the local health department if the canine exhibits any abnormal behavior after a bite (Health and Safety Code § 121685).

390.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply.

- (a) Absent a change in circumstances that present an immediate threat to officers, the canine or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.

Gonzales Police Department

Canines

- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

390.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

390.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

390.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

390.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) An officer who is currently off probation.
- (b) Residing in an adequately fenced, single-family residence (minimum 5-foot high fence with locking gates).

- (b) The handler shall maintain all [department/office] equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Gonzales Police Department facility.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the City at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Shift Sergeant.
- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Shift Sergeant.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

Gonzales Police Department

Canines

390.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the dog. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

390.10 HANDLER COMPENSATION

The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA), and according to the terms of the collective bargaining agreement (29 USC § 207).

390.11 CANINE INJURY AND MEDICAL CARE

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Shift Sergeant as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

390.12 TRAINING

Before assignment in the field, each canine team shall be trained and certified to meet current POST guidelines or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified by the California Narcotic Canine Association (CNCA) or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all [department/office] members in order to familiarize them with how to conduct themselves in the presence of [department/office] canines.

All canine training should be conducted while on-duty unless otherwise approved by the canine coordinator or Shift Sergeant.

390.12.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current POST, CNCA or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Gonzales Police Department canine training provider.

Gonzales Police Department

Gonzales PD Policy Manual

Canines

- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer or outside vendor is authorized to train to a standard that is not reviewed and approved by this [department/office].

390.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

390.12.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

390.12.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements regarding the same. Alternatively, the Gonzales Police Department may work with outside trainers with the applicable licenses or permits.

390.12.5 CONTROLLED SUBSTANCE TRAINING AIDS

Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (Health & Safety Code § 11367.5; 21 USC § 823(f)).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Gonzales Police Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this [department/office] for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Agency (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

390.12.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.

Gonzales Police Department

Gonzales PD Policy Manual

Canines

- (b) The weight and test results shall be recorded and maintained by this [department/office].
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Property and Evidence Bureau or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

390.12.7 EXPLOSIVE TRAINING AIDS

Officers may possess, transport, store or use explosives or destructive devices in compliance with state and federal laws (Penal Code § 18800; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible to verify the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss

396.9 SAFETY AND OTHER CONSIDERATIONS

[Department/Office] members responsible for community relations activities should consider the safety of the community participants and, as much as reasonably practicable, not allow them to be present in any location or situation that would jeopardize their safety.

[Department/Office] members in charge of community relations events should ensure that participating community members have completed waiver forms before participation, if appropriate. A parent or guardian must complete the waiver form if the participating community member has not reached 18 years of age.

Community members are subject to a criminal history check before approval for participation in certain activities, such as citizen academies.

396.10 COMMUNITY ADVISORY COMMITTEE

The Chief of Police should establish a committee of volunteers consisting of community members, community leaders and other community stakeholders (e.g., representatives from schools, churches, businesses, social service organizations). The makeup of the committee should reflect the demographics of the community as much as practicable.

The committee should convene regularly to:

- (a) Provide a public forum for gathering information about public safety concerns in the community.

Generative Artificial Intelligence Use

397.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for [department/office] use of generative artificial intelligence (GenAI). This policy does not apply to artificial intelligence that is integrated into facial recognition applications, voice recognition applications, biometric access controls, or software that redacts documents or video or similar applications.

Additional guidelines for the use of [department/office] information technology resources are found in the Information Technology Use Policy.

397.1.1 DEFINITIONS

Definitions related to this policy include:

Generative artificial intelligence (GenAI) - A type of artificial intelligence that is algorithmically trained on one or more large data sets and designed to generate new and unique data (e.g., text, pictures, video) in response to a prompt (generally questions, instructions, images, or video) input by the user.

397.2 POLICY

The use of GenAI systems carries unique benefits within a law enforcement agency, providing ways to increase operational efficiency, enhance [department/office] procedures, and improve the overall effectiveness of the Gonzales Police Department.

However, the prompts input into GenAI systems can present risks to both individuals and law enforcement agencies by making accessible to the public information such as [department/office] tactics, investigative and training techniques, confidential information (e.g., confidential informants, protected information), active investigations, and security procedures. In addition, without safeguards in place, GenAI can produce unintended discriminatory or biased output as well as content that is inaccurate, misleading, or copyrighted.

It is the policy of the [Department/Office] to develop, implement, and use GenAI ethically and responsibly in a way that minimizes potential risk and harm in accordance with the guidelines set forth below.

Any function carried out by a member of the [Department/Office] using GenAI is subject to the same laws, rules, and policies as if carried out without the use of GenAI. The use of GenAI does not permit any law, rule, or policy to be bypassed or ignored.

397.3 RESPONSIBILITIES

397.3.1 CHIEF OF POLICE

The Chief of Police or an authorized designee shall approve all GenAI systems, their acceptable uses, and their authorized user groups prior to the use, implementation, or development for any [department/office] functions.

Gonzales Police Department

Generative Artificial Intelligence Use

397.3.2 AI COORDINATOR

The Chief of Police or the authorized designee shall appoint an AI coordinator. The AI coordinator shall report to the Administrative Services Bureau Commander or the authorized designee.

The responsibilities of the AI coordinator include but are not limited to:

- (a) Evaluating potential GenAI systems and recommending those GenAI systems that appear to be appropriate and trustworthy to the Chief of Police or the authorized designee. The trustworthiness of GenAI systems should be evaluated by balancing the following characteristics:
 - 1. Validity and reliability - The system's apparent ability to meet the intended purpose and fulfill the needs of the [Department/Office] consistently over time.
 - 2. Safety - Any apparent risk to human life, health, property, or the environment that could result from the [department/office]'s use of the system.
 - 3. Security and resiliency - The system's capability to prevent unauthorized access and misuse and its ability to return to normal function should misuse occur.
 - 4. Accountability and transparency - The ability to track and measure the system's use and activity through histories, audit logs, and other processes to provide insight about the system and identify potential sources of error, bias, or vulnerability.
 - 5. Explainability and interpretability - The ability of the user to understand the purpose and impact of the system, how and why the system reached the resulting output, and what the output means for the user.
 - 6. Privacy - The ability of the system to protect confidentiality and meet applicable privacy standards for the types of data intended to be input into the system (e.g., state privacy laws, Criminal Justice Information Services (CJIS), Health Insurance Portability and Accountability Act (HIPAA)).
 - 7. Fairness - The ability of the system to operate in a way that avoids or minimizes bias and discrimination.
- (b) Ensuring appropriate contractual safeguards are in place to manage third-party use of [department/office] data and to restrict the use of input in AI training data sets. If the input of protected information is necessary for the proper use of the GenAI system, an information-exchange agreement in compliance with applicable rules and standards (e.g., CJIS requirements) should be used to outline the roles, responsibilities, and data ownership between the [Department/Office] and third-party vendor.
- (c) Coordinating with others within the [Department/Office] and City, such as the information technology or legal departments, as appropriate to ensure GenAI systems are procured, implemented, and used appropriately.
- (d) Maintaining a list or inventory of [department/office]-approved GenAI systems and, when appropriate for [department/office] transparency, making the list or inventory available to the public.
- (e) Developing and maintaining appropriate procedures related to the use of GenAI systems, including procedures for editing and fact-checking output.

Gonzales Police Department

Gonzales PD Policy Manual

Generative Artificial Intelligence Use

- (f) Ensuring any public-facing GenAI systems notify the user that GenAI is being used.
- (g) Developing and updating training for the authorized users of each [department/office]-approved GenAI system.
- (h) Ensuring access to [department/office] GenAI systems is limited to authorized users and establishing requirements for user credentials such as two-factor authentication and appropriate password parameters.
- (i) Conducting audits at reasonable time intervals for each of the GenAI systems utilized by the [Department/Office] to evaluate the performance and effectiveness of each approved system and to determine if it continues to meet the [department/office]'s needs and expectations of trustworthiness. The coordinator should arrange for audits to be conducted by an external source, as needed.
- (j) Ensuring each GenAI system is updated and undergoes additional training as reasonably appears necessary in an effort to avoid the use of outdated information or technologies.
- (k) Keeping abreast of advancements in GenAI and any GenAI-related legal developments.
- (l) Reviewing this policy and [department/office] practices and proposing updates as needed to the Chief of Police.
- (m) Developing procedures in coordination with the *Brady* information coordinator and the Records Supervisor for the compilation and potential release of any discovery or records related to the use of GenAI systems consistent with *Brady* and the California Public Records Act.

397.4 USE OF GENERATIVE AI

The use of [department/office] GenAI systems by [department/office] members shall be limited to official work-related purposes, and members shall only access and use GenAI systems for which they have been authorized and received proper training.

Members shall use AI-generated content as an informational tool and not as a substitution for human judgment or decision-making. Members should not represent AI-generated content as their own original work.

AI-generated content should be considered draft material only and shall be thoroughly reviewed prior to use. Before relying on AI-generated content, members should:

- (a) Obtain independent sources for information provided by GenAI and take reasonable steps to verify that the facts and sources provided by GenAI are correct and reliable.
- (b) Review prompts and output for indications of bias and discrimination and take steps to mitigate its inclusion when reasonably practicable (see the Bias-Based Policing Policy).
- (c) Include a statement in the final document or work product that GenAI was used to aid in its production.

Gonzales Police Department

Gonzales PD Policy Manual

Generative Artificial Intelligence Use

397.4.1 PRIVACY CONSIDERATIONS

Information not otherwise available to the public, including data reasonably likely to compromise an investigation, reveal confidential law enforcement techniques, training, or procedures, or risk the safety of any individual if it were to become publicly accessible, should not be input into a GenAI system unless contractual safeguards are in place to prevent such information from becoming publicly accessible. Members should instead use generic unidentifiable inputs, such as "suspect" or "victim," and hypothetical scenarios whenever possible.

Protected information should only be input into GenAI systems that have been approved for such use and comply with applicable privacy laws and standards (see the Protected Information Policy).

397.5 PROHIBITED USE

Members shall not use GenAI systems to rationalize a law enforcement decision, or as the sole basis of research, interpretation, or analysis of the law or facts related to a law enforcement contact or investigation.

Members shall not create user accounts in their official capacity or input work-related data (including information learned solely in the scope of their employment) into publicly available GenAI systems unless the system has been approved by the Chief of Police or the authorized designee for the intended use.

397.6 TRAINING

The AI coordinator should ensure that all members authorized to use GenAI have received appropriate initial training that is suitable for their role and responsibilities prior to their use of GenAI and receive periodic refresher training. Training should include but is not limited to the following:

- (a) A review of this policy
- (b) The need for human oversight of GenAI outputs
- (c) The interpretation, review, and verification of GenAI output
- (d) Checking GenAI output for bias or protected information
- (e) Ethical use of GenAI technology
- (f) Data security and privacy concerns

Chapter 4 - Patrol Operations

Patrol Function

400.1 PURPOSE AND SCOPE

The purpose of this policy is to define the patrol function and address intraorganizational cooperation and information sharing.

400.2 INFORMATION SHARING

To the extent feasible, all information relevant to the mission of the [Department/Office] should be shared among all bureaus and specialized units on a timely basis. Members should be provided with opportunities on a regular basis to share information during the daily [briefing]s and to attend [briefing]s of other bureaus or specialized units.

Additionally, information should be shared with outside agencies and the public in conformance with [department/office] policies and applicable laws. Members are encouraged to share information with other units and bureaus.

400.3 CROWDS, EVENTS AND GATHERINGS

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, officers should consider seeking compliance through advisements and warnings for minor violations and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

400.3.1 CAMPUS LIAISON

A college or university in this jurisdiction should designate a liaison between our [department/office] and students exercising rights guaranteed by the First Amendment to the United States Constitution, a similar provision of the California Constitution or both (Education Code § 66303). The designated [department/office] staff member will work with this liaison regarding relevant issues, scheduled events, training and crowd control.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the [department/office]'s relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

402.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing or improper profiling - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement (Penal Code § 13519.4). This includes explicit and implicit biases (i.e., conscious and unconscious beliefs or attitudes towards certain groups).

402.2 POLICY

The Gonzales Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this [department/office] to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

402.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

402.3.1 CALIFORNIA RELIGIOUS FREEDOM ACT

Members shall not collect information from a person based on religious belief, practice, affiliation, national origin or ethnicity unless permitted under state or federal law (Government Code § 8310.3).

402.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

402.4.2 REPORTING OF STOPS

Unless an exception applies under 11 CCR 999.227, an officer conducting a stop of a person shall collect the data elements required by Government Code § 12525.5 and 11 CCR 999.226 for every person stopped and prepare a stop data report. When multiple officers conduct a stop, the officer with the highest level of engagement with the person shall collect the data elements and prepare the report (11 CCR 999.227).

If multiple agencies are involved in a stop and the Gonzales Police Department is the primary agency, the Gonzales Police Department officer shall collect the data elements and prepare the stop data report (11 CCR 999.227).

The stop data report should be completed by the end of the officer's shift or as soon as practicable (11 CCR 999.227).

402.4.3 DISCLOSURE AND DOCUMENTATION OF TRAFFIC OR PEDESTRIAN STOP

An officer conducting a traffic or pedestrian stop shall state the reason for the stop prior to questioning the individual related to a criminal investigation or traffic violation unless the officer reasonably believes that withholding the reason for the stop is necessary to protect life or property from imminent threat, including but not limited to cases of terrorism or kidnapping (Vehicle Code § 2806.5).

Officers shall document the reason for the stop on any citation or report (Vehicle Code § 2806.5).

Crime and Disaster Scene Integrity

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

406.2 SEARCHES AT CRIME OR DISASTER SCENES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims and determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until proper authority for the search is obtained.

406.2.1 CONSENT

Officers should seek consent to search from authorized individuals where possible. However, in the case of serious crimes or major investigations, it may be prudent to obtain a search warrant. Consent may be sought even in cases where a search warrant has been granted.

406.3 POLICY

It is the policy of the Gonzales Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

406.4 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

406.5 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.

Gonzales Police Department

Gonzales PD Policy Manual

- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

406.6 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

406.6.1 CONSENT

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

406.7 EXECUTION OF HEALTH ORDERS

Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

Emergency Response Team

408.1 PURPOSE AND SCOPE

The Emergency Response Team (ERT) is comprised of two specialized teams: the Crisis Negotiation Team (CNT) and designated Emergency Response Team (ERT) personnel. The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary. This policy is written to comply with the guidelines established in the Attorney General's Commission on Special Weapons and Tactics Report (September 2002) and the POST 2005 SWAT Operational Guidelines and Standardized Training Recommendations (Penal Code § 13514.1).

408.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY

The Policy Manual sections pertaining to the Emergency Response Team are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a police response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel allowing for appropriate on scene decision making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

408.1.2 SWAT TEAM DEFINED

A ERT team is a designated unit of law enforcement officers that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex, or unusual that they may exceed the capabilities of first responders or investigative units including, but not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

408.2 LEVELS OF CAPABILITY/TRAINING

408.2.1 LEVEL I

A level I ERT team is a basic team capable of providing containment and intervention with critical incidents that exceed the training and resources available to line-level officers. This does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g. active shooter response). Generally 5% of the basic team's on-duty time should be devoted to training.

408.2.2 LEVEL II

A level II, Intermediate level ERT team is capable of providing containment and intervention. Additionally, these teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At

Gonzales Police Department

Gonzales PD Policy Manual

Emergency Response Team

least 5% of their on-duty time should be devoted to training with supplemental training for tactical capabilities above the Level I team.

408.2.3 LEVEL III

A Level III, Advanced level ERT team is a ERT team whose personnel function as a full-time unit. Generally 25% of their on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such units possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

408.3 POLICY

It shall be the policy of this department to maintain a ERT team and to provide the equipment, manpower, and training necessary to maintain a ERT team. The ERT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and Control
- (b) Containment
- (c) Entry/Apprehension/Rescue

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

408.3.1 POLICY CONSIDERATIONS

A needs assessment should be conducted to determine the type and extent of ERT missions and operations appropriate to this department. The assessment should consider the team's capabilities and limitations and should be reviewed annually by the ERT Commander or his/her designee.

408.3.2 ORGANIZATIONAL PROCEDURES

This department shall develop a separate written set of organizational procedures which should address, at minimum, the following:

- (a) Locally identified specific missions the team is capable of performing.
- (b) Team organization and function.
- (c) Personnel selection and retention criteria.
- (d) Training and required competencies.
- (e) Procedures for activation and deployment.
- (f) Command and control issues, including a clearly defined command structure.
- (g) Multi-agency response.
- (h) Out-of-jurisdiction response.

Gonzales Police Department

Gonzales PD Policy Manual

Emergency Response Team

- (i) Specialized functions and supporting resources.

408.3.3 OPERATIONAL PROCEDURES

This department shall develop a separate written set of operational procedures in accordance with the determination of their level of capability, using sound risk reduction practices. The operational procedures should be patterned after the National Tactical Officers Association Suggested SWAT Best Practices. Because such procedures are specific to ERT members and will outline tactical and officer safety issues, they are not included within this policy. The operational procedures should include, at minimum, the following:

- (a) Designated personnel responsible for developing an operational or tactical plan prior to, and/or during ERT operations (time permitting).
 - 1. All ERT team members should have an understanding of operational planning.
 - 2. ERT team training should consider planning for both spontaneous and planned events.
 - 3. ERT teams should incorporate medical emergency contingency planning as part of the ERT operational plan.
- (b) Plans for mission briefings conducted prior to an operation, unless circumstances require immediate deployment.
 - 1. When possible, briefings should include the specialized units and supporting resources.
- (c) Protocols for a sustained operation should be developed which may include relief, rotation of personnel and augmentation of resources.
- (d) A generic checklist to be worked through prior to initiating a tactical action as a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of ERT.
- (e) The appropriate role for a trained negotiator.
- (f) A standard method of determining whether or not a warrant should be regarded as high-risk.
- (g) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.
- (h) Post incident scene management including:
 - 1. Documentation of the incident.
 - 2. Transition to investigations and/or other units.
 - 3. Debriefing after every deployment of the ERT team.

Gonzales Police Department

Gonzales PD Policy Manual

Emergency Response Team

- (a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments, helps to identify training needs, and reinforces sound risk management practices.
 - (b) Such debriefing should not be conducted until involved officers have had the opportunity to individually complete necessary reports or provide formal statements.
 - (c) In order to maintain candor and a meaningful exchange, debriefing will generally not be recorded.
 - (d) When appropriate, debriefing should include specialized units and resources.
- (i) Sound risk management analysis.
 - (j) Standardization of equipment deployed.

408.4 TRAINING NEEDS ASSESSMENT

The ERT Commander shall conduct an annual ERT Training needs assessment to ensure that training is conducted within team capabilities, department policy and the training guidelines as established by POST (11 C.C.R. § 1081).

408.4.1 INITIAL TRAINING

ERT team operators and ERT supervisors/team leaders should not be deployed until successful completion of the POST-certified Basic SWAT Course or its equivalent.

- (a) To avoid unnecessary or redundant training, previous training completed by members may be considered equivalent when the hours and content (topics) meet or exceed department requirements or POST standardized training recommendations.

408.4.2 UPDATED TRAINING

Appropriate team training for the specialized ERT functions and other supporting resources should be completed prior to full deployment of the team.

ERT team operators and ERT supervisors/team leaders should complete update or refresher training as certified by POST, or its equivalent, every 24 months.

408.4.3 SUPERVISION AND MANAGEMENT TRAINING

Command and executive personnel are encouraged to attend training for managing the ERT function at the organizational level to ensure personnel who provide active oversight at the scene of ERT operations understand the purpose and capabilities of the teams.

Command personnel who may assume incident command responsibilities should attend SWAT or Critical Incident Commander course or its equivalent. ERT command personnel should attend a POST-certified SWAT commander or tactical commander course, or its equivalent.

Gonzales Police Department

408.4.4 SWAT ONGOING TRAINING

Training shall be coordinated by the ERT Commander. The ERT Commander may conduct monthly training exercises that include a review and critique of personnel and their performance in the exercise in addition to specialized training. Training shall consist of the following:

- (a) Each ERT member shall perform a physical fitness test once a year. A minimum qualifying score must be attained by each team member.
- (b) Any ERT team member failing to attain the minimum physical fitness qualification score will be notified of the requirement to retest and attain a qualifying score. Within 30 days of the previous physical fitness test date, the member required to qualify shall report to a team supervisor and complete the entire physical fitness test. Failure to qualify after a second attempt may result in dismissal from the team.
- (c) Those members who are on vacation, ill, or are on light duty status with a doctor's note of approval on the test date, shall be responsible for reporting to a team supervisor and taking the test within 30 days of their return to regular duty. Any member, who fails to arrange for and perform the physical fitness test within the 30-day period, shall be considered as having failed to attain a qualifying score for that test period.
- (d) Quarterly, each ERT team member shall perform the mandatory ERT handgun qualification course. The qualification course shall consist of the ERT Basic Drill for the handgun. Failure to qualify will require that officer to seek remedial training from a team range master approved by the ERT Commander. Team members who fail to qualify must retest within 30 days. Failure to qualify within 30 days with or without remedial training may result in dismissal from the team.

408.4.5 TRAINING SAFETY

Use of a designated safety officer should be considered for all tactical training.

408.4.6 SCENARIO BASED TRAINING

ERT teams should participate in scenario-based training that simulates the tactical operational environment. Such training is an established method of improving performance during an actual deployment.

408.4.7 TRAINING DOCUMENTATION

Individual and team training shall be documented and records maintained by the Training Unit. Such documentation shall be maintained in each member's individual training file. A separate agency ERT training file shall be maintained with documentation and records of all team training.

408.5 UNIFORMS, EQUIPMENT, AND FIREARMS

408.5.1 UNIFORMS

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

414.1.1 DEFINITIONS

414.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, [department/office]-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

414.3.1 EMERGENCY COMMUNICATIONS

Only an officer who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record,

414.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

414.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

Gonzales Police Department

Gonzales PD Policy Manual

Hostage and Barricade Incidents

- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the [Department/Office], such as command officers and the Public Information Officer ([PIO]).
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

414.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.

Gonzales Police Department

Gonzales PD Policy Manual

Hostage and Barricade Incidents

- (g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the [Department/Office], such as command officers and the [PIO].
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

414.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a [Crisis Response Unit] ([CRU]) response if appropriate and apprising the [CRU] Commander of the circumstances. In addition, the following options should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
 - (b) Ensure the completion of necessary first responder responsibilities or assignments.
 - (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
 - (d) Establish a command post location as resources and circumstances permit.
 - (e) Designate assistants who can help with intelligence information and documentation of the incident.
 - (f) If it is practicable to do so, arrange for video documentation of the operation.
 - (g) Consider contacting utility and communication providers to restrict such services (e.g., restricting electric power, gas, telephone service).
1. When considering restricting communication services, a supervisor should make the determination that there is reason to believe an emergency situation exists involving immediate danger of death or great bodily harm and that an interruption to communication services is necessary to protect public safety (Penal Code § 11471). The supervisor must ensure the [Department/Office] obtains a court order, in accordance with Penal Code § 11472, prior to requesting the interruption. In the case of an extreme emergency when there is insufficient time to obtain an order prior to the request, application for the order must be

Gonzales Police Department

Gonzales PD Policy Manual

Hostage and Barricade Incidents

submitted within six hours after initiating the interruption. If six hours is not possible, then the application for the court order shall be made at the first reasonably available opportunity, but no later than 24 hours in accordance with Penal Code § 11475.

- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or County Communications.
- (i) Identify a media staging area outside the outer perimeter and have the [department/office] Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

414.6 [CRU] RESPONSIBILITIES

The Incident Commander will decide, with input from the [CRU] Commander, whether to deploy the [CRU] during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the [CRU] Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the [CRU]. The Incident Commander and the [CRU] Commander or the authorized designee shall maintain communications at all times.

414.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

416.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Gonzales Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

416.2 POLICY

It is the policy of the Gonzales Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

416.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Sergeant is immediately advised and informed of the details. This will enable the Shift Sergeant to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

416.3.1 NOTIFICATIONS

When an explosion has occurred, the following people shall be notified as soon as practicable if their assistance is needed:

- (a) Fire Department
- (b) Bomb Squad
- (c) Additional officers
- (d) Field supervisor
- (e) Shift Sergeant
- (f) Detectives
- (g) Forensic Science Services

416.3.2 CROWD CONTROL

Only authorized personnel with a legitimate need shall be permitted access to the scene. Spectators and other unauthorized individuals shall be excluded to a safe distance as is reasonably practicable given the available resources and personnel.

Gonzales Police Department

Gonzales PD Policy Manual

Response to Bomb Calls

416.3.3 SCENE OF INCIDENT

As in any other crime scene, steps should immediately be taken to preserve the scene. The scene could extend over a long distance. Evidence may be imbedded in nearby structures or hanging in trees and bushes.

416.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

416.4.1 GONZALES POLICE DEPARTMENT FACILITY

If the bomb threat is against the Gonzales Police Department facility, the Shift Sergeant will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

416.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Gonzales Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Sergeant deems appropriate.

416.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

416.5 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the City of Gonzales Police Department, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:

Gonzales Police Department

Gonzales PD Policy Manual

Response to Bomb Calls

1. No evacuation of personnel and no search for a device.
2. Search for a device without evacuation of personnel.
3. Evacuation of personnel without a search for a device.
4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Sergeant is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

416.5.1 ASSISTANCE

The Shift Sergeant should be notified when police assistance is requested. The Shift Sergeant will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Sergeant determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

416.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.

Gonzales Police Department

Gonzales PD Policy Manual

Response to Bomb Calls

- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 - 1. Two-way radios
 - 2. Cell phones
 - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Sergeant including:
 - 1. The time of discovery.
 - 2. The exact location of the device.
 - 3. A full description of the device (e.g., size, shape, markings, construction).
 - 4. The anticipated danger zone and perimeter.
 - 5. The areas to be evacuated or cleared.

416.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

416.7.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.

Gonzales Police Department

Gonzales PD Policy Manual

Response to Bomb Calls

- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

416.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Shift Sergeant
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

416.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

416.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Sergeant should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Mental Illness Commitments

418.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150).

418.2 POLICY

It is the policy of the Gonzales Police Department to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

418.3 AUTHORITY

An officer having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, officers are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the person
- (b) A family member
- (c) The person subject to the determination or anyone designated by the person

418.3.1 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for a 5150 commitment, the officer may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the officers should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
- (b) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

If at any point the person changes their mind regarding voluntary evaluation, officers should proceed with the 5150 commitment, if appropriate.

418.3.2 RESTRAINTS

If the patient is violent or potentially violent, the officer will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints are desired, the officer will wait while they are being applied to help provide physical control of the patient, if needed.

Gonzales Police Department

Gonzales PD Policy Manual

Mental Illness Commitments

418.3.3 MENTAL HEALTH DOCUMENTATION

The officer will complete an Application For 72-Hour Detention for Evaluation and Treatment form (MH-302) and provide it to the staff member assigned to that patient. The officer will retain a copy of the 72-hour evaluation for inclusion in the case report. The officer shall also provide a verbal summary to an emergency department staff member regarding the circumstances leading to the involuntary detention.

418.3.4 SECURING OF WEAPONS

If a receiving and secured facility prohibits weapons or if an extraordinary event occurs in the treatment facility and officers determine a need to secure their firearms, the firearm shall be secured in the appropriate gun locker at the facility or in the police unit.

418.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Officers should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

418.4.1 SECURING OF PROPERTY

When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the officer shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

The officer taking the person into custody shall provide a report to the court that describes the person's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

Gonzales Police Department

Gonzales PD Policy Manual

Mental Illness Commitments

418.5 TRANSPORTATION

Transport for any individual for a 5150 commitment shall be conducted in accordance with the Transporting Persons in Custody Policy.

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy.

418.5.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS

- (a) Whenever the handling officer has cause to believe that the future return of any confiscated weapon(s) might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Records Supervisor; however, the officer shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(b), to determine whether or not the weapon(s) will be returned.
- (b) The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon(s) have been confiscated unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him or her of the right to a hearing on the issue and that he or she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon(s).
- (c) If no petition is initiated within the above period, the Department shall make the weapon(s) available for return in accordance with subsection (d) below. If the person does not confirm a desire for a hearing within the prescribed 30 days, the Department may file a petition for an order of default.
- (d) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice which conforms to the provisions of Penal Code § 12021.3(e).
- (e) In no case in which a firearm or other deadly weapon is not retained as evidence shall the Department be required to retain such firearms or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 12021.3(g)).

418.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Gonzales Police Department

Gonzales PD Policy Manual

Mental Illness Commitments

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

418.7 DOCUMENTATION

The officer shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for officer involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

418.7.1 ADVISEMENT

The officer taking a person into custody for evaluation shall advise the person of:

- (a) The officer's name and agency.
- (b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
- (c) The name of the facility to which the person is being taken.
- (d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The officer should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

418.8 CRIMINAL OFFENSES

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.

Gonzales Police Department

Gonzales PD Policy Manual

Mental Illness Commitments

- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

418.9 FIREARMS AND OTHER WEAPONS

Whenever a person is taken into custody for a 5150 commitment, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons

The handling officers shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Officers shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see the Property and Evidence Bureau Policy).

418.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS

Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Investigating Officer, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him/her of the right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon.

418.10 TRAINING

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, 5150 commitments and crisis intervention.

Cite and Release Policy

420.1 PURPOSE AND SCOPE

This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

420.2 POLICY

It is the policy of the Gonzales Police Department to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the [Department/Office]'s mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

420.2.1 DISCRETION TO ARREST

While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot and/or fresh pursuit, while following up on crimes committed within the City, or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

Off-duty officers observing criminal activity should generally take enforcement action only when it reasonably appears that imminent risk to life or property exists and the reasonable opportunity does not exist to contact the law enforcement agency with primary jurisdiction. In such situations the involved officer shall clearly identify him/herself as a police officer.

Officers are authorized to use verbal or written warnings to resolve minor traffic and criminal violations when appropriate.

420.3 RELEASE BY CITATION

Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private person's arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing officer shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps they deem necessary to ensure that the defendant understands their written promise to appear.

420.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present

Gonzales Police Department

Gonzales PD Policy Manual

Cite and Release Policy

(Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting officer should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

420.3.2 RELEASE AFTER BOOKING

In some cases it may not be feasible or desirable to release a person in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Shift Sergeant or the authorized designee.

420.3.3 DISQUALIFYING CIRCUMSTANCES

A person arrested for a misdemeanor shall be released on a notice to appear unless one of the following situations is present (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that he/she could be a danger to him/herself or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for his/her own safety
 - 1. The Gonzales Police Department shall not release an arrestee from custody for the purpose of allowing that person to seek medical care at a hospital, and then immediately re-arrest the same individual upon discharge from the hospital, unless the hospital determines this action will enable it to bill and collect from a third-party payment source (Penal Code § 4011.10).
- (c) The person is arrested for one or more of the offenses listed in Vehicle Code §§ 40302, 40303 and 40305.
 - 1. Any person arrested for any offense listed in Vehicle Code § 40303(b) shall, in the judgment of the arresting officer, either be given a 10 day notice to appear or be taken without delay before a magistrate in the county of arrest.
 - 2. If a person under Vehicle Code §§ 40303 or 40305 does not have satisfactory identification, the officer may require the individual to provide a right thumbprint (or other finger). However such print may not be used for other than law enforcement purposes.
 - 3. Should any person arrested on a notice to appear claim under penalty of perjury not to be the person listed in the notice, such person may request that his/her thumbprint be taken for comparison at a fee not to exceed the actual cost of such service.
- (d) There are one or more outstanding arrest warrants for the person.
- (e) The person could not provide satisfactory evidence of personal identification.

- (f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.
- (g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
- (h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.
- (i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented.
- (j) The charges fall under Penal Code § 1270.1 (serious or violent felonies, domestic violence, etc.)

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Shift Sergeant for approval and included with the case file in the Records Bureau.

420.3.4 OTHER REASONS FOR NON-RELEASE

If the person arrested is not released for one or more of the reasons specified in Policy Manual § 420.33, the on-duty Sergeant shall state specifically on the booking form the reason for non-release. Such reasons for non-release may include:

- (a) Previous failure to appear is on record
- (b) The person lacks ties to the area, such as a residence, job, or family
- (c) Unusual circumstances lead the officer responsible for the release of prisoners to conclude that the suspect should be held for further investigation

420.3.5 INSTRUCTIONS TO CITED PERSON

The citing officer shall, at the time he/she asks the defendant to sign the notice to appear, call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written promise to appear.

420.4 NON-RELEASE

420.4.2 REASONS FOR NON-RELEASE

A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Shift Sergeant may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the [Department/Office] and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

Reasons for non-release include (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that they could be a danger to themselves or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for their own safety.
- (c) The person is arrested for one or more of the offenses listed in Vehicle Code § 40302, Vehicle Code § 40303, and Vehicle Code § 40305.

 - 1. If a person released on citation does not have satisfactory identification in their possession, a right thumbprint or fingerprint should be obtained on the citation form.
- (f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.
- (g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
- (h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.
- (i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented. Reasons may include:

1. Previous failure to appear is on record
 2. The person lacks ties to the area, such as a residence, job, or family
 3. Unusual circumstances lead the officer responsible for the release of arrested persons to conclude that the suspect should be held for further investigation
- (j) A previous conviction, citation, or arrest for misdemeanor or felony retail theft from a store in the previous six months.
- (k) There is probable cause to believe that the person arrested is guilty of committing organized retail theft.

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Shift Sergeant for approval and included with the case file in the Records Bureau.

420.5 MISDEMEANOR WARRANTS

An adult arrested on a misdemeanor warrant may be released, subject to Shift Sergeant approval, unless any of the following conditions exist:

- (a) The misdemeanor cited in the warrant involves violence.
- (b) The misdemeanor cited in the warrant involves a firearm.
- (c) The misdemeanor cited in the warrant involves resisting arrest.
- (d) The misdemeanor cited in the warrant involves giving false information to a peace officer.

- (i) The person refuses to sign the notice to appear.
- (j) The person cannot provide satisfactory evidence of personal identification.
- (k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear.

Release under this section shall be done in accordance with the provisions of this policy.

420.6 JUVENILE CITATIONS

Completion of criminal citations for juveniles is generally not appropriate with the following exceptions:

- Misdemeanor traffic violations of the Vehicle Code

Gonzales Police Department

Gonzales PD Policy Manual

Cite and Release Policy

- Violations of the Gonzales Police Department City codes

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the Investigating Officer for further action including diversion.

420.7 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if the officer feels the situation should be documented more thoroughly in a case report.

Foreign Diplomatic and Consular Representatives

422.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Gonzales Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

422.1.1 DEFINITIONS

Foreign National - Anyone who is not a citizen of the United States (U.S.). A person with dual-citizenship, U.S. and foreign, is not a foreign national.

Immunity - Refers to various protections and privileges extended to the employees of foreign governments who are present in the U.S. as official representatives of their home governments. These privileges are embodied in international law and are intended to ensure the efficient and effective performance of their official "missions" (i.e., embassies, consulates, etc.) in foreign countries. Proper respect for the immunity to which an individual is entitled is necessary to ensure that U.S. diplomatic relations are not jeopardized and to maintain reciprocal treatment of U.S. personnel abroad. Although immunity may preclude U.S. courts from exercising jurisdiction, it is not intended to excuse unlawful activity. It is the policy of the U.S. Department of State's Office of Foreign Missions (OFM) that illegal acts by Foreign Service personnel should always be pursued through proper channels. Additionally, the host country's right to protect its citizens supersedes immunity privileges. Peace officers may intervene to the extent necessary to prevent the endangerment of public safety or the commission of a serious crime, regardless of immunity claims.

422.2 POLICY

The Gonzales Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

422.3 LEVELS OF IMMUNITY

The specific degree of immunity afforded to foreign service personnel within the U.S. is directly related to their function and position in this country.

422.3.1 DIPLOMATIC AGENTS

Diplomatic agents (e.g., ambassadors and United Nations representatives) are afforded the highest levels of immunity. They are exempt from arrest or detention and are immune from all criminal (and most civil) prosecution by the host state. The family members of diplomatic agents

Gonzales Police Department

Gonzales PD Policy Manual

Foreign Diplomatic and Consular Representatives

enjoy these same immunities. Currently there are no diplomatic agents permanently assigned to California; but they do occasionally visit the state.

422.3.2 CONSULAR OFFICERS

Consular officers are the ranking members of consular posts who perform various formal functions on behalf of their own governments. Typical titles include consul general, consul, and vice consul. These officials are immune from arrest or detention, except pursuant to a felony warrant. They are only immune from criminal and civil prosecution arising from official acts. Official acts immunity must be raised as an affirmative defense in the court jurisdiction, and its validity is determined by the court. Under this defense, the prohibited act itself must have been performed as an official function. It is not sufficient that the consular agent was on-duty or in an official capacity at the time of the violation. The family members of consular officers generally enjoy no immunity, however, any family member who enjoys a higher level of immunity is issued an identification card by Department of State (DOS) enumerating any privileges or immunities on the back of the card. Examples are consular officers and family members from Russia or China.

There are approximately 600 consular officers in California, with most located in Los Angeles, San Francisco and San Diego.

422.3.3 HONORARY CONSULS

Honorary consuls are part-time employees of the country they represent and are either permanent residents of the U.S. or U.S. nationals (unlike career consular officers, who are foreign nationals on temporary assignment to the U.S.). Honorary consuls may be arrested and detained; limited immunity for official acts may be available as a subsequent defense. Family members have no immunity. There are less than 100 honorary consuls in California.

422.4 IDENTIFICATION

All diplomatic and consular personnel who are entitled to immunity are registered with the Department of State and are issued distinctive identification cards by the Department of State Protocol Office. These cards are the best means of identifying Foreign Service personnel. They include a photograph, identifying information, and, on the reverse side, a brief description of the bearer's immunity status. Unfortunately, these identification cards are not always promptly issued by the Department of State. In addition to the Department of State identification card, Foreign Service personnel should also have a driver license issued by the Department of State Diplomatic Motor Vehicle Office (DMVO), which in most circumstances replaces the operator's license issued by the state. Additionally they may have California credentials issued by the California Emergency Management Agency (Cal EMA).

422.4.1 VEHICLE REGISTRATION

Vehicles that are owned by foreign missions or Foreign Service personnel and their dependents are registered with the Department of State OFM and display distinctive red, white, and blue license plates. Vehicles assigned to diplomatic or consular officers will generally have license plates labels with the words "diplomat" or "consul." Vehicles owned by honorary consuls are not

Gonzales Police Department

Gonzales PD Policy Manual

Foreign Diplomatic and Consular Representatives

issued OFM license plates; but may have California license plates with an "honorary consul" label. Driver's identity or immunity status should not be presumed from the type of license plates displayed on the vehicle. The status of an OFM license plate should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state, if the officer has reason to question the legitimate possession of the license plate.

422.5 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

422.5.1 CITABLE OFFENSES

An enforcement document shall be issued at the scene for all violations warranting such action, regardless of the violator's immunity status. The issuance of a citation is not considered an arrest or detention under current Department of State guidelines. Whenever the equivalent of a notice to appear is issued to an immunity claimant, the following additional procedures shall be followed by the arresting officer:

- (a) Identification documents are to be requested of the claimant
- (b) The title and country represented by the claimant are to be recorded on the back of the officer's copy of the Notice to Appear for later reference. Do not include on the face of the notice to appear
- (c) The claimant shall be requested to sign the notice to appear. If the claimant refuses, the identity and immunity status of the individual shall be conclusively established
- (d) Verified diplomatic agents and consular officers, including staff and family members from countries with which the U.S. has special agreements, are not required to sign the Notice to Appear. The word "Refused" shall be entered in the signature box, and the violator shall be released
- (e) Verified consular staff members, excluding those from countries with which the U.S. has special agreements, are generally obligated to sign the Notice to Appear, but a signature shall not be required if their immunity status is uncertain
- (f) All other claimants are subject to the provisions of Vehicle Code § 40302(b) and policy and procedures outlined in this chapter
- (g) The violator shall be provided with the appropriate copy of the notice to appear

422.5.2 IN-CUSTODY ARRESTS

Diplomatic agents and consular officers are immune from arrest or detention (unless they have no identification and the detention is to verify their diplomatic status). Proper identification of immunity claimants is imperative in potential in-custody situations. Claimants who are not entitled to immunity shall be placed in custody in accordance with the provisions outlined in Policy Manual § 422.6 of this policy.

Gonzales Police Department

Gonzales PD Policy Manual

Foreign Diplomatic and Consular Representatives

A subject who is placed under arrest and claims diplomatic or consular immunity shall not be physically restrained before verification of the claim (unless restraint is necessary for the protection of the officer or others.)

A supervisor shall be promptly notified and should respond to the scene when possible.

Field verification of the claimant's identity is to be attempted as follows:

- (a) Identification cards issued by the Department of State, Protocol Office, are the only valid evidence of diplomatic or consular immunity. The following types of identification cards are issued: Diplomatic (blue bordered), Consular (red bordered), and Official (green bordered). The Department of State identification cards are 3-3/4 inch by 1-1/2 inch and contain a photograph of the bearer.
- (b) Initiate telephone verification with the Department of State. Newly arrived members of diplomatic or consular missions may not yet have official Department of State identity documents. Verify immunity by telephone with the Department of State any time an individual claims immunity and cannot present satisfactory identification, the officer has reason to doubt the claim of immunity, or there is a possibility of physical arrest. Law enforcement personnel should use the following numbers in order of preference:

Office of Foreign Missions	Office of the Foreign Missions
San Francisco, CA	Los Angeles, CA
(415) 744-2910, Ext. 22 or 23	(310) 235-6292, Ext. 121 or 122
(415) 744-2913 FAX	(310) 235-6297 FAX
(0800-1700 PST)	(0800-1700 PST)
Office of Foreign Missions	Department of State
Diplomatic Motor Vehicle Office	Diplomatic Security Service
Washington D.C.	Command Center
(202) 895-3521 (Driver License Verification) or	Washington D.C.
(202) 895-3532 (Registration Verification)	(202) 647-7277
(202) 895-3533 FAX	(202) 647-1512
(0815-1700 EST)	(Available 24 hours)
	(202) 647-0122 FAX

Members of diplomatic or consular missions also may have other forms of identification. These include identification cards issued by California Emergency Management Agency (Cal EMA), local law enforcement agencies, the foreign embassy, or consulate; driver licenses issued by

Gonzales Police Department

Gonzales PD Policy Manual

Foreign Diplomatic and Consular Representatives

Department of State; and, Department of State license indicia on the vehicle. All these items are only an indication that the bearer may have some form of immunity.

Subjects verified through the above procedures as being officials entitled to immunity (diplomatic agent, consular officers and consular staff and family members from countries with which the U.S. has special agreements) may not be arrested. The procedures below shall be followed. These procedures should also be used in the event immunity cannot be verified, but another form of identification indicates that immunity is probable.

If the release of the violator will not create an additional hazard, adequate information to properly identify the violator shall be obtained then the official shall be released. A supervisor's approval for the release shall be obtained whenever possible. The necessary release documents and/or a Certificate of Release form should only be issued under the proper conditions.

If the violator appears to have been driving while under the influence, field sobriety tests, including Preliminary Alcohol Screening (PAS) device tests and chemical tests should be offered and obtained whenever possible, however, these tests cannot be compelled. The subject shall not be permitted to drive. A supervisor's approval for release shall be obtained whenever possible and alternative transportation should be arranged.

All facts of the incident shall be documented in accordance with this policy in a Driving Under the Influence (DUI) Arrest-Investigation Report, Arrest-Investigation Report and/or any other relevant Report form. Notwithstanding the field release of the subject, prosecution is still appropriate and should be pursued by the command concerned. The Department of State will take appropriate sanctions against errant foreign service personnel, even where prosecution is not undertaken by the agency.

422.6 TRAFFIC COLLISIONS

Persons involved in traffic collisions who possess a Department of State OFM Diplomatic Driver License, issued by the DMVO, shall have "D" coded in the license "class" box of the Traffic Collision Report. The actual driver license class (e.g., 1, 2, 3, or A, B, C, M) shall be entered in the miscellaneous box on page two of the traffic report. If subsequent prosecution of the claimant is anticipated, the claimant's title, country, and type of identification presented should be recorded for future reference. Issuance of a citation to, or arrest of, an immunity claimant at the accident scene should be handled in accordance with the procedures specified in Policy Manual § 422.5 of this chapter.

422.6.1 VEHICLES

Vehicles, which are owned by subjects with full immunity, may not be searched, stored, or impounded without the owner's permission. (Such permission may be assumed if the vehicle has been stolen.) These vehicles may, however, be towed the necessary distance to remove them from obstructing traffic or creating any other hazard.

Gonzales Police Department

Gonzales PD Policy Manual

Foreign Diplomatic and Consular Representatives

422.6.2 REPORTS

A photocopy of each traffic collision report involving an identified diplomat and/or immunity claimant shall be forwarded to the office of the Chief of Police within 48 hours whether or not the claim is verified. The words "Immunity Claim" shall be marked on the photocopy, together with a notation of the claimant's title, country, and type of identification presented (if applicable). In addition to the report, a follow-up cover memorandum should be submitted if the violation was flagrant, if the claimant was uncooperative, or if there were any other unusual aspects of the enforcement contact that should be reported to the Department of State for further action. The Shift Sergeant/Supervisor apprised of the incident/accident shall also send a copy of all documents and reports submitted by the investigating officer along with any supervisor's notes, materials and/or logs to the Chief of Police's office within 48 hours of the incident. The Chief of Police's office will check to ensure that notification of Department of State and all necessary follow-up occur.

422.7 FOREIGN NATIONALS WHO DO NOT CLAIM IMMUNITY

These policies and procedures apply to foreign nationals who do not claim diplomatic or consular immunity.

Officers shall arrest foreign nationals only under the following circumstances:

- (a) There is a valid warrant issued for the person's arrest
- (b) There is probable cause to believe that the foreign national has violated a federal criminal law, a state law, or a local ordinance
- (c) Officers shall not arrest foreign nationals solely for alleged undocumented entry into the U.S. unless the undocumented entry is committed in the officer's presence

After a lawful detention or criminal arrest, officers may detain foreign nationals solely for alleged undocumented presence in the U.S. if the U.S. Immigration and Customs Enforcement (ICE) is contacted and can respond to take custody within a reasonable time. Officers shall not arrest foreign nationals for undocumented presence. Federal courts have consistently held that undocumented presence is not a crime but a federal civil violation only enforceable by federal officers.

- Officers shall not stop or detain persons solely for determining immigration status.
- International treaty obligations provide for notification of foreign governments when foreign nationals are arrested or otherwise detained in the U.S.
- Whenever an officer arrests and incarcerates a foreign national or detains a foreign national for investigation for over two hours, the officer shall promptly advise the individual that he/she is entitled to have his/her government notified of the arrest or detention. (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.

Gonzales Police Department

Gonzales PD Policy Manual

Foreign Diplomatic and Consular Representatives

422.7.1 ARREST PROCEDURE

Whenever an officer physically arrests or detains an individual for criminal investigation and the officer reasonably believes the person to be a foreign national, the officer shall inquire to determine the person's citizenship.

This procedure applies to detentions of more than two hours. An inquiry is not required if the individual is detained less than two hours for criminal investigation.

If the individual indicates that he/she is other than a U.S. citizen, the officer shall advise the individual that he/she has a right to have the nearest appropriate embassy or consulate notified of the arrest/detention (Vienna Convention on Consular Relations, Art. 36, (1969)).

If the individual requests such notification, the officer shall contact County Communications as soon as practical and request the appropriate embassy/consulate be notified. Officers shall provide County Communications with the following information concerning the individual:

- Country of citizenship
- Full name of individual, including paternal and maternal surname, if used
- Date of birth or age
- Current residence
- Time, date, place, location of incarceration/detention and the 24-hour telephone number of the place of detention if different from the Department itself

If the individual claims citizenship of one of the countries for which notification of the consulate/embassy is mandatory, officers shall provide County Communications with the information above as soon as practicable, regardless of whether the individual desires that the embassy/consulate be notified. This procedure is critical because of treaty obligations with the particular countries. The list of countries and jurisdictions that require notification can be found on the U.S. Department of State website.

422.7.2 DOCUMENTATION

Officers shall document on the face page and in the narrative of the appropriate Arrest-Investigation Report the date and time County Communications was notified of the foreign national's arrest/detention and his/her claimed nationality.

Rapid Response and Deployment

424.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

424.2 POLICY

The Gonzales Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the [Department/Office] in protecting themselves or others from death or serious injury.

424.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.

Gonzales Police Department

Gonzales PD Policy Manual

Rapid Response and Deployment

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

424.3.1 RESPONSE TO SCHOOL THREATS

Upon receiving a threat or perceived threat from a school official that involves grades 6 to 12, officers shall immediately investigate and conduct a threat assessment. The investigation shall include a review of the firearm registry of the California Department of Justice. A reasonable search of the school at issue shall be conducted when the search is justified by reasonable suspicion that it would produce evidence related to the threat or perceived threat (Education Code § 49394).

For purposes of this subsection a "threat" or "perceived threat" means any writing or action of a pupil that creates a reasonable suspicion that the pupil is preparing to commit a homicidal act related to school or a school activity. This may include possession, use, or depictions of firearms, ammunition, shootings, or targets in association with infliction of physical harm, destruction, or death in a social media post, journal, class note, or other media associated with the pupil. It may also include a warning by a parent, pupil, or other individual (Education Code § 49390).

424.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

424.5 PLANNING

The Operations Bureau Commander should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.

Gonzales Police Department

Gonzales PD Policy Manual

Rapid Response and Deployment

- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

424.6 TRAINING

The Training Coordinator should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
 - (a) This should include the POST terrorism incident training required for officers assigned to field duties (Penal Code § 13519.12).
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

428.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Gonzales Police Department relating to immigration and interacting with federal immigration officials.

428.1.1 DEFINITIONS

The following definitions apply to this policy (Government Code § 7284.4):

Criminal immigration violation - Any federal criminal immigration violation that penalizes a person's presence in, entry, or reentry to, or employment in, the United States. This does not include any offense where a judicial warrant already has been issued.

Immigration enforcement - Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

Judicial warrant - An arrest warrant for a violation of federal criminal immigration law and issued by a federal judge or a federal magistrate judge.

428.2 POLICY

It is the policy of the Gonzales Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this [department/office] in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

428.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

428.4 IMMIGRATION INQUIRIES PROHIBITED

Officers shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

428.4.1 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)

Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

428.4.1 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)

Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Emergency Utility Service

430.1 PURPOSE AND SCOPE

The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

430.1.1 BROKEN WATER LINES

The City's responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the customer's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The customer can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practical by County Communications.

430.1.2 ELECTRICAL LINES

City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Pacific Gas and Electric Company or Public Works should be promptly notified, as appropriate.

430.1.3 RESERVOIRS, PUMPS, WELLS, ETC.

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

430.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by County Communications.

430.2 TRAFFIC SIGNAL MAINTENANCE

The City of Gonzales Public Works Department provides maintenance for all traffic signals within the City, other than those maintained by the State of California.

430.2.1 OFFICER'S RESPONSIBILITY

Upon observing a damaged or malfunctioning signal, the officer will advise the County Communications of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

Aircraft Accidents

434.1 PURPOSE AND SCOPE

The purpose of this policy is to provide [department/office] members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

434.1.1 DEFINITIONS

Definitions related to this policy include:

Aircraft - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

434.2 POLICY

It is the policy of the Gonzales Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

434.3 ARRIVAL AT SCENE

Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

434.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

Gonzales Police Department

Gonzales PD Policy Manual

Aircraft Accidents

434.5 NOTIFICATIONS

When an aircraft accident is reported to this [department/office], the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

434.6 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) [Medical Examiner/JOP].
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this [department/office] will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene [department/office] supervisor should ensure the accident is still appropriately investigated and documented.

434.7 DANGEROUS MATERIALS

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.
- (c) Fluids, batteries, flares and igniters.

Gonzales Police Department

Gonzales PD Policy Manual

Aircraft Accidents

- (d) Evacuation chutes, ballistic parachute systems and composite materials.

434.8 DOCUMENTATION

All aircraft accidents occurring within the City of Gonzales Police Department shall be documented. At a minimum the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of GPD members deployed to assist; other City resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

434.8.1 WRECKAGE

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
 - 1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

434.8.2 WITNESSES

Members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

434.9 MEDIA RELATIONS

The Public Information Officer ([PIO]) should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Gonzales Police Department

Gonzales PD Policy Manual

Aircraft Accidents

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims' names. The [PIO] should coordinate with other involved entities before the release of information.

436.5.1 FIELD TRAINING MANUAL

Obtaining Air Support

438.1 PURPOSE AND SCOPE

The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

438.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

438.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the on-duty Sergeant or his/her designee, will call the closest agency having helicopter support available. The on-duty Sergeant will apprise that agency of the specific details of the incident prompting the request.

438.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police helicopters may be requested under any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
- (c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
- (d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
- (e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.

Contacts and Temporary Detentions

440.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

440.2 POLICY

The Gonzales Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

440.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Gonzales Police Department to strengthen community involvement, community awareness, and problem identification.

440.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- (b) Actions suggesting that he/she is engaged in a criminal activity
- (c) Presence in an area at an inappropriate hour of the day or night
- (d) Presence in a particular area is suspicious
- (e) Carrying of suspicious objects or items
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- (g) Location in proximate time and place to an alleged crime
- (h) Physical description or clothing worn that matches a suspect in a recent crime
- (i) Prior criminal record or involvement in criminal activity as known by the officer

Gonzales Police Department

Gonzales PD Policy Manual

Contacts and Temporary Detentions

440.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

440.5 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Gonzales Police Department members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

Gonzales Police Department

Gonzales PD Policy Manual

Contacts and Temporary Detentions

440.6 FIELD PHOTOGRAPHS

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

440.6.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

440.6.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

440.6.3 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Shift Sergeant with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Sergeant should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Sergeant will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Bureau.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

Gonzales Police Department

Gonzales PD Policy Manual

Contacts and Temporary Detentions

440.6.4 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

Criminal Organizations

442.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Gonzales Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

442.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

442.2 POLICY

The Gonzales Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this [department/office] to collect and share relevant information while respecting the privacy and legal rights of the public.

442.3 CRIMINAL INTELLIGENCE SYSTEMS

No [department/office] member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for [department/office] use.

Any criminal intelligence system approved for [department/office] use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for [department/office] use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

442.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this [department/office], such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Bureau. Any supporting documentation for an entry shall be retained by the Records Bureau in

Gonzales Police Department

Gonzales PD Policy Manual

Criminal Organizations

accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Bureau are appropriately marked as intelligence information. The Records Supervisor may not purge such documents without the approval of the designated supervisor.

442.3.2 GANG DATABASES

The Chief of Police may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database (11 CCR 751.6).

It is the gang unit supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate, or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf, or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate, or affiliate in a shared gang database accessible by the [Department/Office], the basis for that designation, and the name of the agency that made the designation. The [Department/Office] shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation, which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate, or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the [department/office]'s decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Records Bureau after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Records Bureau supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

Gonzales Police Department

Gonzales PD Policy Manual

Criminal Organizations

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

442.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the [department/office]-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

442.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible [department/office] supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Bureau or Property and Evidence Bureau, but should be copies of, or references to, retained documents such as copies of reports, FI forms, County Communications records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

442.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

442.5 INFORMATION RECOGNITION

[Department/Office] members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.

Gonzales Police Department

Gonzales PD Policy Manual

Criminal Organizations

- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

[Department/Office] supervisors who utilize an authorized criminal intelligence system should work with the Training Coordinator to train members to identify information that may be particularly relevant for inclusion.

442.6 RELEASE OF INFORMATION

[Department/Office] members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to [department/office] members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

442.7 CRIMINAL STREET GANGS

The Investigating Officer supervisor should ensure that there are an appropriate number of [department/office] members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
 - 1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
 - 2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.
 - 3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).
- (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

Gonzales PD Policy Manual

Criminal Organizations

442.8 TRAINING

The Training Coordinator should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

442.8.1 SHARED GANG DATABASE TRAINING

The Training Coordinator should ensure that members who are authorized users of a shared gang database receive the required training from the California Department of Justice (DOJ) or an instructor certified by the DOJ that includes comprehensive and standardized training on the use of shared gang databases, and any other associated training required by the [Department/Office] (Penal Code § 186.36; 11 CCR 751.6).

Shift Sergeants

444.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with Departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant should head each watch.

444.2 DESIGNATION AS ACTING SHIFT SERGEANT

When a Sergeant is unavailable for duty as Shift Sergeant, in most instances the senior qualified senior officer shall be designated as acting Shift Sergeant. This policy does not preclude designating a less senior senior officer as an acting Shift Sergeant when operational needs require or training permits.

Mobile Data Terminal Use

448.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Data Terminal (MDT) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and County Communications.

448.2 POLICY

Gonzales Police Department members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

448.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

448.4 RESTRICTED ACCESS AND USE

MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Shift Sergeants.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor. Members are required to log off the MDT or secure the MDT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

448.4.1 USE WHILE DRIVING

Use of the MDT by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

Gonzales Police Department

Gonzales PD Policy Manual

Mobile Data Terminal Use

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

448.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Shift Sergeant or other department-established protocol, all calls for service assigned by a [dispatcher should be communicated by voice over the police radio and electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a [dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

448.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT when the vehicle is not in motion.

448.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Sergeant are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

448.6 EQUIPMENT CONSIDERATIONS

448.6.1 MALFUNCTIONING MDT

Whenever possible, members will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify County Communications. It shall be the responsibility of the [dispatcher to document all information that will then be transmitted verbally over the police radio.

Gonzales Police Department

Gonzales PD Policy Manual

Mobile Data Terminal Use

448.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.

Medical Marijuana

452.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this [department/office] with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

452.1.1 DEFINITIONS

Definitions related to this policy include:

Cardholder - A person issued a current identification card.

Compassionate Use Act (CUA) (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

Identification card - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

Medical marijuana - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

Medical Marijuana Program (MMP) (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

Patient - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

Primary caregiver - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

Statutory amount - No more than 8 ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).

Gonzales Police Department

Gonzales PD Policy Manual

Medical Marijuana

452.2 POLICY

It is the policy of the Gonzales Police Department to prioritize resources to forgo making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Gonzales Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

452.3 INVESTIGATION

Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.
- (c) Investigations when a medicinal claim is made by a non-cardholder.

452.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

452.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER

A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person is otherwise in violation of the provisions of the MMP.
- (d) The person possesses marijuana but not for personal medical purposes.

Gonzales Police Department

Gonzales PD Policy Manual

Medical Marijuana

Officers who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

452.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the officer reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Officers are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Officers should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Officers should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

452.3.4 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

- (a) Because enforcement of medical marijuana laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
 - 1. The suspect has been identified and can be easily located at a later time.
 - 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
 - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.

Gonzales Police Department

Gonzales PD Policy Manual

Medical Marijuana

4. Other relevant factors, such as available [department/office] resources and time constraints prohibit making an immediate arrest.
- (b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, officers should consider the following when determining whether the form and amount is reasonably related to the patient's needs:
 1. The amount of marijuana recommended by a medical professional to be ingested.
 2. The quality of the marijuana.
 3. The method of ingestion (e.g., smoking, eating, nebulizer).
 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
 5. Whether the marijuana is being cultivated indoors or outdoors.
- (c) Before proceeding with enforcement related to collective gardens or dispensaries, officers should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area, and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning, and other related issues can be complex. Patients, primary caregivers, and cardholders who collectively or cooperatively cultivate marijuana for medical purposes may be licensed or may have a defense in certain circumstances (Business and Professions Code § 26032; Business and Professions Code § 26033).
- (d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

452.3.5 INVESTIGATIONS INVOLVING A STATE LICENSEE

No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Officers should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

452.3.6 EXCEPTIONS

This policy does not apply to, and officers should consider taking enforcement action for the following:

- (a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).

Gonzales Police Department

Gonzales PD Policy Manual

Medical Marijuana

- (b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).
- (c) Smoking marijuana (Health and Safety Code § 11362.79):
 - 1. In any place where smoking is prohibited by law.
 - 2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
 - 3. On a school bus.
 - 4. While in a motor vehicle that is being operated.
 - 5. While operating a boat.
- (d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

452.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

452.5 PROPERTY AND EVIDENCE BUREAU SUPERVISOR RESPONSIBILITIES

The Property and Evidence Bureau supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Property and Evidence Bureau supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Bureau supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Property and Evidence Bureau supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigating Officer supervisor.

Bicycle Patrol Unit

454.1 PURPOSE AND SCOPE

The Gonzales Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

454.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Bicycle Patrol Unit supervisor or the Shift Sergeant.

454.3 SELECTION OF PERSONNEL

Interested sworn personnel, who are off probation, shall submit a change of assignment request to their appropriate Bureau Commander. A copy will be forwarded to the BPU supervisor. Qualified applicants will then be invited to an oral interview. The oral board will consist of the BPU supervisor and second person to be selected by the BPU supervisor. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance.
- (b) Special skills or training as it pertains to the assignment.
- (c) Good physical condition.
- (d) Willingness to perform duties using the bicycle as a mode of transportation.

454.3.1 BICYCLE PATROL UNIT SUPERVISOR

The Bicycle Patrol Unit supervisor will be selected from the rank of sergeant by the Operations Bureau Commander or his/her designee.

The Bicycle Patrol Unit supervisor shall have responsibility for the following:

- (a) Organizing bicycle patrol training.
- (b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
- (c) Scheduling maintenance and repairs.
- (d) Evaluating performance of bicycle officers.
- (e) Coordinating activities with the Operations Bureau.

Gonzales Police Department

Gonzales PD Policy Manual

Bicycle Patrol Unit

- (f) Other activities as required to maintain the efficient operation of the Bicycle Patrol Unit.

454.4 TRAINING

Participants in the program must complete an initial Department approved bicycle-training course after acceptance into the program. Thereafter bicycle patrol officers should receive twice yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies.
- Bicycle safety and accident prevention.
- Operational tactics using bicycles.

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

454.5 UNIFORMS AND EQUIPMENT

Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio head set and microphone, and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

454.6 CARE AND USE OF PATROL BICYCLES

Officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in with a "POLICE" decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of Vehicle Code §2800.1(b).

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Gonzales Police Department

Gonzales PD Policy Manual

Bicycle Patrol Unit

Each bicycle gear bag shall include a first aid kit, tire pump, repair tool, tire tube, security lock, equipment information and use manuals. These items are to remain with/on the bicycle at all times.

Each bicycle shall be equipped with a steady or flashing blue warning light that is visible from the front, sides, or rear of the bicycle. (Vehicle Code § 21201.3)

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance twice yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the bicycle supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

454.7 OFFICER RESPONSIBILITY

Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Officers are exempt from the rules of the road under the following conditions (Vehicle Code § 21200(b)(1)):

- (a) In response to an emergency call.
- (b) While engaged in rescue operations.
- (c) In the immediate pursuit of an actual or suspected violator of the law.

Foot Pursuits

458.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

458.2 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

Gonzales Police Department

Gonzales PD Policy Manual

Foot Pursuits

458.3 GENERAL GUIDELINES

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the [dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

Gonzales Police Department

Gonzales PD Policy Manual

Foot Pursuits

458.4 RESPONSIBILITIES IN FOOT PURSUITS

458.4.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the [dispatcher of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

458.4.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

458.4.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

Gonzales Police Department

Gonzales PD Policy Manual

Foot Pursuits

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

458.4.4 COUNTY COMMUNICATIONS RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the [dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Sergeant as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

458.5 REPORTING REQUIREMENTS

The initiating officer shall complete appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
 - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

Gonzales Police Department

Gonzales PD Policy Manual

Foot Pursuits

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

458.6 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

Homeless Persons

464.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Gonzales Police Department recognizes that members of the homeless community are often in need of special protection and services. The Gonzales Police Department will address these needs in balance with the overall mission of this [department/office]. Therefore, officers will consider the following when serving the homeless community.

464.1.1 POLICY

It is the policy of the Gonzales Police Department to provide law enforcement services to all members of the community, while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this [department/office] will not use homelessness solely as a basis for detention or law enforcement action.

464.2 HOMELESS COMMUNITY LIAISON

The Chief of Police will designate a member of this [department/office] to act as the Homeless Liaison Officer. The responsibilities of the Homeless Liaison Officer include the following:

- (a) Maintain and make available to all [department/office] employees a list of assistance programs and other resources that are available to the homeless.
- (b) Meet with social services and representatives of other organizations that render assistance to the homeless.
- (c) Maintain a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.
- (d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
 - 1. Proper posting of notices of trespass and clean-up operations.
 - 2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.
- (e) Be present during any clean-up operation conducted by this [department/office] involving the removal of personal property of the homeless to ensure that the rights of the homeless are not violated.
- (f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.

Gonzales Police Department

Gonzales PD Policy Manual

Homeless Persons

464.3 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent that such services may be appropriate.

464.3.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event that a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with the Senior and Disability Victimization Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates that he/she does not desire prosecution.

464.4 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be

Gonzales Police Department

Gonzales PD Policy Manual

Homeless Persons

taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the [department/office] Homeless Liaison Officer. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the [department/office] Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

464.5 MENTAL ILLNESS AND MENTAL IMPAIRMENT

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (see the Crisis Intervention Incidents Policy).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

464.6 ECOLOGICAL ISSUES

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

Portable Audio/Video Recorders

465.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this [department/office] while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Gonzales Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

465.2 POLICY

The Gonzales Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the [Department/Office] by accurately capturing contacts between members of the [Department/Office] and the public.

465.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any [department/office]-issued device at any time, and any recording made while acting in an official capacity for this [department/office], regardless of ownership of the device it was made on, shall remain the property of the [Department/Office]. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

465.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the [Department/Office], and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, GPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required

Gonzales Police Department

Gonzales PD Policy Manual

Portable Audio/Video Recorders

when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

465.5 ACTIVATION OF THE PORTABLE RECORDER

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which a member would normally notify County Communications
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

465.5.1 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

Gonzales Police Department

Gonzales PD Policy Manual

Portable Audio/Video Recorders

465.5.2 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Members of the [Department/Office] may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another [department/office] member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

465.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

465.6 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using [department/office]-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with [department/office]-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate [department/office] business purposes. All such recordings shall be retained at the [Department/Office].

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Sergeant. Any member who uses a personally owned recorder for [department/office]-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

465.7 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.

Gonzales Police Department

Gonzales PD Policy Manual

Portable Audio/Video Recorders

- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

465.7.1 RETENTION REQUIREMENTS

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

465.8 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the [Department/Office] who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

465.9 COORDINATOR

The Chief of Police or the authorized designee shall appoint a member of the [Department/Office] to coordinate the use and maintenance of portable audio/video recording devices and the storage of recordings, including (Penal Code § 832.18):

- (a) Establishing a system for downloading, storing and security of recordings.
- (b) Designating persons responsible for downloading recorded data.

Gonzales Police Department

Gonzales PD Policy Manual

Portable Audio/Video Recorders

- (c) Establishing a maintenance system to ensure availability of operable portable audio/video recording devices.
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured.
- (e) Establishing a system to prevent tampering, deleting and copying recordings and ensure chain of custody integrity.
- (f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
- (g) Maintaining logs of access and deletions of recordings.

465.10 RETENTION OF RECORDINGS

Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):

- (a) Incidents involving use of force by an officer
- (b) Officer-involved shootings
- (c) Incidents that lead to the detention or arrest of an individual
- (d) Recordings relevant to a formal or informal complaint against an officer or the Gonzales Police Department

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

465.10.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

Public Recording of Law Enforcement Activity

466.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

466.2 POLICY

The Gonzales Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

466.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the officers.
 - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

466.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

Gonzales Police Department

Gonzales PD Policy Manual

Public Recording of Law Enforcement Activity

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

466.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

466.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

Gonzales Police Department

Gonzales PD Policy Manual

Public Recording of Law Enforcement Activity

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

Crisis Intervention Incidents

467.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

467.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

467.2 POLICY

The Gonzales Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

467.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

Gonzales Police Department

Gonzales PD Policy Manual

Crisis Intervention Incidents

467.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief of Police should designate an appropriate Bureau Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

467.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
 - 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

Gonzales Police Department

Gonzales PD Policy Manual

Crisis Intervention Incidents

467.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

467.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the [dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

467.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.

Gonzales Police Department

Gonzales PD Policy Manual

Crisis Intervention Incidents

- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Bureau Commander.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

467.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

467.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

467.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

467.11 EVALUATION

The Bureau Commander designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to

Gonzales Police Department

Gonzales PD Policy Manual

Crisis Intervention Incidents

these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

467.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

First Amendment Assemblies

468.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

468.2 POLICY

The Gonzales Police Department respects the rights of people to peaceably assemble. It is the policy of this [department/office] not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

468.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe [department/office] members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Gonzales Police Department

Gonzales PD Policy Manual

First Amendment Assemblies

468.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating [department/office] performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious, or social views of associations, or the activities of any individual, group, association, organization, corporation, business, or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

468.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to County Communications, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

468.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

468.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Gonzales Police Department

Gonzales PD Policy Manual

First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

468.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.

468.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

468.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

468.7 USE OF FORCE

Use of force is governed by current [department/office] policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Gonzales Police Department

Gonzales PD Policy Manual

First Amendment Assemblies

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this [department/office] shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

468.8 ARRESTS

The Gonzales Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

468.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

468.9.1 MEDIA ACCESS

If officers close the immediate area surrounding any emergency field command post or any other command post, or establish a police line, or rolling closure at a demonstration, march, protest, or rally where individuals are engaged in a protected activity pursuant to the First Amendment, officers shall comply with the requirements of Penal Code § 409.7 relating to media access (i.e., access to closed areas, obtaining information) (Penal Code § 409.7).

Gonzales Police Department

Gonzales PD Policy Manual

First Amendment Assemblies

468.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

468.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, County Communications records/tapes
- (g) Media accounts (print and broadcast media)

468.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

468.12 TRAINING

[Department/Office] members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The [Department/Office] should, when practicable, train with its external and mutual aid partners.

Officers should also receive periodic training on the standards for the use of kinetic energy projectiles and chemical agents for crowd control purposes as identified in Penal Code § 13652.

468.13 USE OF KINETIC ENERGY PROJECTILES AND CHEMICAL AGENTS FOR CROWD CONTROL

Kinetic energy projectiles and chemical agents for crowd control purposes shall only be deployed by officers who have received POST training for crowd control if the use is objectively reasonable

Gonzales Police Department

Gonzales PD Policy Manual

First Amendment Assemblies

to defend against a threat to life or serious bodily injury to any individual, including an officer, or to bring an objectively dangerous and unlawful situation safely and effectively under control and in accordance with the following requirements of Penal Code § 13652.

- (a) De-escalation techniques or other alternatives to force have been attempted, when objectively reasonable, and have failed.
- (b) Repeated, audible announcements are made announcing the intent to use kinetic energy projectiles and chemical agents and the type to be used, when objectively reasonable to do so. The announcements shall be made from various locations, if necessary, and delivered in multiple languages, if appropriate.
- (c) Individuals are given an objectively reasonable opportunity to disperse and leave the scene.
- (d) An objectively reasonable effort has been made to identify individuals engaged in violent acts and those who are not, and kinetic energy projectiles or chemical agents are targeted toward those individuals engaged in violent acts. Projectiles shall not be aimed indiscriminately into a crowd or group of individuals.
- (e) Kinetic energy projectiles and chemical agents are used only with the frequency, intensity, and in a manner that is proportional to the threat and objectively reasonable.
- (f) Officers shall minimize the possible incidental impact of their use of kinetic energy projectiles and chemical agents on bystanders, medical personnel, journalists, or other unintended targets.
- (g) An objectively reasonable effort has been made to extract individuals in distress.
- (h) Medical assistance is promptly provided, if properly trained personnel are present, or procured, for injured persons, when it is reasonable and safe to do so.
- (i) Kinetic energy projectiles shall not be aimed at the head, neck, or any other vital organs.
- (j) Kinetic energy projectiles or chemical agents shall not be used solely due to any of the following:
 - 1. A violation of an imposed curfew.
 - 2. A verbal threat.
 - 3. Noncompliance with a law enforcement directive.
- (k) If the chemical agent to be deployed is tear gas, only an Incident Commander at the scene of the assembly, protest, or demonstration may authorize its use.

468.13.1 USE SUMMARY

The Operations Bureau Commander or the authorized designee should ensure that a summary of each deployment of kinetic energy projectiles or chemical agents for crowd control purposes is prepared and published on the [department/office] website within 60 days of each incident. The time frame may be extended for another 30 days where just cause is demonstrated, but no longer than 90 days from the time of the incident. The summary shall be limited to the information known

Gonzales Police Department

Gonzales PD Policy Manual

First Amendment Assemblies

to the [Department/Office] at the time of the report and include the information required in Penal Code § 13652.1.

468.14 ANTI-REPRODUCTIVE RIGHTS CALLS

Officer response to public assemblies or demonstrations relating to anti-reproductive rights should be consistent with this policy (Penal Code § 13778.1).

Civil Disputes

469.1 PURPOSE AND SCOPE

This policy provides members of the Gonzales Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

469.2 POLICY

The Gonzales Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

469.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

469.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

Gonzales Police Department

Gonzales PD Policy Manual

Civil Disputes

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

469.4.1 STANDBY REQUESTS

Officer responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

469.5 VEHICLES AND PERSONAL PROPERTY

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

469.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Suspicious Activity Reporting

470.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

470.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

470.2 POLICY

The Gonzales Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

470.3 RESPONSIBILITIES

The Investigation Bureau Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for [department/office] participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Investigation Bureau Commander include, but are not limited to:

- (a) Remaining familiar with those databases available to the [Department/Office] that would facilitate the purpose of this policy.

Gonzales Police Department

Gonzales PD Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the [Department/Office].
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the [Department/Office] conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

470.4 REPORTING AND INVESTIGATION

Any [department/office] member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any civilian member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

470.5 HANDLING INFORMATION

The Records Bureau will forward copies of SARs, in a timely manner, to the following:

- Investigating Officer supervisor
- Crime Analysis Unit
- Other authorized designees

Medical Aid and Response

471.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

471.2 POLICY

It is the policy of the Gonzales Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

471.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact County Communications and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide County Communications with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Gonzales Police Department

Gonzales PD Policy Manual

Medical Aid and Response

471.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

471.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

471.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

471.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

Gonzales Police Department

Gonzales PD Policy Manual

Medical Aid and Response

The Operations Bureau Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the [Department/Office] should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One [department/office] member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

471.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

471.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in [department/office] vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Coordinator who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Gonzales Police Department

Gonzales PD Policy Manual

Medical Aid and Response

Any member who uses an AED should contact County Communications as soon as possible and request response by EMS.

471.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

471.8.3 AED TRAINING AND MAINTENANCE

The Training Coordinator should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Coordinator is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

471.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Trained members may administer opioid overdose medication (Civil Code § 1714.22; Business and Professions Code § 4119.9).

471.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Coordinator.

Any member who administers an opioid overdose medication should contact County Communications as soon as possible and request response by EMS.

471.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Coordinator will ensure that the Records Supervisor is provided enough information to meet applicable state reporting requirements.

471.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Coordinator should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100019 and any applicable POST standards (Civil Code § 1714.22).

471.9.4 DESTRUCTION OF OPIOID OVERDOSE MEDICATION

The Training Coordinator shall ensure the destruction of any expired opioid overdose medication (Business and Professions Code § 4119.9).

Gonzales Police Department

Gonzales PD Policy Manual

Medical Aid and Response

471.9.5 OPIOID OVERDOSE MEDICATION RECORD MANAGEMENT

Records regarding acquisition and disposition of opioid overdose medications shall be maintained and retained in accordance with the established records retention schedule and at a minimum of three years from the date the record was created (Business and Professions Code § 4119.9).

471.10 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Operations Bureau Commander may authorize the acquisition of epinephrine auto-injectors for use by [Department/Office] members as provided by Health and Safety Code § 1797.197a. The Training Coordinator shall create and maintain an operations plan for the storage, maintenance, use and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100019).

471.10.1 EPINEPHRINE USER RESPONSIBILITIES

Members should handle, store and administer epinephrine auto-injectors consistent with their training and the [Department/Office] operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the [Department/Office] Operations Plan.

Any member who administers an epinephrine auto-injector medication should contact County Communications as soon as possible and request response by EMS (Health and Safety Code § 1797.197a(b)).

471.10.2 EPINEPHRINE AUTO-INJECTOR REPORTING

Any member who administers an epinephrine auto-injector should detail its use in an appropriate report.

The Training Coordinator should ensure that the Records Supervisor is provided enough information for required reporting to the EMS Authority within 30 days after each use (Health and Safety Code § 1797.197a(f)).

Records regarding the acquisition and disposition of epinephrine auto-injectors shall be maintained pursuant to the established records retention schedule but no less than three years (Business and Professions Code § 4119.4(d)).

471.10.3 EPINEPHRINE AUTO-INJECTOR TRAINING

The Training Coordinator should ensure that members authorized to administer epinephrine auto-injectors are provided with initial and refresher training that meets the requirements of Health and Safety Code § 1797.197a(c) and 22 CCR 100019.

471.11 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the

Gonzales Police Department

Gonzales PD Policy Manual

Medical Aid and Response

officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

471.12 FIRST AID TRAINING

The Training Coordinator should ensure officers receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100016; 22 CCR 100022).

Mobile Audio/Video

472.1 PURPOSE AND SCOPE

The Gonzales Police Department has equipped marked patrol cars with Mobile Audio/Video (MAV) recording systems to provide records of events and assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

472.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

In-car camera system and Mobile Audio/Video (MAV) system- Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

MAV technician -Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

472.2 POLICY

It is the policy of the Gonzales Police Department to use mobile audio and video technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

472.3 OFFICER RESPONSIBILITIES

Prior to going into service, each officer will properly equip him/herself to record audio and video in the field. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. Only Gonzales Police Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

472.4 ACTIVATION OF THE MAV

The MAV system is designed to turn on whenever the unit's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

472.4.1 REQUIRED ACTIVATION OF MAV

This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
 - 1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
 - 2. Priority responses
 - 3. Vehicle pursuits
 - 4. Suspicious vehicles
 - 5. Arrests
 - 6. Vehicle searches
 - 7. Physical or verbal confrontations or use of force
 - 8. Pedestrian checks
 - 9. DWI/DUI investigations including field sobriety tests
 - 10. Consensual encounters
 - 11. Crimes in progress
 - 12. Responding to an in-progress call
- (b) All self-initiated activity in which an officer would normally notify County Communications
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
 - 1. Domestic violence calls
 - 2. Disturbance of peace calls

Gonzales Police Department

Gonzales PD Policy Manual

Mobile Audio/Video

3. Offenses involving violence or weapons
 - (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording
 - (e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

472.4.2 CESSATION OF RECORDING

Once activated, the MAV system should remain on until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

472.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MAV system is not required when exchanging information with other officers or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

472.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of County Communications.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Logs reflect the proper chain of custody, including:
 1. The tracking number of the MAV system media.
 2. The date it was issued.
 3. The law enforcement operator or the vehicle to which it was issued.
 4. The date it was submitted.
 5. Law enforcement operators submitting the media.
 6. Holds for evidence indication and tagging as required.

Gonzales Police Department

Gonzales PD Policy Manual

Mobile Audio/Video

- (c) The operation of MAV systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MAV technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of an officer.

472.5 REVIEW OF MAV RECORDINGS

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to assess officer performance
- (d) To assess proper functioning of MAV systems
- (e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By an officer who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with permission of the Chief of Police or the authorized designee
- (i) By the media through proper process or with permission of the Chief of Police or the authorized designee
- (j) To assess possible training value

Gonzales Police Department

Gonzales PD Policy Manual

Mobile Audio/Video

- (k) Recordings may be shown for training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Shift Sergeant. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

472.6 DOCUMENTING MAV USE

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation, indicating that the incident was recorded.

472.7 RECORDING MEDIA STORAGE AND INTEGRITY

Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of one year after which time it will be erased, destroyed or recycled in accordance with the established records retention schedule (Government Code § 34090.6).

472.7.1 COPIES OF ORIGINAL RECORDING MEDIA

Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

472.7.2 MAV RECORDINGS AS EVIDENCE

Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the Gonzales Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

472.8 SYSTEM OPERATIONAL STANDARDS

- (a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
- (b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MAV system may not be configured to record audio data occurring prior to activation.

Gonzales Police Department

Gonzales PD Policy Manual

Mobile Audio/Video

- (d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.
- (e) Officers using digital transmitters that are synchronized to their individual MAV shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.
- (g) Officers shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.
- (h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MAV technician.

472.9 MAV TECHNICIAN RESPONSIBILITIES

The MAV technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician:
 - 1. Ensures it is stored in a secure location with authorized controlled access.
 - 2. Makes the appropriate entries in the chain of custody log.
- (c) Erasing of media:
 - 1. Pursuant to a court order.
 - 2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
- (d) Assigning all media an identification number prior to issuance to the field:
 - 1. Maintaining a record of issued media.
- (e) Ensuring that an adequate supply of recording media is available.
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.

472.10 TRAINING

All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.

Automated License Plate Readers (ALPRs)

473.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

473.2 POLICY

The policy of the Gonzales Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this [department/office]. Because such data may contain confidential information, it is not open to public review.

473.3 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Gonzales Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administrative Services Bureau Commander. The Administrative Services Bureau Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

473.3.1 ALPR ADMINISTRATOR

The Administrative Services Bureau Commander shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.
- (b) Training requirements for authorized users.
- (c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.
- (d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.
- (e) The title and name of the current designee in overseeing the ALPR operation.
- (f) Working with the Custodian of Records on the retention and destruction of ALPR data.
- (g) Ensuring this policy and related procedures are conspicuously posted on the [department/office]'s website.

Gonzales Police Department

Gonzales PD Policy Manual

Automated License Plate Readers (ALPRs)

473.4 OPERATIONS

Use of an ALPR is restricted to the purposes outlined below. [Department/Office] members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

- (a) An ALPR shall only be used for official law enforcement business.
- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this [department/office] shall operate ALPR equipment or access ALPR data without first completing [department/office]-approved training.
- (e) No ALPR operator may access [department/office], state or federal data unless otherwise authorized to do so.
- (f) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

473.5 DATA COLLECTION AND RETENTION

The Administrative Services Bureau Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with [department/office] procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

473.6 ACCOUNTABILITY

All data will be closely safeguarded and protected by both procedural and technological means. The Gonzales Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).

Gonzales Police Department

Gonzales PD Policy Manual

Automated License Plate Readers (ALPRs)

- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or [department/office]-related civil or administrative action.
- (c) ALPR system audits should be conducted on a regular basis.

For security or data breaches, see the Records Release and Maintenance Policy.

473.7 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:
 - 1. The name of the agency.
 - 2. The name of the person requesting.
 - 3. The intended purpose of obtaining the information.
- (b) The request is reviewed by the Administrative Services Bureau Commander or the authorized designee and approved before the request is fulfilled.
- (c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

473.8 TRAINING

The Training Coordinator should ensure that members receive [department/office]-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Gonzales Police Department. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are requests from the public, construction zones or special events.

500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance (Vehicle Code § 41603). The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

Gonzales Police Department

Gonzales PD Policy Manual

Traffic Function and Responsibility

500.3.2 CITATIONS

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

500.3.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Vehicular manslaughter
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs
- (c) Felony or misdemeanor hit-and-run
- (d) Refusal to sign notice to appear
- (e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances

500.4 SUSPENDED OR REVOKED DRIVERS LICENSES

If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the officer. The officer shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The officer will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

Traffic Collision Reporting

502.1 PURPOSE AND SCOPE

The Gonzales Police Department prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

502.2 RESPONSIBILITY

The Traffic Coordinator will be responsible for distribution of the Collision Investigation Manual. The Traffic Coordinator will receive all changes in the state manual and ensure conformity with this policy.

502.3 TRAFFIC COLLISION REPORTING

All traffic collision reports taken by members of this Department shall be forwarded to the on-duty Sergeant for review/approval and forwarded to the Records Division for data entry into the Gonzales Police Department Records Management System. The Records Supervisor will be responsible for monthly and quarterly reports on traffic collision statistics to be forwarded to the Chief of Police, the Traffic Coordinator, supervisors, and other persons as required.

502.4 REPORTING SITUATIONS

502.4.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES

Traffic collision investigation reports shall be taken when a City-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a City vehicle, a Vehicle Damage Report shall be completed and forwarded to the Chief of Police through the chain of command. Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

502.4.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES

When an employee of this Department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the Gonzales Police Department resulting in a serious injury or fatality, the on-duty Sergeant may notify the California Highway Patrol for assistance.

The term serious injury is defined as any injury that may result in a fatality.

502.4.3 TRAFFIC COLLISIONS WITH OTHER CITY EMPLOYEES OR OFFICIALS

The on-duty Sergeant may request assistance from the California Highway Patrol for the investigation of any traffic collision involving any City official or employee where a serious injury or fatality has occurred.

Gonzales Police Department

Gonzales PD Policy Manual

Traffic Collision Reporting

502.4.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY

In compliance with the Collision Investigation Manual, traffic collision reports shall not be taken for traffic collisions occurring on private property unless there is a death or injury to any person involved, a hit-and-run violation, or Vehicle Code violation. An Incident Report may be taken at the discretion of any supervisor.

502.4.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS

Traffic collision reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:

- (a) When there is a death or injury to any persons involved in the collision; or
- (b) When there is an identifiable violation of the Vehicle Code.

Vehicle Towing and Release

510.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Gonzales Police Department. Nothing in this policy shall require the [Department/Office] to tow a vehicle.

510.2 STORAGE AND IMPOUNDS

When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

510.2.1 VEHICLE STORAGE REPORT

[Department/Office] members requesting towing, storage, or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator, and the original shall be submitted to the Records Bureau as soon as practicable after the vehicle is stored.

510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in County Communications.

If the owner is incapacitated, or for any reason it is necessary for the [Department/Office] to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the official towing garage for the City of Gonzales Police Department. The officer will then store the vehicle using a CHP Form 180.

510.2.3 STORAGE AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this [department/office] to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high-crime area).

Gonzales Police Department

Gonzales PD Policy Manual

Vehicle Towing and Release

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases, the owner shall be informed that the [Department/Office] will not be responsible for theft or damages.

510.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS

Whenever a driver is stopped at a sobriety checkpoint and the only violation is that the operator is driving without a valid driver's license, the officer shall make a reasonable attempt to identify the registered owner of the vehicle (Vehicle Code § 2814.2). The officer shall release the vehicle to the registered owner if the person is a licensed driver, or to another licensed driver authorized by the registered owner, provided the vehicle is claimed prior to the conclusion of the checkpoint operation.

If the vehicle is released at the checkpoint, the officer shall list on his/her copy of the notice to appear the name and driver's license number of the person to whom the vehicle is released.

When a vehicle cannot be released at the checkpoint, it shall be towed (Vehicle Code § 22651(p)). When a vehicle is removed at the checkpoint, it shall be released during the normal business hours of the storage facility to the registered owner or his/her agent upon presentation of a valid driver's license and current vehicle registration.

510.2.5 DRIVING A NON-CITY VEHICLE

Vehicles which have been towed by or at the direction of the [Department/Office] should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

510.2.6 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

Gonzales Police Department

Gonzales PD Policy Manual

Vehicle Towing and Release

510.2.7 RECORDS BUREAU RESPONSIBILITY

Records personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System and return the form to the Shift Sergeant for approval (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Bureau to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by mail as applicable and as provided in Vehicle Code § 22851.3(d), Vehicle Code § 22852(a), and Vehicle Code § 14602.6(a)(2). The notice shall include the following (Vehicle Code § 22852(b)):

- (a) The name, address, and telephone number of this [Department/Office]
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage
- (c) The authority and purpose for the removal of the vehicle
- (d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, in writing, or by telephone within 10 days of the date appearing on the notice

510.3 TOWING SERVICES

The City of Gonzales Police Department periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal of vehicles obstructing traffic in violation of state or local regulations.

510.4 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in police custody, to provide for the safety of officers, and to protect the [Department/Office] against fraudulent claims of lost, stolen, or damaged property.

Gonzales Police Department

Gonzales PD Policy Manual

Vehicle Towing and Release

510.5 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

510.6 RELEASE OF VEHICLE

The [Department/Office] will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

- (a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit, and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license, and applicable fees paid prior to the end of the 30-day impoundment period under any of the following circumstances:
 - 1. The vehicle was stolen.
 - 2. If the driver reinstates his/her driver's license or acquires a license and provides proof of proper insurance.
 - 3. Any other circumstance as set forth in Vehicle Code § 14602.6.
 - 4. When there is no remaining community caretaking need to continue impound of the vehicle or the continued impound would not otherwise comply with the Fourth Amendment.
- (d) An autonomous vehicle removed under authority of Vehicle Code § 22651(o)(1)(D) shall be released to the registered owner or person in control of the autonomous vehicle if the requirements of Vehicle Code § 22651(o)(3)(B) are met.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without

requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.

510.7 TOWING FOR EXPIRED REGISTRATION

Prior to a member removing a vehicle that is found to have expired registration for more than six months, the member shall verify that no current registration exists with the Department of Motor Vehicles (DMV). If current registration exists with the DMV, the vehicle shall not be removed (Vehicle Code § 22651(o)(1)(A)).

Vehicle Impound Hearings

512.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

512.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Gonzales Police Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code § 22650(a); Vehicle Code § 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

512.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(b)). The Traffic Coordinator will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code § 22851.3(e)(2); Vehicle Code § 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code § 14602.6(b); Vehicle Code § 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code § 14602.6(b) or 14602.8(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations

Gonzales Police Department

Gonzales PD Policy Manual

Vehicle Impound Hearings

where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.
 - 1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.
- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Bureau Commander. The hearing officer will recommend to the appropriate Bureau Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

Impaired Driving

514.1 PURPOSE AND SCOPE

This policy provides guidance to those [department/office] members who play a role in the detection and investigation of driving under the influence (DUI).

514.2 POLICY

The Gonzales Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

514.2.1 COLLECTING BLOOD EVIDENCE

Only a certified phlebotomy technician, licensed physician, nurse or other individual authorized by Vehicle Code § 23158(a) may withdraw a blood sample. Whether such evidence is collected at the Department or other location, the withdrawal of the blood sample shall be witnessed by the assigned officer.

When a person cannot submit to a blood test because he/she is a hemophiliac or is using an anticoagulant under the direction of a physician for a heart condition, he or she shall not be required to take a blood test (Vehicle Code § 23612(b) and (c)).

All blood samples shall be booked into evidence for later transfer to the crime laboratory for analysis.

514.2.2 COLLECTING BREATH AS EVIDENCE

If the arrested person chooses a breath test and it can be accomplished without undue delay, the arrested person shall first be transported to the jail for breath testing preparatory to booking. At the jail, an officer trained in the use of the alcohol breath machine will record the blood alcohol level by obtaining samples of the person's breath.

When the arrested person chooses a breath test the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

514.2.3 COLLECTING URINE AS EVIDENCE

If the arrested person chooses a urine test, as permitted by law, he/she shall be promptly transported to the jail. Urine evidence collection kits are maintained in the jail. The officer shall follow the directions listed on the instruction sheet accompanying the urine evidence collection kit. If the arrested person's urine is necessarily collected elsewhere, the procedure will remain the same.

Urine samples shall be collected and/or witnessed by an officer or matron of the same gender as the person giving the sample. The person tested shall be given such privacy in the taking of the urine specimen as will ensure the accuracy of the specimen and, at the same time, maintain the dignity of the individual involved (Vehicle Code § 23158(i)).

Gonzales Police Department

Gonzales PD Policy Manual

Impaired Driving

The urine evidence collection kit shall be marked with the arrestee's name, offense, department, case number and the name of the witnessing officer. The urine evidence collection kit shall then be placed in the evidence refrigerator to await transportation to the crime laboratory.

514.2.4 TESTING OF CONSCIOUS PERSON AT A HOSPITAL

Most blood, breath and urine tests will be administered at the jail. However, if a timely breath or urine test cannot be administered because the person is transported to a medical facility where such tests cannot be facilitated, the person shall be advised that a blood test will be the only choice available and a blood sample may be taken at the medical facility (Vehicle Code § 23612(a)(3)).

Based on probable cause, the officer should place the conscious person under arrest in the presence of a witnessing officer or medical personnel and advise the attending physician of the intention to collect a sample of the person's blood. Unless the attending physician objects for medical reasons a blood sample will be collected in the prescribed manner.

514.2.5 TESTING OF UNCONSCIOUS PERSON AT A HOSPITAL

When a person is suspected of driving under the influence of alcohol and/or drugs and the person is unconscious or in a condition rendering him or her incapable of refusal, that person is deemed not to have withdrawn his or her consent and a blood test may be ordered by the arresting officer. The officer shall advise the attending physician of the intention to collect a sample of the person's blood as evidence. If the physician does not object based on medical reasons, the blood will be collected in the prescribed manner.

A person who is dead is deemed not to have withdrawn his or her consent and a test or tests may be administered. In such cases the handling officer should coordinate with the Coroner's Office to ensure that a viable test will be obtained (Vehicle Code § 23612(a)(5)).

514.2.6 EXIGENT CIRCUMSTANCES DOCTRINE

Under the exigent circumstances doctrine, the level of influence of an intoxicant can be important evidence. Since it is not of a permanent nature, it will be lost if not seized immediately. The above sections will generally come within the guidelines of the exigent circumstances doctrine.

514.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Traffic Coordinator will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.

Gonzales Police Department

Gonzales PD Policy Manual

Impaired Driving

- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in California or another jurisdiction.

514.4 FIELD TESTS

The Traffic Coordinator should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

514.5 CHEMICAL TESTS

A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.
- (b) The person is under 21 years of age and is arrested by an officer having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by an officer having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

514.5.1 STATUTORY NOTIFICATIONS

Officers requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

514.5.2 PRELIMINARY ALCOHOL SCREENING

Officers may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The officer shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs,

Gonzales Police Department

Gonzales PD Policy Manual

Impaired Driving

or a combination of the two. Unless the person is under the age of 21, the person shall be advised that the PAS test is voluntary. The officer shall also advise the person that submitting to a PAS test does not satisfy the person's obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

514.5.3 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21

If an officer lawfully detains a person under 21 years of age who is driving a motor vehicle and the officer has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the officer shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the officer may request the person to submit to chemical testing of the person's blood, breath, or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the officer shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

514.5.4 CHOICE OF TESTS

Officers shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).

A person arrested for DUI has the choice of whether the test is of the person's blood or breath, and the officer shall advise the person that the person has that choice. If the person arrested either is incapable, or states that the person is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the officer may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

514.5.5 BREATH SAMPLES

The Traffic Coordinator should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Traffic Coordinator.

When the arrested person chooses a breath test, the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

Gonzales Police Department

Gonzales PD Policy Manual

Impaired Driving

The officer should also require the person to submit to a blood test if the officer has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the officer's belief shall be included in the officer's report (Vehicle Code § 23612(a)(2)(C)).

514.5.6 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if the arrestee chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because the arrestee has a bleeding disorder or has taken medication that inhibits coagulation, the arrestee shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

514.5.7 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain the arrestee's dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

514.6 REFUSALS

When an arrestee refuses to provide a viable chemical sample, officers should:

- (a) Advise the arrestee of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio- and/or video-record the admonishment when it is practicable.
- (c) Document the refusal in the appropriate report.

514.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

Gonzales Police Department

Gonzales PD Policy Manual

Impaired Driving

514.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (Penal Code § 1524).
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

514.6.3 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that the person will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of the person's duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the individual to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video if practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

514.7 ARREST AND INVESTIGATION

Gonzales Police Department

Gonzales PD Policy Manual

Impaired Driving

514.7.1 WARRANTLESS ARREST

In addition to the arrest authority granted to officers pursuant to Penal Code § 836, an officer may make a warrantless arrest of a person that the officer has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

- (a) The person is involved in a traffic crash.
- (b) The person is observed in or about a vehicle that is obstructing the roadway.
- (c) The person will not be apprehended unless immediately arrested.
- (d) The person may cause injury to themselves or damage property unless immediately arrested.

- (b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
- (c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

514.8 RECORDS BUREAU RESPONSIBILITIES

The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

514.9 ADMINISTRATIVE HEARINGS

The Records Supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any officer who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

514.10 TRAINING

The Training Coordinator should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training

Gonzales Police Department

Gonzales PD Policy Manual

Impaired Driving

Coordinator should confer with the prosecuting attorney's office and update training topics as needed.

Traffic Citations

516.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required.

516.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Records Supervisor.

516.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Records Supervisor. The Records Supervisor shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.

Gonzales Police Department

Gonzales PD Policy Manual

Traffic Citations

516.6 DISPOSITION OF TRAFFIC CITATIONS

516.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE

Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

516.7.1 APPEAL STAGES

Appeals may be pursued sequentially at three different levels:

- (a) Administrative reviews are conducted by a sergeant who will review written/ documentary data. Requests for administrative reviews are available at the front desk of the Gonzales Police Department. These requests are informal written statements outlining why the notice of parking violation should be dismissed.
- (b) If the appellant wishes to pursue the matter beyond Administrative the review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Independent referees review the existent administrative file, amendments, and/or testimonial material provided by the appellant and may conduct further investigation or follow-up on their own.
- (c) If the appellant wishes to pursue the matter beyond an administrative hearing, a Superior Court review may be presented in person by the appellant after an application for review and designated filing fees have been paid to The Superior Court of California.

516.7.2 TIME REQUIREMENTS

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

- (a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking (Violation Vehicle Code § 40215(a)).

516.8 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.

Disabled Vehicles

520.1 PURPOSE AND SCOPE

Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

520.2 OFFICER RESPONSIBILITY

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practical.

520.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

520.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

520.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

520.3.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

520.4 PUBLIC ACCESS TO THIS POLICY

This written policy is available upon request.

72-Hour Parking Violations

524.1 PURPOSE AND SCOPE

This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the Gonzales Police Department City Ordinance regulating 72-hour parking violations and abandoned vehicles under the authority of Vehicle Code § 22669.

524.2 MARKING VEHICLES

Vehicles suspected of being in violation of the City of Gonzales Police Department 72-Hour Parking Ordinance shall be marked and noted on the Gonzales Police Department Marked Vehicle Card. No case number is required at this time.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the Marked Vehicle Card. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed. This may be accomplished by personal contact, telephone or by leaving notice attached to the vehicle at least 24 hours prior to removal.

All Marked Vehicle Cards shall be submitted to the Traffic Bureau for computer data entry.

If a marked vehicle has been moved or the markings have been removed during a 72-hour investigation period, the vehicle shall be marked again for the 72-hour parking violation and a Marked Vehicle Card completed and forwarded to the Traffic Bureau.

Parking citations for the 72-hour parking ordinance shall not be issued when the vehicle is stored for the 72-hour parking violation.

524.2.1 MARKED VEHICLE FILE

The Traffic Bureau shall be responsible for maintaining a file for all Marked Vehicle Cards.

Parking control officers assigned to the Traffic Bureau shall be responsible for the follow up investigation of all 72-hour parking violations noted on the Marked Vehicle Cards.

524.2.2 VEHICLE STORAGE

Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report shall be completed by the officer authorizing the storage of the vehicle.

The storage report form shall be submitted to the Records Bureau immediately following the storage of the vehicle. It shall be the responsibility of the Records Bureau to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento (Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS)(Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Records Bureau to determine the names and addresses of any individuals

Gonzales Police Department

72-Hour Parking Violations

having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).

Administrative Per Se Law (APS)

526.1 PURPOSE AND SCOPE

This policy provides for the immediate suspension of California driver's licenses in certain Driving Under the Influence (DUI) cases and in Zero Tolerance incidents. Vehicle Code §§ 13382 (a) and (b), and 13388 (b) require that peace officers immediately suspend driving privileges in certain situations involving arrests for Vehicle Code §§ 23152 and 23153. This policy also describes the policy dealing with Zero Tolerance laws.

526.2 SUSPENSION OF CALIFORNIA DRIVER'S LICENSES

The driver's license of a person suspected of driving under the influence of alcohol, shall immediately be suspended under any of the following circumstances:

- (a) The arrestee refuses to submit to a chemical test
- (b) The arrestee fails to complete the selected test
- (c) The arrestee declines a breath test and demands a blood or urine test, and, the arresting officer has reasonable cause to believe that the arrestee's Blood Alcohol Content (BAC) will exceed the .08-percent level
- (d) The arrestee completes the breath tests which show a BAC of .08-percent or higher

526.2.1 ZERO TOLERANCE LAW

Vehicle Code §§ 23136 & 23140 were enacted to reduce alcohol related incidents by persons under the age of 21-years. A person under 21-years of age may have his or her license suspended under the following circumstances:

- (a) When suspected of consuming alcohol and refusing a PAS test
- (b) Who has a blood-alcohol level of .01-percent or greater

Zero Tolerance requires a Preliminary Alcohol Screening (PAS) device as the primary test. If the device is not available, one of the other chemical tests must be completed. Under Zero Tolerance, only the PAS device result is required. If, based on the PAS results, the driver's blood alcohol reading warrants arrest and further chemical testing, the Department of Motor Vehicles does not require completion of the chemical test section of the DS367m form. Once the PAS certification is complete, the Zero Tolerance requirement has been met.

526.3 PEACE OFFICER'S RESPONSIBILITY

In any of the above situations, the peace officer, acting on behalf of the Department of Motor Vehicles, shall do the following:

- (a) Confiscate any California driver's license(s) in the possession of the driver. If the subject has an Admin Per Se (APS) temporary license document, do not confiscate.

Gonzales Police Department

Gonzales PD Policy Manual

Administrative Per Se Law (APS)

- (b) Complete and serve the Administrative Per Se Order of Suspension (DMV form DS367, DS367m or DS367s - Officer's Statement and Order of Suspension), 4th page on the driver, regardless of license status.
- (c) The officer will inform the driver that the "Administrative Per Se Order of Suspension", form DS367, DS367m or DS367s' along with his/her violator's notice to appear (except Zero Tolerance) or other release from custody document, will serve as the driver's temporary license. If the driver's privilege to drive is suspended or revoked, the order will not be a valid temporary license. If the subject presents an Admin Per Se suspension order/temporary license, do not confiscate the order but do issue another order pursuant to the current DUI arrest.

526.4 DEPARTMENT OF MOTOR VEHICLES NOTIFICATION

The following specified items must be forwarded to the Department of Motor Vehicles within five regular business days:

- (a) Officer's Statement form DS367 or DS367m (Minor) or DS367s (Spanish)
- (b) Order of suspension (form DS367, DS367m or DS367s, pages 2 and 3)
- (c) Copy of the printout of the breath test (if taken)
- (d) Traffic collision report if applicable
- (e) The offender's driver's license

526.5 PROCESSING OF FORMS

In order to ensure that the Department of Motor Vehicles and Police Department forms are routed properly, the following responsibilities are identified:

526.5.1 SUPERVISORY APPROVAL

The on-duty Sergeant or the supervisor responsible for approving reports, shall collect the documents described in Policy Manual § 526.4, review for completeness (dates, times, signatures, etc.) and forward the originals of the documents to the Records Supervisor.

526.5.2 RECORDS SUPERVISOR RESPONSIBILITY

The Records Supervisor is responsible for the following:

- (a) Copies of documents required by DMV are to be made for the department files and the originals are then to be forwarded to the Department of Motor Vehicles;
- (b) Providing a copy of DMV form DS367, DS367m or DS367s to the Records Bureau
- (c) One copy of the Forensic Alcohol Examination Report shall be attached to the second copy of form DS367, which shall then be filed by the Records Bureau
- (d) The Traffic Coordinator is also responsible for keeping and updating a case log on all persons arrested for drunk driving. Information on that log shall include:

Gonzales Police Department

Gonzales PD Policy Manual

Administrative Per Se Law (APS)

1. Case number
2. Arrested driver's name
3. The date the forms were received by the Traffic Coordinator
4. The date the forms were returned to the officer for corrections if applicable
5. The date form DS367 was mailed to the DMV
6. Which test the arrested driver chose

If the Department of Motor Vehicles should return form DS367, DS367m or DS367s for corrections, the Records Supervisor must notify the officer who made the arrest of the needed corrections. The officer shall make the corrections by lining out the incorrect information with a single line and initialing above the corrected area, including the date the correction was made. White out and strikeouts are not acceptable forms of correction. The form(s) shall then be returned to the Records Supervisor to be returned to the Department of Motor Vehicles.

526.5.3 EVIDENCE OFFICER RESPONSIBILITY

It is the responsibility of the Evidence Officer to promptly deliver physiological specimens to the designated crime lab as soon as possible after receipt to ensure that the above time requirements are met.

Chapter 6 - Investigation Operations

Investigation and Prosecution

600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.2 MODIFICATION OF CHARGES FILED

Employees are not authorized to recommend to the District Attorney, City Attorney, or to any other official of the court that charges on a pending case be altered or the case dismissed. In all cases resulting in court prosecution, any request to modify the charges filed or to recommend dismissal of charges in a pending case shall be made to the District Attorney's Office or City Attorney's Office only as authorized by the Chief of Police.

600.3 POTENTIALLY EXCULPATORY EVIDENCE OR FACTS

Officers must include in their reports adequate reference to all material evidence and facts which are reasonably believed to be exculpatory to any individual in the case. If an officer learns of potentially exculpatory information anytime after submission of the case, the officer must notify the prosecutor as soon as practicable.

Evidence or facts are considered material if there is a reasonable probability that they may impact the result of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the department case file.

600.4 PHOTOGRAPHIC IDENTIFICATION OF SUSPECTS

When practicable, the employee composing and the employee presenting the photo lineup should not be directly involved in the investigation of the case. When this is not possible, the employee presenting the lineup must take the utmost care not to communicate the identity of the suspect in any way.

The following precautions should be taken by any employee presenting a photographic lineup:

- (a) The person of interest or suspect in the photo lineup should not stand out from the other persons depicted in the photos.
- (b) At no time prior to, during or after the presentation of a photographic lineup should it be suggested to a witness that any person depicted in the lineup is a suspect or was in any way connected to the offense.
- (c) The employee presenting the photographs to a witness should not know which photograph depicts the suspect.

Gonzales Police Department

Gonzales PD Policy Manual

Investigation and Prosecution

- (d) The employee presenting the photographs to a witness should do so sequentially (i.e., showing the witness one photograph at a time) and not simultaneously. The witness should view all photographs in the lineup.
- (e) The position of the suspect's photo and filler photos should be placed in a different random order for each witness.
- (f) In order to avoid undue influence, witnesses viewing a photographic lineup should do so individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the photographic lineup with other witnesses.
- (g) An admonishment should be given to each witness that the suspect's photograph may or may not be among those in the lineup and that the witness is not required to make an identification.

The procedure employed and the results of any photographic lineup should be documented in the case report. A copy of the photographic lineup presented to the witness should be included in the case report. Witness comments of how certain he/she is of the identification or non-identification should be quoted in the appropriate report.

600.4.1 PHOTO IDENTIFICATION FORM

The Investigation supervisor shall be responsible for the development and maintenance of a photographic lineup identification form consistent with this policy.

The form, at minimum, shall contain the following:

- The date, time and location of the lineup procedure
- The name and identifying information of the witness
- The name of the investigator administering the lineup procedure
- The names of all of the individuals present during the lineup
- An admonishment that the suspect's photograph may or may not be among those in the lineup and that the witness is not required to make an identification
- A signature line where the witness acknowledges that he/she understands the lineup procedures and instructions

The photo identification form should be reviewed at least annually and modified when necessary.

600.5 POLICY

It is the policy of the Gonzales Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.6 INITIAL INVESTIGATION

Gonzales Police Department

Gonzales PD Policy Manual

Investigation and Prosecution

600.6.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
 - 1. An initial statement from any witnesses or complainants.
 - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the officer shall:
 - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
 - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
 - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Shift Sergeant.
 - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
 - 5. Collect any evidence.
 - 6. Take any appropriate law enforcement action.
 - 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

600.6.2 CIVILIAN MEMBER RESPONSIBILITIES

A civilian member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

600.7 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.7.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Gonzales Police Department

Gonzales PD Policy Manual

Investigation and Prosecution

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigating Officer supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.7.2 MANDATORY RECORDING OF ADULTS

Any custodial interrogation of an adult who is suspected of having committed any murder shall be recorded in its entirety. The recording should be video with audio if reasonably feasible (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The suspect refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

The [Department/Office] shall maintain an original or an exact copy of the recording until a conviction relating to the interrogation is final and all appeals are exhausted or prosecution is barred by law (Penal Code § 859.5).

Gonzales Police Department

Gonzales PD Policy Manual

Investigation and Prosecution

600.8 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
 - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
 - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted, or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted, or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse, Sexual Assault Investigations, and Senior and Disability Victimization policies may also require an arrest or submittal of a case to a prosecutor.

600.9 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

600.10 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights, and civil liberties. Information gathered via the internet should only be accessed by members while on-duty and for purposes related to the mission of this [department/office]. If a member encounters information relevant to a criminal investigation while off-duty or while using the member's own equipment, the member should note the dates, times, and locations of the information and report the discovery to the member's supervisor as soon as practicable. The member, or others who

Gonzales Police Department

Gonzales PD Policy Manual

Investigation and Prosecution

have been assigned to do so, should attempt to replicate the finding when on-duty and using [department/office] equipment.

Information obtained via the internet should not be archived or stored in any manner other than [department/office]-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.10.1 ACCESS RESTRICTIONS

Information that can be accessed from any [department/office] computer, without the need of an account, password, email address, alias, or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any internet source should be evaluated for its validity, authenticity, accuracy, and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.10.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

600.11 CELLULAR COMMUNICATIONS INTERCEPTION TECHNOLOGY

The Investigation Bureau Commander is responsible for ensuring the following for cellular communications interception technology operations (Government Code § 53166):

- (a) Security procedures are developed to protect information gathered through the use of the technology.
- (b) A usage and privacy policy is developed that includes:
 - 1. The purposes for which using cellular communications interception technology and collecting information is authorized.

Gonzales Police Department

Gonzales PD Policy Manual

Investigation and Prosecution

2. Identification by job title or other designation of employees who are authorized to use or access information collected through the use of cellular communications interception technology.
3. Training requirements necessary for those authorized employees.
4. A description of how the [Department/Office] will monitor the use of its cellular communications interception technology to ensure the accuracy of the information collected and compliance with all applicable laws.
5. Process and time period system audits.
6. Identification of the existence of any memorandum of understanding or other agreement with any other local agency or other party for the shared use of cellular communications interception technology or the sharing of information collected through its use, including the identity of signatory parties.
7. The purpose of, process for and restrictions on the sharing of information gathered through the use of cellular communications interception technology with other local agencies and persons.
8. The length of time information gathered through the use of cellular communications interception technology will be retained, and the process the local agency will utilize to determine if and when to destroy retained information.

Members shall only use approved devices and usage shall be in compliance with [department/office] security procedures, the [department/office]'s usage and privacy procedures and all applicable laws.

600.12 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Bureau Commander or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

600.13 USE OF CERTAIN DNA SAMPLES

Known samples of DNA collected from a victim of a crime or alleged crime, and known reference samples of DNA from any individual that were voluntarily provided for the purpose of exclusion are to be used only for the purpose directly related to the incident being investigated and in compliance with the procedures identified in Penal Code § 679.12.

600.14 ANTI-REPRODUCTIVE RIGHTS CRIMES

A member should take a report any time a person living within the jurisdiction of the Gonzales Police Department reports that the person has been a victim of an anti-reproductive rights crime as defined by Penal Code § 13776 and Penal Code § 423.3. This includes:

- (a) Taking a report, even if the location of the crime is outside the jurisdiction of this [department/office] or has not been determined (e.g., online harassment).

Gonzales Police Department

Gonzales PD Policy Manual

Investigation and Prosecution

- (b) Providing the victim with the appropriate information, as set forth in the Victim and Witness Assistance Policy. Members should encourage the person to review the material and should assist with any questions.

A report should also be taken if a person living outside [department/office] jurisdiction reports an anti-reproductive rights crime that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in the [city/county] to facilitate the crime).

A member investigating an anti-reproductive rights crime should ensure that the case is referred to the appropriate agency if it is determined that this [department/office] should not be the investigating agency. The victim should be advised that the case is being transferred to the agency of jurisdiction. The appropriate entries should be made into any databases that have been authorized for [department/office] use and are specific to this type of investigation.

The Investigating Officer supervisor should provide the Records Supervisor with enough information regarding the number of calls for assistance and number of arrests to meet the reporting requirements to the California Department of Justice as required by Penal Code § 13777. See the Records Bureau Policy for additional guidance.

600.15 STATE REQUIREMENTS FOR FIREARM INVESTIGATIONS

600.15.1 CALIFORNIA DOJ NOTICE OF LOCATION OF REPORTED LOST OR STOLEN FIREARM

When notification is received from the California Department of Justice (DOJ) that a firearm purchase matches an entry made into the Automated Firearms System by the [Department/Office] as lost or stolen, the Investigating Officer supervisor shall assign an officer to retrieve the firearm and book the firearm into evidence in accordance with the Property and Evidence Policy. Recovery of the firearm shall be reported pursuant to Penal Code § 11108.2, Penal Code § 11108.3, and Penal Code § 11108.5. If appropriate, arrangements may be made to have another state or local law enforcement agency retrieve the firearm on behalf of the [Department/Office] (Penal Code § 28220).

600.15.2 RELINQUISHMENT OF FIREARMS VERIFICATION

The Investigating Officer supervisor shall designate a member to have access to the Armed Prohibited Persons System (APPS) to receive information regarding individuals in the jurisdiction of the [Department/Office] who have become a prohibited possessor of a firearm registered in their name and have not provided proof of relinquishment. The member shall document steps taken to verify that the individual is no longer in possession of firearms and provide the information to the Records Bureau for preparation of a quarterly report to the California DOJ (Penal Code § 29813) (see the Records Bureau Policy for additional guidance).

Sexual Assault Investigations

602.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Senior and Disability Victimization policies.

602.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include but not limited to offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

602.2 POLICY

It is the policy of the Gonzales Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

602.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

Gonzales Police Department

Gonzales PD Policy Manual

Sexual Assault Investigations

602.4 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

602.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigating Officer supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

602.6 TRAINING

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
 - 1. Initial response to sexual assaults.
 - 2. Legal issues.
 - 3. Victim advocacy.
 - 4. Victim's response to trauma.
 - 5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
 - 1. Interviewing sexual assault victims.
 - 2. SART.

 - 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
 - 6. Techniques for communicating with victims to minimize trauma.

602.7 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to County Communications, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic

examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

602.7.1 VICTIM RIGHTS

Whenever there is an alleged sexual assault, the assigned officer shall accomplish the following:

- (a) Prior to the commencement of the initial interview, advise the victim in writing of the right to have a victim advocate and a support person of the victim's choosing present at any interview or contact by law enforcement, about any other rights of a sexual assault victim pursuant to the sexual assault victim card described in Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).

602.7.2 VICTIM CONFIDENTIALITY

Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this [department/office] shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

No opinions of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (42 USC § 3796gg-8; Penal Code § 637.4).

1. Prior to any such examination the assigned officer shall ensure that the victim has been properly informed of his/her right to have a sexual assault victim counselor and at least one other support person present (Penal Code § 264.2(b)(2)).
2. A support person may be excluded from the examination by the officer or the medical provider if his/her presence would be detrimental to the purpose of the examination (Penal Code § 264.2(b)(4)).

602.8.3 VICTIM CONFIDENTIALITY

Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this [department/office] shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

602.8.4 VICTIM CONFIDENTIALITY

Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this [department/office] shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

602.9 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Gonzales Police Department

Gonzales PD Policy Manual

Sexual Assault Investigations

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately (Penal Code § 680).

602.9.1 COLLECTION AND TESTING REQUIREMENTS

Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). SAFE kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned officer shall ensure that an information profile for the SAFE kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

If the assigned officer determines that a SAFE kit submitted to a private vendor laboratory for analysis has not been tested within 120 days after submission, the officer shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned officer shall continue to update the status every 120 days thereafter until the testing is complete, the statute of limitations has run, or the SAFE kit is exempt from the update requirement (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned officer shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

602.9.2 COLLECTION AND TESTING REQUIREMENTS

Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). Generally, rape kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned officer should further ensure that the results of any such test have been timely entered into and checked against both the Department of Justice Cal-DNA database and the Combined DNA Index System (CODIS).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned officer

Gonzales Police Department

Gonzales PD Policy Manual

Sexual Assault Investigations

shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18 month period (Penal Code § 680(d)).

602.9.3 DNA TEST RESULTS

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. Absent a written request, no member of this [department/office] is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Sexual assault victims shall further have the following rights (Penal Code § 680):
 - 1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.
 - 2. To be informed if there is a confirmed match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.
 - 3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank or the federal Department of Justice or Federal Bureau of Investigation CODIS database of case evidence.
 - 4. To access the DOJ SAFE-T database portal consistent with Penal Code § 680.3(e) for information involving their own forensic kit and the status of the kit.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned officer informed with regard to current address, telephone number, and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. No officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

602.9.4 DNA TEST RESULTS

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance policy.

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, members investigating sexual assault cases may inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. Absent a written request, no member of this [department/office] is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Subject to the commitment of sufficient resources to respond to requests for information, sexual assault victims shall further have the following rights (Penal Code § 680):
 - 1. To be informed if a DNA profile of the assailant was obtained from the testing of the rape kit or other crime scene evidence from their case.
 - 2. To be informed if there is a match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the Department of Justice Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.
 - 3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the Department of Justice Databank of case evidence.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned officer informed with regard to current address, telephone number and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. No officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

602.9.5 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT

The Property and Evidence Bureau supervisor should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when

Gonzales Police Department

appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).

602.9.6 COLLECTION OF DNA REFERENCE SAMPLES

Reference samples of DNA collected directly from a victim of sexual assault, and reference samples of DNA collected from any individual that were voluntarily provided for the purpose of exclusion, shall be protected as provided in Penal Code § 679.12 (Penal Code § 680).

602.10 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

602.11 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigating Officer supervisor.

Classification of a sexual assault case as unfounded requires the Investigating Officer supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

Asset Forfeiture

606.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

606.1.1 DEFINITIONS

Definitions related to this policy include:

Fiscal agent - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Gonzales Police Department seizes property for forfeiture or when the Gonzales Police Department is acting as the fiscal agent pursuant to a multi-agency agreement.

Forfeiture - The process by which legal ownership of an asset is transferred to a government or other authority.

Forfeiture reviewer - The department member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and for acting as the liaison between the Department and the assigned attorney.

Property subject to forfeiture - The following may be subject to forfeiture:

- (a) Property related to a narcotics offense, which includes (Heath and Safety Code § 11470; Health and Safety Code § 11470.1):
 - 1. Property (not including real property or vehicles) used, or intended for use, as a container for controlled substances, materials to manufacture controlled substances, etc.
 - 2. Interest in a vehicle (car, boat, airplane, other vehicle) used to facilitate the manufacture, possession for sale or sale of specified quantities of controlled substances.
 - 3. Money, negotiable instruments, securities or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance, proceeds traceable to an exchange, etc.
 - 4. Real property when the owner is convicted of violating Health and Safety Code § 11366, Health and Safety Code § 11366.5 or Health and Safety Code § 11366.6 (drug houses) when the property was not used as a family residence or for other lawful purposes, or property owned by two or more persons, one of whom had no knowledge of its unlawful use.
 - 5. The expenses of seizing, eradicating, destroying or taking remedial action with respect to any controlled substance or its precursors upon conviction for the unlawful manufacture or cultivation of any controlled substance or its precursors.

Gonzales Police Department

Gonzales PD Policy Manual

Asset Forfeiture

- (b) Property related to criminal profiteering (may include gang crimes), to include (Penal Code § 186.2; Penal Code § 186.3):
 - 1. Any property interest, whether tangible or intangible, acquired through a pattern of criminal profiteering activity.
 - 2. All proceeds acquired through a pattern of criminal profiteering activity, including all things of value that may have been received in exchange for the proceeds immediately derived from the pattern of criminal profiteering activity.

Seizure - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

606.2 POLICY

The Gonzales Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Gonzales Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

606.3 ASSET SEIZURE

Property may be seized for forfeiture as provided in this policy.

606.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property subject to forfeiture authorized for seizure under the authority of a search warrant or court order.
- (b) Property subject to forfeiture not authorized for seizure under the authority of a search warrant or court order when any of the following apply (Health and Safety Code § 11471; Health and Safety Code § 11488):
 - 1. The property subject to forfeiture is legally seized incident to an arrest.
 - 2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing officer can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

Officers aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6).

Gonzales Police Department

Gonzales PD Policy Manual

Asset Forfeiture

Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

606.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds should not be seized.
- (b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).
- (c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect's immediate family (Health and Safety Code § 11470).
- (d) Vehicles, boats or airplanes owned by an "innocent owner," such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).
- (e) Any property when the associated activity involves the possession of marijuana or related paraphernalia that is permissible under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1).

606.3.3 SEIZED VEHICLES

Vehicles seized subject to forfeiture will be taken to a designated secure storage facility. A seized vehicle should not be impounded. The officer seizing the vehicle shall notify a supervisor of the seizure of the vehicle and circumstances of the seizure as soon as possible.

If the vehicle cannot be driven, a tow truck will be used to tow the vehicle to the storage facility.

Personal property located in a seized vehicle shall be removed and booked into Property as either evidence or for safekeeping.

606.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

- (a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.

Gonzales Police Department

Gonzales PD Policy Manual

Asset Forfeiture

- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

606.5 MAINTAINING SEIZED PROPERTY

The Property and Evidence Bureau Supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.
- (b) All property received for forfeiture is checked to determine if the property has been stolen.
- (c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.
- (d) Property received for forfeiture is not used unless the forfeiture action has been completed.

606.6 FORFEITURE REVIEWER

The Chief of Police will appoint an officer as the forfeiture reviewer. Prior to assuming duties, or as soon as practicable thereafter, the forfeiture reviewer should attend a department-approved course on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

- (a) Remaining familiar with forfeiture laws, particularly Health and Safety Code § 11469 et seq. and Penal Code § 186.2 et seq. and the forfeiture policies of the forfeiture counsel.
- (b) Serving as the liaison between the Department and the forfeiture counsel and ensuring prompt legal review of all seizures.

- (f) Ensuring that seizure forms are available and appropriate for department use. These should include notice forms, a receipt form and a checklist that provides relevant guidance to officers. The forms should be available in languages appropriate for the region and should contain spaces for:
 - 1. Names and contact information for all relevant persons and law enforcement officers involved.
 - 2. Information as to how ownership or other property interests may have been determined (e.g., verbal claims of ownership, titles, public records).
 - 3. A space for the signature of the person from whom cash or property is being seized.
 - 4. A tear-off portion or copy, which should be given to the person from whom cash or property is being seized, that includes the legal authority for the seizure, information regarding the process to contest the seizure and a detailed description of the items seized.
- (g) Ensuring that officers who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Department Directives. The training should cover this policy and address any relevant statutory changes and court decisions.
- (h) Reviewing each asset forfeiture case to ensure that:
 - 1. Written documentation of the seizure and the items seized is in the case file.
 - 2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.
 - 3. Notice of seizure has been given in a timely manner to those who hold an interest in the seized property (Health and Safety Code § 11488.4).
 - 4. Property is promptly released to those entitled to its return (Health and Safety Code § 11488.2).

 9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.

 - (j) Ensuring that the process of selling or adding forfeited property to the department's regular inventory is in accordance with all applicable laws and consistent with the department's use and disposition of similar property.
 - (k) Keeping a manual that details the statutory grounds for forfeitures and department procedures related to asset forfeiture, including procedures for prompt notice to interest holders, the expeditious release of seized property, where appropriate, and the prompt resolution of claims of innocent ownership (Heath and Safety Code § 11469).
 - (l) Providing copies of seized business records to the person or business from whom such records were seized, when requested (Heath and Safety Code §11471).
 - (m) Notifying the California Franchise Tax Board when there is reasonable cause to believe that the value of seized property exceeds \$5,000.00 (Health and Safety Code § 11471.5).

Forfeiture proceeds should be maintained in a separate fund or account subject to appropriate accounting control, with regular reviews or audits of all deposits and expenditures.

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and City financial directives (Health and Safety Code § 11495).

606.7 DISPOSITION OF FORFEITED PROPERTY

Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer's employment or salary depend upon the level of seizures or forfeitures he/she achieves (Heath and Safety Code § 11469).

The Department may request a court order so that certain uncontaminated science equipment is relinquished to a school or school district for science classroom education in lieu of destruction (Health and Safety Code § 11473; Health and Safety Code § 11473.5).

606.7.1 RECEIVING EQUITABLE SHARES

When participating in a joint investigation with a federal agency, the Gonzales Police Department shall not receive an equitable share from the federal agency of all or a portion of the forfeiture proceeds absent either a required conviction under Health and Safety Code § 11471.2 or the

If investigation reveals that any person, other than the registered owner, is the legal owner, and that ownership did not arise subsequent to the date and time of arrest or notification of the forfeiture proceedings or seizure of the vehicle, boat or airplane, notice shall be made to the legal owner at his/her address appearing on the records of the Department of Motor Vehicles or the appropriate federal agency (Health and Safety Code § 11488.4).

All informants are required to sign and abide by the provisions of the designated [department/office] informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

608.6 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Bureau Commander, Narcotics Unit supervisor or their authorized designees.
 - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.

Gonzales Police Department

Gonzales PD Policy Manual

Informants

- (c) Informants shall be told they are not acting as police officers, employees or agents of the Gonzales Police Department, and that they shall not represent themselves as such.
- (d) The relationship between [department/office] members and informants shall always be ethical and professional.
 - 1. Members shall not become intimately involved with an informant.
 - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Narcotics Unit supervisor.
 - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Narcotics Unit supervisor.
 - 1. Officers may meet informants alone in an occupied public place, such as a restaurant.
- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when [department/office] funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

608.6.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the [Department/Office] and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this [department/office] to further criminal objectives.

Gonzales Police Department

Gonzales PD Policy Manual

Informants

- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

608.7 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of [department/office] members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Narcotics Unit. The Narcotics Unit supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Bureau Commander, Narcotics Unit supervisor or their authorized designees.

The Investigation Bureau Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Narcotics Unit supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

608.7.1 FILE SYSTEM PROCEDURE

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

608.8 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Narcotics Unit supervisor will discuss the above factors with the Operations Bureau Commander and recommend the type and level of payment subject to approval by the Chief of Police.

608.8.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from a Narcotics Unit buy/expense fund.
 1. The Narcotics Unit supervisor shall sign the voucher for cash payouts from the buy/expense fund.

2. The cash transfer form shall be signed by the informant.
3. The cash transfer form will be kept in the informant's file.

608.8.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

608.8.3 AUDIT OF PAYMENTS

The Narcotics Unit supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Chief of Police or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

Unmanned Aerial System

609.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

609.1.1 DEFINITIONS

Definitions related to this policy include:

Unmanned aerial system (UAS) - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording or any other means.

609.2 POLICY

Unmanned aerial systems may be utilized to enhance the [department/office]'s mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

609.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

609.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for [department/office] operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and [department/office]-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocol for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

Gonzales Police Department

Gonzales PD Policy Manual

Unmanned Aerial System

- Coordinating the completion of the FAA Emergency Operation Request Form in emergency situations, as applicable (e.g., natural disasters, search and rescue, emergency situations to safeguard human life).
- Developing protocol for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing an operational protocol governing the deployment and operation of a UAS including but not limited to safety oversight, use of visual observers, establishment of lost link procedures, and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates, and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.
- Maintaining familiarity with FAA regulatory standards, state laws and regulations, and local ordinances regarding the operations of a UAS.

609.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted consistent with FAA regulations.

609.6 PROHIBITED USE

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.

Gonzales Police Department

Gonzales PD Policy Manual

Unmanned Aerial System

- To target a person based solely on actual or perceived characteristics, such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.
- To harass, intimidate, or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized.

609.7 RETENTION OF UAS DATA

Data collected by the UAS shall be retained as provided in the established records retention schedule.

Warrant Service

610.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this [department/office]. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

610.2 POLICY

It is the policy of the Gonzales Police Department to balance the safety needs of the public, the safety of [department/office] members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

610.3 OPERATIONS DIRECTOR

The operations director (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service.

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

610.4 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

610.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the operations director. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

Gonzales Police Department

Gonzales PD Policy Manual

Warrant Service

610.6 WARRANT PREPARATION

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime or no-knock warrant execution.
- (b) A clear explanation of the affiant's training, experience, and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

610.7 HIGH-RISK WARRANT SERVICE

The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.

Gonzales Police Department

Gonzales PD Policy Manual

Warrant Service

- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

610.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

610.9 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

610.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including

Gonzales Police Department

Gonzales PD Policy Manual

Warrant Service

the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Gonzales Police Department are utilized appropriately. Any concerns regarding the requested use of Gonzales Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Shift Sergeant should assume this role.

If officers intend to serve a warrant outside Gonzales Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Gonzales Police Department when assisting outside agencies or serving a warrant outside Gonzales Police Department jurisdiction.

610.11 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

610.12 TRAINING

The Training Coordinator should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

610.13 NO-KNOCK ENTRIES

No-knock entries are only authorized if a no-knock warrant has been obtained or if exigent circumstances arise at the scene such that knocking and announcing the officer's presence would create an imminent threat of physical violence to the officer or another person.

610.14 DOCUMENTATION

Documentation related to the service of a warrant shall be maintained in accordance with the established records retention schedule.

Operations Planning and Deconfliction

611.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

611.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

611.2 POLICY

It is the policy of the Gonzales Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

611.3 OPERATIONS DIRECTOR

The Chief of Police will designate a member of this [department/office] to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

611.4 RISK ASSESSMENT

611.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes, but is not limited to:

Gonzales Police Department

Gonzales PD Policy Manual

Operations Planning and Deconfliction

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

611.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

611.4.3 HIGH-RISK OPERATIONS

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
 - 1. ([CRU])
 - 2. Additional personnel
 - 3. Outside agency assistance
 - 4. Special equipment
 - 5. Medical personnel
 - 6. Persons trained in negotiation

 9. Property and Evidence Bureau or analytical personnel to assist with cataloguing seizures
 10. Forensic specialists
 11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate [department/office] members or other agencies as warranted to begin preparation.
 - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
 - (d) Coordinate the actual operation.

611.5 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

611.6 OPERATIONS PLAN

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives, and strategies.
- (b) Operation location and people:
 1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

- availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams and other visual aids
- 3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service)
- 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties, and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
 - 1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
 - 1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
 - 2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups, and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals, and other people who might be at the location in accordance with the Child Abuse, Senior and Disability Victimization, Child and Dependent Adult Safety, and Animal Control policies.
- (k) Communications plan.
- (l) Responsibilities for writing, collecting, reviewing, and approving reports.

611.6.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

611.7 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

Gonzales Police Department

Gonzales PD Policy Manual

Operations Planning and Deconfliction

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
 - 1. Exceptions may be made by the operations director for officers who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the operations director to ensure that County Communications is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by County Communications, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
 - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

611.8 [CRU] PARTICIPATION

If the operations director determines that [CRU] participation is appropriate, the director and the [CRU] supervisor shall work together to develop a written plan. The [CRU] supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the [CRU] supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

611.9 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

611.10 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any [CRU] debriefing.

611.11 TRAINING

The Training Coordinator should ensure officers and [CRU] team members who participate in operations subject to this policy should receive periodic training including, but not limited to,

Gonzales Police Department

Gonzales PD Policy Manual

Operations Planning and Deconfliction

topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

Eyewitness Identification

This policy sets forth guidelines to be used when members of this [department/office] employ eyewitness identification techniques (Penal Code § 859.7).

612.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

612.2 POLICY

The Gonzales Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

612.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

612.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigating Officer supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Gonzales Police Department

Gonzales PD Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

612.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

The eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures. When it is not feasible to make a recording with both audio and visual representations, an audio recording should be made (Penal Code § 859.7).

612.6 DOCUMENTATION

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

Gonzales Police Department

Gonzales PD Policy Manual

Eyewitness Identification

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

612.6.1 DOCUMENTATION RELATED TO RECORDINGS

The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

612.6.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION

If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

612.7 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

612.7.1 OTHER SAFEGUARDS

Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that may validate or invalidate an eyewitness' identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

612.8 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be

Gonzales Police Department

Gonzales PD Policy Manual

Eyewitness Identification

used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

Brady Material Disclosure

613.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

613.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information -Information known or possessed by the Gonzales Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

613.2 POLICY

The Gonzales Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Gonzales Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The [Department/Office] will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

613.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the [Department/Office] case file.

Gonzales Police Department

Gonzales PD Policy Manual

Brady Material Disclosure

613.4 DISCLOSURE OF PERSONNEL INFORMATION

Whenever it is determined that *Brady* information is located in the personnel file of a member of this [department/office] who is a material witness in a criminal case, the following procedure shall apply:

- (a) In the event that a *Pitchess* motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of *Brady* information in the officer's personnel file.
- (b) The prosecuting attorney should then be requested to file a *Pitchess* motion in order to initiate an in-camera review by the court.
- (c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.
- (d) The Custodian of Records shall accompany all relevant files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (e) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
 - 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

613.5 INVESTIGATING BRADY ISSUES

If the [Department/Office] receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

613.6 TRAINING

[Department/Office] members should receive periodic training on the requirements of this policy.

Forensic Genetic Genealogy

614.1 PURPOSE AND SCOPE

This policy provides guidance for the use of forensic genetic genealogy (FGG) to generate investigative leads.

614.1.1 DEFINITIONS

Definitions related to this policy include:

Combined DNA Index System (CODIS) - An FBI computer software program that operates deoxyribonucleic acid (DNA) profile databases for law enforcement use.

DNA typing laboratory - A laboratory that analyzes biological samples, including extracted DNA, in order to provide various DNA profile types. State or local crime labs are generally not equipped to provide single nucleotide polymorphism (SNP) DNA profiles; therefore, the use of private DNA typing laboratories is often necessary for FGG.

Extracted DNA - The DNA isolated from a biological sample remaining after previous DNA testing has been completed.

Forensic genetic genealogy (FGG) - The process of obtaining a SNP DNA profile from a biological sample collected during an investigation; uploading the profile to a genetic genealogy site for comparison to the consumer profiles in the site's database to identify genetic relatives; and using the identified genetic relationships, as well as traditional genealogy research, to generate investigative leads.

Genetic genealogist - A genealogist who uses DNA testing with traditional genealogical research methods to assist law enforcement or private clients in identifying biological relatives of an individual.

Genetic genealogy site - A database of DNA profiles voluntarily submitted by public consumers for the purpose of identifying genetic relatives. The availability of genetic genealogy sites for law enforcement use varies depending on their terms of service.

Short tandem repeat (STR) DNA profile - The results of DNA typing in a format that can be processed through CODIS and state DNA databases. This is the type of DNA used in conventional non-FGG law enforcement investigations.

Single nucleotide polymorphism (SNP) DNA profile - The results of DNA typing in a format that enables an unknown DNA sample to be compared to the DNA profiles maintained by a genetic genealogy site. This is the DNA type used in FGG.

614.2 POLICY

The Gonzales Police Department's use of FGG will be in coordination with prosecutors, the [Medical Examiner/JOP], and other appropriate resources only in qualifying cases after reasonable conventional investigative methods have been pursued. Members will take reasonable

Gonzales Police Department

Gonzales PD Policy Manual

Forensic Genetic Genealogy

steps to maintain the integrity of the FGG process and safeguard the privacy rights of individuals whose DNA profiles are analyzed.

614.3 CRITERIA FOR FGG USE

Before using FGG, the lead investigator should coordinate with the supervisor to determine whether the case meets the following requirements:

- (a) Biological evidence collected as part of the underlying investigation (or extracted DNA from the biological evidence) is available for additional testing and is reasonably believed to be attributable to:
 - 1. The perpetrator of an unsolved violent felony.
 - 2. The unidentified human remains of a suspected homicide victim.
- (b) All reasonable conventional investigative methods have been utilized and all reasonable investigative leads have been pursued (e.g., relevant case information entered in the National Missing and Unidentified Persons System (NamUs) and the Violent Criminal Apprehension Program (ViCAP) national database).
- (c) An STR DNA profile has been developed from the biological evidence collected in the case and, absent unusual circumstances, has been uploaded to CODIS and any applicable state DNA database for comparison with negative results.

614.4 COORDINATION

Once a preliminary determination has been made that a case may qualify for the use of FGG, the lead investigating member should consult with the appropriate prosecutor to address current and prospective legal issues and determine if a search warrant is required.

In the case of unidentified human remains, the lead investigator should also consult with the [Medical Examiner/JOP].

614.5 SUBMISSION OF SAMPLE

The biological evidence or extracted DNA should be submitted to a DNA typing laboratory approved by the [Department/Office] in order to obtain a SNP DNA profile.

Once a SNP DNA profile has been obtained from the biological evidence or extracted DNA, the lead investigating member should arrange for it to be compared to the SNP DNA profiles contained in one or more genetic genealogy sites to identify possible genetic relatives. The lead investigator should work with a qualified genetic genealogist as needed during this process.

When submitting a SNP DNA profile for comparison, the lead investigator or the authorized designee (e.g., assigned genetic genealogist) shall notify the genetic genealogy site that the request for comparison is from a law enforcement agency and confirm that the site's terms of service permit FGG for the type of case being investigated. The use of the SNP DNA profile and any subsequent comparison shall be limited to the original underlying investigation.

If at any time during the FGG process the case no longer meets the criteria for FGG use, the lead investigator should promptly notify the DNA typing laboratory, genetic genealogy site, and/or

Gonzales Police Department

Gonzales PD Policy Manual

Forensic Genetic Genealogy

genetic genealogist to cease any further analysis and to return all evidence, data, and materials to the [Department/Office].

614.6 ANALYSIS OF FGG DATA

Once results of a comparison are received from a genetic genealogy site, the information should be evaluated by a genetic genealogist, who will assist the lead investigator in identifying potential investigative leads.

The lead investigator should promptly and diligently pursue each viable lead identified through the FGG process using traditional investigative methods, as appropriate, to:

- (a) Eliminate an individual as a potential suspect in the case.
- (b) Link an individual to the case as a potential suspect.
- (c) Identify human remains.

614.7 COLLECTION OF THIRD-PARTY DNA SAMPLE

If it is determined that a third-party DNA sample (i.e., from a person not likely to be a suspect in the investigation) should be collected and analyzed for FGG, consent from the third party should be obtained prior to collection.

If there is a reasonable belief that the integrity of the investigation would be compromised by seeking consent from the third party prior to collection, the lead investigator should consult with the prosecutor regarding applicable laws and procedures in both the jurisdiction of the investigation and the jurisdiction where the collection will occur, if different.

The use of a third-party DNA sample shall be limited to the original underlying investigation.

614.8 POST-IDENTIFICATION

Members shall not rely solely on FGG identification of a potential suspect for probable cause to make an arrest or obtain an arrest warrant. Unless there is sufficient evidence independent of the FGG data to support an arrest, a potential suspect identified through FGG should not be arrested until the suspect's identity is confirmed.

Members shall not rely solely on FGG to identify human remains unless there is sufficient evidence independent of the FGG data to declare the identification or confirmation testing has been completed.

Confirmatory DNA testing should be conducted by collecting a known DNA sample from the potential suspect or, in the case of unidentified human remains, from a close biological relative. This known DNA sample should be submitted for comparison to the original unknown STR DNA profile through conventional methods (e.g., in CODIS).

The lead investigator should consult with the prosecutor to determine the appropriate method of obtaining a known DNA sample.

Once the identity of a suspect or the identity of unidentified human remains has been confirmed through conventional DNA testing, the lead investigator should:

Gonzales Police Department

Gonzales PD Policy Manual

Forensic Genetic Genealogy

- (a) Consult with the prosecutor to evaluate the entire investigative file for consideration of criminal charges or further investigation.
- (b) If applicable, consult with the [Medical Examiner/JOP] for an amendment to a certificate of death.

614.9 PRIVACY CONSIDERATIONS

Members should make reasonable efforts to respect and protect the privacy of non-suspect genetic relatives identified through the FGG process. The names and identifying information of any non-suspect genetic relatives should not be included in official reports, probable cause declarations, or affidavits for search warrants and should not be disclosed unless otherwise required by law or court order.

The lead investigator should formally request that the SNP DNA profile be removed from all genetic genealogy sites upon identity confirmation and should retain a copy of the request for [department/office] records. The lead investigator should request that all case-related records and data provided to, or generated by, a genetic genealogist during the FGG process be returned to the [Department/Office].

614.10 RETENTION OF DNA SAMPLES AND RELATED RECORDS

Genetic information, including any derivative profiles and genetic genealogy site user information, should be retained in accordance with the established records retention schedule. The lead investigator should coordinate with the Evidence Officer and provide adequate notice to the appropriate prosecutor's office before destroying any profiles or data obtained from the FGG process.

See the Property and Evidence Policy for guidelines regarding biological evidence, including DNA samples.

Chapter 7 - Equipment

Department Owned and Personal Property

700.1 PURPOSE AND SCOPE

Department employees are expected to properly care for Department property assigned or entrusted to them. Employees may also suffer occasional loss or damage to personal or Department property while performing their assigned duty. Certain procedures are required depending on the loss and ownership of the item.

700.2 CARE OF DEPARTMENTAL PROPERTY

Employees shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of Department property assigned or entrusted to them. An employee's intentional or negligent abuse or misuse of Department property may lead to discipline.

- (a) Employees shall promptly report through their chain of command, any loss, damage to, or unserviceable condition of any Department issued property or equipment assigned for their use.
- (b) The use of damaged or unserviceable Department property should be discontinued as soon as practical and replaced with comparable Department property as soon as available and following notice to a supervisor.
- (c) Except when otherwise directed by competent authority or required by exigent circumstances, Department property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Department property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without proper authority.
- (e) In the event that any Department property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.

700.3 FILING CLAIMS FOR PERSONAL PROPERTY

Claims for reimbursement for damage or loss of personal property must be made on a memorandum and the proper City form. This form is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor shall direct a memo to the Chief of Police which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police who will then forward the claim to the Finance Department.

The Department will not replace or repair items that are not reasonably required as a part of an employee's duty assignment.

Gonzales Police Department

Gonzales PD Policy Manual

Department Owned and Personal Property

700.3.1 REPORTING REQUIREMENT

A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER

Officers and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement functions, regardless of jurisdiction, shall report it as provided below.

- (a) A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.
- (b) A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4.1 DAMAGE BY PERSON OF ANOTHER AGENCY

If employees of another jurisdiction cause damage to real or personal property belonging to the City, it shall be the responsibility of the employee present or the employee responsible for the property to make a verbal report to his/her immediate supervisor as soon as circumstances permit. The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the appropriate Bureau Commander.

Personal Communication Devices

702.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the [Department/Office] or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

702.2 POLICY

The Gonzales Police Department allows members to utilize [department/office]-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

702.2.1 INDIVIDUALLY OWNED PCD

Employees may carry their own PCD while on duty subject to the following conditions:

- (a) Carrying an individually-owned personal communication device is optional.
- (b) The device shall be purchased, used and maintained at the employee's expense.

702.2.2 USE OF PERSONAL COMMUNICATION DEVICES

PCDs, whether provided by the Department or personally-owned, should only be used by on-duty employees for legitimate department business except as provided for below. Employees may use a PCD to communicate with other personnel in those situations where the use of the radio is either impractical or not feasible. PCDs however, should not be used to replace regular radio communications.

- (a) PCDs shall not be carried in a manner that allows them to be generally visible while in uniform.

Gonzales Police Department

Gonzales PD Policy Manual

Personal Communication Devices

- (b) PCD's may not be used to conduct personal business while on duty except when brief personal communications may be warranted by the circumstances (e.g., inform family of extended hours). While employee's may use personally owned PCDs for personal business during authorized breaks, such usage should be limited as much as practical to areas where the communication will not be seen or heard by members of the public.
- (c) Extended or frequent use of department-issued PCDs or personally owned PCDs while on duty for personal use is prohibited and may be subject to discipline. Employees may be responsible for reimbursing the Department for any charges incurred as a result of personal use.

702.2.3 USE WHILE DRIVING

The use of a PCD while driving can cause unnecessary distractions and presents a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices while driving to matters of an urgent nature and should, where practical, stop the vehicle at an appropriate location to complete their call.

Except in the case of an emergency employees who are operating non-emergency vehicles shall not use cellular phones or other personal communication devices while driving unless the telephone is specifically designed and configured to allow hands-free listening and talking (Vehicle Code 23123 (a)). Such use should be restricted to business related calls or calls of an urgent nature.

702.2.4 OFFICIAL USE

The use of personal communication devices may be appropriate the following situations:

- (a) Barricaded suspects.
- (b) Hostage situations
- (c) Mobile Command Post.
- (d) Catastrophic disasters, such as plane crashes, earthquakes, floods, etc.
- (e) Major political/community events.
- (f) Investigative stakeouts where regular phone usage is not practical.
- (g) Emergency contact with outside agency or outside agency field unit equipped with PCDs.
- (h) When immediate communication is needed and the use of the radio is not appropriate and other means are not readily available.

702.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the [Department/Office] and shall have no expectation of privacy in their location should the device be equipped with location-

Gonzales Police Department

Gonzales PD Policy Manual

Personal Communication Devices

detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through [department/office] PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for [department/office]-related business or when the use reasonably implicates work-related misconduct.

702.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT (CALECPA)

No member is authorized to be the sole possessor of a [department/office]-issued PCD. [Department/Office]-issued PCDs can be retrieved, reassigned, accessed or used by any member as directed by a supervisor without notice. Member use of a [department/office]-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for [department/office] purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with CalECPA (Penal Code § 1546; Penal Code § 1546.1).

702.4 [DEPARTMENT/OFFICE]-ISSUED PCD

Depending on a member's assignment and the needs of the position, the [Department/Office] may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. [Department/Office]-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the [Department/Office] and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

702.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The [Department/Office] accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or as otherwise authorized by [department/office] procedures.

Gonzales Police Department

Gonzales PD Policy Manual

Personal Communication Devices

1. Use of a personally owned PCD for work-related business constitutes consent for the [Department/Office] to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
 2. Use of and data within a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
 3. Searches of a personally owned PCD by the [Department/Office] should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any [department/office] business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the [Department/Office], without the express authorization of the Chief of Police or the authorized designee.
- (f) If the PCD is carried on-duty, members will provide the [Department/Office] with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings, and other public records created or received on a member's personally owned PCD should be transferred to the Gonzales Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing memorandum of understanding or collective bargaining agreements, or if the member has prior express authorization from their supervisor, the member may engage in [department/office] business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty [department/office]-related business activities in any manner shall promptly provide the [Department/Office] with a copy of such records to ensure accurate recordkeeping.

702.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct [department/office] business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall

Gonzales Police Department

Gonzales PD Policy Manual

endeavor to limit their use of PCDs to authorized break times unless an emergency exists.

- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official [department/office] business. Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

[Department/Office] members shall sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a City vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

706.4.6 MAINTENANCE

706.8 TOLL ROAD USAGE

Law enforcement vehicles are not routinely exempted from incurring toll road charges. Pursuant to the non-revenue policy of the toll roads, law enforcement agencies responding to an emergency or incident on the toll roads, while on duty, are exempt from paying the toll. This policy does not address cash-handling issues specific to the Property and Evidence and Informants policies.

707.2 POLICY

It is the policy of the Gonzales Police Department to properly handle and document cash transactions and to maintain accurate records of cash transactions in order to protect the integrity of department operations and ensure the public trust.

707.3 PETTY CASH FUNDS

The Chief of Police shall designate a person as the fund manager responsible for maintaining and managing the petty cash fund.

Each petty cash fund requires the creation and maintenance of an accurate and current transaction ledger and the filing of invoices, receipts, cash transfer forms and expense reports by the fund manager.

707.4 PETTY CASH TRANSACTIONS

The fund manager shall document all transactions on the ledger and any other appropriate forms. Each person participating in the transaction shall sign or otherwise validate the ledger, attesting to the accuracy of the entry. Transactions that are not documented by a receipt, invoice or cash transfer form require an expense report.

707.5 PETTY CASH AUDITS

The fund manager shall perform an audit no less than once every six months. This audit requires that the fund manager and at least one command staff member, selected by the Chief of Police, review the transaction ledger and verify the accuracy of the accounting. The fund manager and the participating member shall sign or otherwise validate the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and an immediate reporting of the discrepancy to the Chief of Police.

Transference of fund management to another member shall require a separate petty cash audit and involve a command staff member.

A separate audit of each petty cash fund should be completed on a random date, approximately once each year by the Chief of Police or the City.

Cash in excess of \$1,000 requires immediate notification of a supervisor, special handling, verification and accounting by the supervisor. Each member involved in this process shall complete an appropriate report or record entry.

Personal Protective Equipment

708.1 PURPOSE AND SCOPE

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

Gonzales Police Department

Gonzales PD Policy Manual

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke or vapors shall use respiratory PPE.

Members using respiratory PPE shall (8 CCR 5144):

Crime analysis can be useful to the Department's long range planning efforts by providing estimates of future crime trends and assisting in the identification of enforcement priorities.

800.2 DATA SOURCES

Crime analysis data is extracted from many sources including, but not limited to:

- Crime reports
- Field Interview cards
- Parole and Probation records
- Computer Aided Dispatch data
- Statewide Integrated Traffic Reporting System (SWITRS)

The following minimum criteria should be used in collecting data for Crime Analysis:

- Frequency by type of crime
- Geographic factors
- Temporal factors
- Victim and target descriptors
- Suspect descriptors
- Suspect vehicle descriptors
- Modus operandi factors
- Physical evidence information

800.4 CRIME ANALYSIS DISSEMINATION

Information that is relevant to the operational and tactical plans of specific line units should be sent directly to them. Information relevant to the development of the Department's strategic plans should be provided to the appropriate staff units. When information pertains to tactical and strategic plans, it should be provided to all affected units.

Property and Evidence Bureau

Restoration of Firearm Serial Numbers

808.1 PURPOSE AND SCOPE

The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

808.2 PROCEDURE

Any firearm coming into the possession of the Gonzales Police Department as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

808.2.1 PRELIMINARY FIREARM EXAMINATION

- (a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.
- (b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.
- (c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.
- (d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

808.2.2 PROPERTY BOOKING PROCEDURE

Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.

Gonzales Police Department

Gonzales PD Policy Manual

Restoration of Firearm Serial Numbers

808.2.3 OFFICER RESPONSIBILITY

The Evidence Officer receiving a firearm when the serial numbers have been removed or obliterated shall arrange for the firearm to be transported to the crime lab for restoration and maintain the chain of evidence.

808.2.4 DOCUMENTATION

Case reports are prepared in order to document the chain of custody and the initial examination and handling of evidence from the time it is received/collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was received. This may appear on the request form or property form depending on the type of evidence.

808.2.5 FIREARM TRACE

After the serial number has been restored (or partially restored) by the criminalistics laboratory, the Evidence Officer will complete a Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Tracing Center (NTC) Obliterated Serial Number Trace Request Form (ATF 3312.1-OBL) and forward the form to the NTC in Falling Waters, West Virginia or enter the data into the ATF eTrace system.

808.3 BULLET AND CASING IDENTIFICATION

Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria and protocol, may be submitted to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Integrated Ballistic Information Network (NIBIN) which uses the Integrated Ballistic Identification System (IBIS) technology to search the national database and compare with ballistic evidence recovered from other crime scenes.

If an extension is authorized, the [Department/Office] shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.

If the record is audio or video, a copy of the redacted audio/video release should be maintained in the [department/office]-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.
- (f) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure. Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 7923.625).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by an officer, or depicts an incident in which the use of force by an officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 7923.625).

The Custodian of Records should work as appropriate with the Chief of Police or the Internal Affairs Unit supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

810.9.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

- (a) Disclosure may be delayed up to 45 days from the date the [Department/Office] knew or reasonably should have known about the incident.
- (b) Delay of disclosure may continue after the initial 45 days and up to one year if the [Department/Office] demonstrates that disclosure would substantially interfere with the investigation.
- (c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 7923.625).

810.9.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 7923.625):

- (a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (a) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the

Gonzales Police Department

Gonzales PD Policy Manual

Records Maintenance and Release

disclosure. The Custodian of Records should work with the Chief of Police in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

810.9.3 REDACTION

If the Custodian of Records, in consultation with the Chief of Police or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the [Department/Office] should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 7923.625).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 7923.625).

810.9.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the [Department/Office] may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 7923.625):

- (a) The person in the recording whose privacy is to be protected, or the person's authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the [Department/Office] determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 7923.625).

The [Department/Office] may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 7923.625).

Protected Information

812.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Gonzales Police Department. This policy addresses the protected information that is used in the day-to-day operation of the [Department/Office] and not the public records information covered in the Records Maintenance and Release Policy.

812.1.1 DEFINITIONS

This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

812.2 POLICY

Members of the Gonzales Police Department will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

812.3 RESPONSIBILITIES

The Chief of Police shall select a member of the [Department/Office] to coordinate the use of protected information.

The responsibilities of this position include but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, National Law Enforcement Telecommunications System (NLETS), Department of Motor Vehicles (DMV) records, and California Law Enforcement Telecommunications System (CLETS).
- (b) Developing, disseminating, and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy. See the Gonzales Police Department CJIS Access, Maintenance, and Security Policy for additional guidance.
- (c) Developing, disseminating, and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release, and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.
- (e) Resolving specific questions that arise regarding authorized recipients of protected information.

Gonzales Police Department

Gonzales PD Policy Manual

Protected Information

- (f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.

812.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Gonzales Police Department policy, or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution. See the CJIS Access, Maintenance, and Security Policy for additional guidance.

812.4.1 PENALTIES FOR MISUSE OF RECORDS

It is a misdemeanor to furnish, buy, receive or possess Department of Justice criminal history information without authorization by law (Penal Code § 11143).

Authorized persons or agencies violating state regulations regarding the security of Criminal Offender Record Information (CORI) maintained by the California Department of Justice may lose direct access to CORI (11 CCR 702).

812.4.2 RELEASE OF CORI

Only the persons listed below are authorized to release CORI. Each authorized person releasing CORI is responsible to ensure that each request granted appears legitimate and that the requester is an authorized recipient with a right and need to know.

- (a) Criminal Records Security Officer (the designated Records Supervisor)
- (b) Employees of the Records Bureau
- (c) Personnel specifically designated in writing by the Chief of Police

812.4.3 RELEASE OF CORI TO FIELD PERSONNEL

Examples of situations where the transmission of summary criminal history information would be justified include a hostage situation or an armed suspect however a routine investigation or traffic enforcement stop would not be sufficient justification.

Nothing in this procedure is intended to prohibit broadcasting warrant information concerning wanted persons.

Gonzales Police Department

Gonzales PD Policy Manual

Protected Information

812.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Supervisor for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the [Department/Office] may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Bureau to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

812.5.1 REVIEW OF CRIMINAL OFFENDER RECORD

Individuals requesting to review their own California criminal history information shall be referred to the Department of Justice (Penal Code § 11121).

Individuals shall be allowed to review their arrest or conviction record on file with the [Department/Office] after complying with all legal requirements regarding authority and procedures in Penal Code § 11120 through Penal Code § 11127 (Penal Code § 13321).

812.5.2 TRANSMISSION GUIDELINES

Protected information, such as restricted Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should not be transmitted via unencrypted radio. When circumstances reasonably indicate that the immediate safety of officers, other [department/office] members, or the public is at risk, only summary information may be transmitted.

In cases where the transmission of protected information, such as Personally Identifiable Information, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a MDT or [department/office]-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual's combined last name and any identifying number associated with the individual, from either first name or first initial.
- Additional information regarding the individual, including date of birth, home address, or physical descriptors, should be relayed in separate transmissions.

Nothing in this policy is intended to prohibit broadcasting warrant information.

812.9 PENALTIES FOR MISUSE OF RECORDS

Penal Code §§ 11140 and 11144 make it a misdemeanor to furnish, buy, receive, or possess Department of Justice rap sheets without authorization by a court, statute, or case law.

Title 11, California Administrative Code § 702 provides that authorized persons or agencies violating the Regulations Regarding the Security of Criminal Offender Record Information in California may lose direct access to CORI maintained by the California Department of Justice.

Divulging the content of any criminal record to anyone other than authorized personnel is a violation of Policy Manual § 340.37 (a).

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

814.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
 - 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 - 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, officers should document the following in related reports:
 - 1. Where the computer was located and whether or not it was in operation.
 - 2. Who was using it at the time.
 - 3. Who claimed ownership.

Gonzales Police Department

Gonzales PD Policy Manual

Computers and Digital Evidence

4. If it can be determined, how it was being used.
- (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

814.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

814.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

814.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property and Evidence Bureau to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.

Gonzales Police Department

Gonzales PD Policy Manual

Computers and Digital Evidence

- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

814.4 SEIZING PCDS

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

814.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

814.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property and Evidence Bureau as soon as possible for submission into evidence.
- (b) Officers are not authorized to review or copy memory cards. The evidence technicians are the only employees authorized to copy and/or distribute digital media made from the memory cards.
- (c) As soon as possible following the collection of evidence, the camera operator is to remove the memory card from their digital camera and place the card into a plastic

carrier. The card and carrier are then to be placed into a zip-lock type baggie. The camera operator shall write their name and the related case number on the outside of the baggie before placing in the film drop box along with the evidence form.

- (d) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.
- (e) Officers requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

814.5.3 DOWNLOADING OF DIGITAL FILES

Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

- (a) Files should not be opened or reviewed prior to downloading and storage.
- (b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

814.5.4 PRESERVATION OF DIGITAL EVIDENCE

- (a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

820.7 ANIMAL CRUELTY COMPLAINTS

Laws relating to the cruelty to animals should be enforced, including but not limited to Penal Code § 597 et seq. (cruelty to animals, failure to care for animals).

- (a) An investigation should be conducted on all reports of animal cruelty.
- (b) Legal steps should be taken to protect an animal that is in need of immediate care or protection from acts of cruelty.

820.8 ANIMAL BITE REPORTS

Members investigating an animal bite should obtain as much information as possible for follow-up with the appropriate health or animal authorities. Efforts should be made to capture or otherwise have the animal placed under control. Members should attempt to identify and notify the owner of the final disposition of the animal.

820.9 STRAY DOGS

If a stray dog has a license or can otherwise be identified, the owner should be contacted, if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued, if appropriate. If a dog is taken into custody, it shall be transported to the appropriate animal care facility.

Members shall provide reasonable treatment to animals in their care (e.g., food, water, shelter).

If there is any suspicion that the individual may be suicidal, the individual shall be transported to the City jail or the appropriate mental health facility.

The officer should promptly notify the Shift Sergeant of any conditions that may warrant immediate medical attention or other appropriate action. The Shift Sergeant shall determine whether the individual will be placed in a cell, immediately released, or transported to jail or other facility.

Custodial Searches

902.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Gonzales Police Department facility. Such items can pose a serious risk to the safety and security of [department/office] members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

902.1.1 DEFINITIONS

Definitions related to this policy include:

902.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

The amount of money in the envelope should always be totaled and written on the outside of the envelope.

903.5.2 INVESTIGATOR RESPONSIBILITIES

Investigators shall (28 CFR 115.171):

- (a) Gather and preserve direct and circumstantial evidence, including any available physical and biological evidence and any available electronic monitoring data.

903.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

903.5.5 CONCLUSIONS AND FINDINGS

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Manager. The Chief of Police or the City Manager shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for [department/office] members who have engaged in sexual abuse. If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Shift Sergeant or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for individuals in custody or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Shift Sergeant or the authorized designee shall identify a staff member to monitor the conduct and treatment of individuals in custody or members who have reported sexual abuse and of those who were reported to have suffered sexual abuse. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The [Department/Office] evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

1003.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

Evaluation of Employees

1003.3.1 RESERVE OFFICER EVALUATIONS

Reserve officer evaluations are covered under the Reserve Officers Policy.

1003.4 FULL TIME PROBATIONARY PERSONNEL

Civilian personnel are on probation for 12 months before being eligible for certification as permanent employees. An evaluation is completed monthly for all full-time civilian personnel during the probationary period.

Sworn personnel are on probation for 12 months before being eligible for certification as permanent employees. Probationary officers are evaluated daily, weekly and monthly during the probationary period.

1003.5 FULL-TIME PERMANENT STATUS PERSONNEL

Permanent employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, then an evaluation shall be completed by the current supervisor with input from the previous supervisor.

Special - A special evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

1003.5.1 RATINGS

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

Outstanding - Is actual performance well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Exceeds Standards - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

Meets Standards - Is the performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Needs Improvement - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

Gonzales Police Department

Gonzales PD Policy Manual

Evaluation of Employees

Unsatisfactory - Performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or outstanding shall be substantiated in the rater comments section.

1003.6 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also write comments in the Employee Comments section of the performance evaluation report.

1003.7 EVALUATION DISTRIBUTION

The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief of Police for the tenure of the employee's employment. A copy will be given to the employee and a copy will be forwarded to City Department of Human Resources.

Grievance Procedure

1007.1 PURPOSE AND SCOPE

It is the policy of this [department/office] that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our [Department/Office]'s philosophy is to promote a free verbal communication between employees and supervisors.

1007.1.1 GRIEVANCE DEFINED

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- City rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative.

Specifically outside the category of grievance are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any [department/office] employee that, if true, would constitute a violation of [department/office] policy, federal, state, or local law as set forth in the Personnel Complaint Policy.

1008.2 REPORTING REQUIREMENTS

Any employee who believes that he/she came into contact with bodily fluids of an individual who has been arrested or taken into custody shall complete a State Department of Health Services form (CDPH 8479). This form includes the names of witnesses to the incident, names of persons involved in the underlying incident, and if feasible, any written statements from these parties. The employee's form CDPH 8479 shall be submitted by the end of the shift during which the incident occurred, or if not practicable, as soon as possible, but no longer than two days after the incident, unless waived by the county's Chief Medical Officer.

Upon completion of form CDPH 8479, it and all available related reports shall be forwarded immediately to the county's Chief Medical Officer.

Any individual ordered by the Chief Medical Officer to submit to hepatitis B, hepatitis C or HIV testing has three calendar days to appeal such an order by submitting form CDPH 8457. The City

Reporting of Arrests, Convictions, and Court Orders

1011.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Gonzales Police Department. This policy will also describe the notification requirements and procedures that certain retired officers must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

1011.2 DOMESTIC VIOLENCE CONVICTIONS AND COURT ORDERS

Federal and California law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing firearms. Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members and retired officers with identification cards issued by the [Department/Office] are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order, and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1011.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty, or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on a member's ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member's ability to possess a firearm.

While legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this [department/office] may be inherently in conflict with law enforcement duties and the public trust, and shall be reported as provided in this policy.

1011.4 REPORTING

All members and all retired officers with an identification card issued by the [Department/Office] shall immediately notify their supervisors (retired officers should immediately notify the Shift Sergeant or the Chief of Police) in writing of any past or current criminal detention, arrest, charge,

Gonzales Police Department

Gonzales PD Policy Manual

Reporting of Arrests, Convictions, and Court Orders

or conviction in any state or foreign country, regardless of whether or not the matter was dropped or rejected, is currently pending or is on appeal, and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the [Department/Office] shall further promptly notify their supervisors (retired officers should immediately notify the Shift Sergeant or the Chief of Police) in writing if they become the subject of a domestic violence-related order or any court order that prevents the member or retired officer from possessing a firearm or requires suspension or revocation of applicable POST certification.

Any member whose criminal arrest, conviction, or court order restricts or prohibits that member from fully and properly performing their duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on the member's own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.

Retired officers may have their identification cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

1011.5 POLICY

The Gonzales Police Department requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the [Department/Office].

1013.2.1 PURCHASE OR POSSESSION OF DRUGS OR ALCOHOL ON-DUTY

Department employees shall not illegally manufacture any alcohol or drugs while on-duty, on City property or at any other time.

1013.2.2 USE OF PRESCRIBED MEDICATIONS

Any employee who is required to take any medication with side effects which might impair his/her ability to fully and safely perform all requirements of the position shall report the need for such medication to the immediate supervisor prior to commencing any on-duty status. No employee shall be permitted to work or drive a department-owned or department-leased vehicle while taking such potentially impairing medication without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

1013.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on [department/office] time can endanger the health and safety of [department/office] members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Sergeant or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

1013.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

Gonzales Police Department

The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1013.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1013.5.1 ADDITIONAL SCREENING TESTS FOR OFFICERS

1013.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the [Department/Office].

1013.7 SCREENING TESTS

A supervisor may require an employee to submit to a screening under any of the following circumstances:

1013.9 CONFIDENTIALITY

The [Department/Office] recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave

1015.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

1015.2 POLICY

It is the policy of the Gonzales Police Department to provide eligible employees with a sick leave benefit.

1015.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1015.3.1 NOTIFICATION

All members should notify the Shift Sergeant or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the [Department/ Office] with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

1015.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return

Gonzales Police Department

Gonzales PD Policy Manual

Sick Leave

to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

1015.5 REQUIRED NOTICES

The Personnel Officer shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.
- (b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.

1015.6 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Department of Human Resources as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
 - 1. Negatively affected the member's performance or ability to complete assigned duties.
 - 2. Negatively affected [department/office] operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

Exposure only includes those instances that occur due to a member's position at the Gonzales Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1017.2 POLICY

The Gonzales Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1017.3 EXPOSURE CONTROL OFFICER

The Chief of Police will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.

1017.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

[Department/Office] members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1017.6 CONFIDENTIALITY OF REPORTS

1021.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Gonzales Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1021.1.1 PERSONNEL COMPLAINTS DEFINED

Personnel complaints consist of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law.

Inquiries about employee conduct which, even if true, would not qualify as a personnel complaint may be handled informally by a department supervisor and shall not be considered complaints.

This policy shall not apply to any interrogation, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of an employee in the normal course of duty, by a supervisor or any other employee, nor shall this policy apply to an investigation concerned solely and directly with alleged criminal activities (Cal. Govt. Code 3303(i)).

Personnel Complaints shall be classified in one of the following categories:

Informal - A matter in which the complaining party is satisfied that appropriate action has been taken by a department supervisor of rank greater than the accused member. Informal complaints need not be documented on a personnel complaint form and the responsible supervisor shall have the discretion to handle the complaint in any manner consistent with this policy.

Formal - A matter in which the complaining party requests further investigation or which a department supervisor determines that further action is warranted. Such complaints may be investigated by a department supervisor of rank greater than the accused employee or referred to the Police Chief depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Police Chief, such matters need not be documented as personnel complaints, but may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

- (b) When the complainant is intoxicated to the point where his/her credibility appears to be unreliable, identifying information should be obtained and the person should be provided with a Personnel Complaint form. The complainant shall be contacted by the investigating supervisor on the next business day

Inquiries about conduct or performance that, if true, would not violate [department/office]Department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

1021.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief of Police or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

1021.10.4 NOTICE REQUIREMENTS

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

1021.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

1021.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. Personnel Complaints

1021.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1021.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief of Police or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief of Police shall be final.

1021.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

1021.16 REQUIRED REPORTING TO POST

Seat Belts

1023.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in [department/office] vehicles (Vehicle Code § 27315.5).

1023.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1023.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this [department/office] while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1023.3 TRANSPORTING PERSONS IN CUSTODY

Persons who are in custody should be in a seated position and secured in the rear seat of any [department/office] vehicle with a restraint system or, when a restraint system is not available, by seat belts provided by the vehicle manufacturer. The restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

An incarcerated person in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1023.4 INOPERABLE SEAT BELTS

[Department/Office] vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

[Department/Office] vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1023.5 POLICY

It is the policy of the Gonzales Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

Gonzales Police Department

Gonzales PD Policy Manual

Seat Belts

1023.6 TRANSPORTING CHILDREN

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1023.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1023.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Body Armor

1025.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1025.2 POLICY

It is the policy of the Gonzales Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1025.3 ISSUANCE OF BODY ARMOR

The Administrative Services supervisor shall ensure that body armor is issued to all officers when the officer begins service at the Gonzales Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administrative Services supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1025.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
- (e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1025.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

Gonzales Police Department

Gonzales PD Policy Manual

Body Armor

1025.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

1025.4 RANGEMASTER RESPONSIBILITIES

The Rangemaster should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates officers about the safety benefits of wearing body armor.

All requests for disclosure that result in access to a member's personnel records shall be logged in the corresponding file.

Personnel records shall not be disclosed except as allowed by law (Penal Code § 832.7; Evidence Code § 1043) (see also Records Maintenance and Release Policy).

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this [department/office] may be guilty of a misdemeanor (Penal Code § 146e).

The [Department/Office] may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

1027.9 BRADY MATERIAL IN PERSONNEL FILES

The purpose of this section is to establish a procedure for releasing potentially exculpatory information (so-called Brady material) contained within confidential peace officer personnel files.

1027.9.1 DEFINITIONS

Brady Material - In the Brady v. Maryland decision (373 U.S. 83 (1963)) the United States Supreme Court held that the prosecution has an affirmative duty to disclose to the defendant evidence which is both favorable and material to the guilt and/or punishment of the defendant.

The Prosecution - Refers to the District Attorney and all investigative agencies involved in the criminal prosecution of a defendant, including this Department.

Penal Code§ 1054.1 - California law also establishes a criminal defendant's right to access potentially exculpatory evidence.

1027.9.2 RELEASE OF PERSONNEL FILES TO DISTRICT ATTORNEY

Pursuant to Penal Code § 832.7(a), the only time the District Attorney (Attorney General or Grand Jury) is entitled to access confidential peace officer personnel files without filing a so-called Pitchess motion (Evidence Code § 1043 et seq.) is when they are investigating the conduct of an officer or this Department. Such access shall not be considered a waiver of the confidentiality of the information contained in these files.

Gonzales Police Department

Gonzales PD Policy Manual

Personnel Records

Absent a specific investigation of identified officer(s) or a specific investigation of this Department (or the consent of an involved officer), no confidential information from any officer's personnel file shall be released to the District Attorney or Grand Jury without full compliance with the Pitchess process. The prosecution of a criminal defendant is not considered an investigation of any involved officer.

Should an officer's credibility or other issues related to an officer's personnel file arise in the context of an officer acting as a witness for the prosecution, access to that officer's personnel file by either the District Attorney or the criminal defendant shall be limited to that which is authorized by the process set forth in Evidence Code § 1043, et seq.

1027.9.3 PROCEDURE

If an officer is a material witness in a criminal case, a person or persons designated by the Chief of Police may examine the subject officer's personnel file to determine whether there are Brady materials contained therein (e.g., evidence which is both favorable and material to the guilt and/or punishment of the defendant). If Brady material is located, the following procedure shall apply:

- (a) In the event that a Pitchess motion has not already been filed by the criminal defendant or other party, the District Attorney shall be notified of the potential presence of Brady material in the officer's personnel file
- (b) The District Attorney should be instructed to file a Pitchess motion in order to initiate an in camera review by the court
- (c) As with any Pitchess motion, and prior to any review of the files by the court, subject officer(s) shall be notified in writing that a Pitchess motion has been filed
- (d) The responsible Custodian of Records shall accompany all relevant personnel files during any in camera inspection and address any issues or questions raised by the court in determining whether or not any material contained in the file is both material and favorable to the criminal defendant
- (e) If the court determines that there is relevant Brady material contained in the file(s), only that material ordered released will be copied and released to the parties filing the Pitchess motion
 1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the Court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.

1027.10 MEMBERS' ACCESS TO THEIR PERSONNEL RECORDS

Any member may request access to the member's own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from the member's personnel records shall file a written request to the Chief of Police through the chain of command. The [Department/Office] shall remove any such item if appropriate,

Gonzales Police Department

Gonzales PD Policy Manual

Personnel Records

or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member's request and the written response from the [Department/Office] shall be retained with the contested item in the member's corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:

- (a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline.
- (b) Confidential portions of internal affairs files that have not been sustained against the member.
- (c) Criminal investigations involving the member.
- (d) Letters of reference concerning employment/appointment, licensing, or issuance of permits regarding the member.

- (f) Materials used by the [Department/Office] for staff management planning, including judgments or recommendations concerning future salary increases and other wage treatments, management bonus plans, promotions and job assignments, or other comments or ratings used for department planning purposes.
- (g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.
- (h) Records relevant to any other pending claim between the [Department/Office] and the member that may be discovered in a judicial proceeding.

1027.11 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.
- (b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief of Police.
- (c) If, in the opinion of the Chief of Police, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

Personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Custodian of Records should work as appropriate with the Chief of Police or the Internal Affairs Unit supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3):

- All investigation reports.
- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, whether the officer's action was consistent with law and [department/office] policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.
- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter qualifying records) shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

- (a) Records relating to the report, investigation, or findings of:
 1. The discharge of a firearm at another person by an officer.
 2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) by an officer.
 3. A sustained finding involving a complaint that alleges unreasonable or excessive force.

2. 3. An officer engaged in conduct including but not limited to verbal statements, writings, online posts, recordings, and gestures involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.
4. An officer made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the officer resigns before the [Department/Office] or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple officers, the [Department/Office] shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a finding of the qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(5)).

- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses

- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Gonzales Police Department

Gonzales PD Policy Manual

Personnel Records

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

1027.12.2 DELAY OF RELEASE

Unless otherwise directed by the Chief of Police, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

- (a) Active criminal investigations
 - 1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
 - 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who engaged in misconduct or used the force.
- (b) Filed criminal charges
 - 1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
 - 1. Disclosure may be delayed until:
 - (a) There is a determination from the investigation whether the misconduct or use of force violated law or [department/office] policy, but no longer than 180 days after the date of the [department/office]'s discovery of the misconduct or use of force or allegation of misconduct or use of force

1027.12.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
 - 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or

Gonzales Police Department

Gonzales PD Policy Manual

Personnel Records

no later than 18 months after the date of the incident, whichever occurs sooner, unless:

- (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the [Department/Office] must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 7923.000, the [Department/Office] may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

Request for Change of Assignment

1029.1 PURPOSE AND SCOPE

It is the intent of the Department that all requests for change of assignment are considered equally. To facilitate the selection process, the following procedure is established whereby all such requests will be reviewed on an equal basis as assignments are made.

1029.2.1 PURPOSE OF MEMORANDUM

All assignments an employee is interested in should be listed on the form.

The memorandum will remain in effect until the end of the calendar year in which it was submitted. Effective January 1st of each year, employees still interested in new positions will need to complete and submit a new Change of Assignment Request.

1029.3 SUPERVISOR'S COMMENTARY

The officer's immediate supervisor shall make appropriate comments in the space provided on the form before forwarding it to the Chief of Police. In the case of patrol officers, the on-duty Sergeant must comment on the request with his/her recommendation before forwarding the request to the Chief of Police. If the on-duty Sergeant does not receive the Change of Assignment Request, the Chief of Police will initial the form and return it to the employee without consideration.

Except in very limited circumstances members should have a minimum of 8 hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

1033.8 APPEALS

Meal Periods and Breaks

1035.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all City employees that has been established by the City Manager.

1035.1.1 MEAL PERIODS

Sworn employees shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

Uniformed patrol and traffic officers shall request clearance from the on-duty Sergeant prior to taking a meal period. Uniformed officers shall take their breaks within the City limits unless on assignment outside of the City.

The time spent for the meal period shall not exceed the authorized time allowed.

1035.1.2 15 MINUTE BREAKS

Each employee is entitled to a 15 minute break, near the mid point, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the police facility shall remain in the police facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Field officers will take their breaks in the City, subject to call and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of County Communications.

Lactation Breaks

1036.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding reasonable accommodations for lactating members (Labor Code § 1034).

1036.2 POLICY

It is the policy of the Gonzales Police Department to provide, in compliance with federal and state law, reasonable accommodations for lactating members. This includes break time and appropriate facilities to accommodate any member desiring to express breast milk for the member's nursing child (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1030).

1036.3 LACTATION BREAK TIME

A rest period should be permitted each time the member requires a lactation break (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Members desiring to take a lactation break shall notify the [dispatcher or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt [department/office] operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1036.4 PRIVATE LOCATION

The [Department/Office] will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view, free from intrusion from coworkers and the public, and otherwise satisfy the requirements of federal and state law (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1031).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Gonzales Police Department

Gonzales PD Policy Manual

Lactation Breaks

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

1036.5 STORAGE OF EXPRESSED MILK

Any member storing expressed milk in any authorized refrigerated area within the [Department/Office] shall clearly label it as such and shall remove it when the member's shift ends.

1036.5.1 STATE REQUIREMENTS

Members have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Members who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

1037.1 PURPOSE AND SCOPE

This policy provides the guidelines for completing and submitting payroll records of [department/office] members who are eligible for the payment of wages.

1037.1.1 RESPONSIBILITY FOR COMPLETION OF PAYROLL RECORDS

Employees are responsible for the accurate and timely submission of payroll records for the payment of wages.

1037.1.2 TIME REQUIREMENTS

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their commands.

1037.3 TIME REQUIREMENTS

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions, such as holidays. Payroll records shall be completed and submitted to Administrative Services as established by the City payroll procedures.

1037.4 RECORDS

The Administrative Services Bureau Commander shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).

Time Keeping Procedures

1038.1 PURPOSE AND SCOPE

Time keeping records are submitted to the Police Department Administration on a bi-weekly basis for the payment of wages.

1038.1.1 RESPONSIBILITY FOR COMPLETION OF TIME KEEPING RECORDS

Overtime Compensation Requests

1039.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1039.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed 480 hours of compensatory time.

1039.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administrative Services Bureau.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1039.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Shift Sergeant. Employees submitting overtime cards for on-call pay when off duty shall submit cards to the Shift Sergeant the first day after returning for work.

1039.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's time card, the overtime payment request form is forwarded to the employee's Bureau Commander for final approval.

Gonzales Police Department

Gonzales PD Policy Manual

Overtime Compensation Requests

1039.2.3 BUREAU COMMANDERS RESPONSIBILITY

Bureau Commanders, after approving payment, will then forward the form to the Chief of Police for review.

1039.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., two hours for Court, four hours for outside overtime). The supervisor will enter the actual time worked.

1039.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
1 to 15 minutes	.25
16 to 30 minutes	.50
31 to 45 minutes	.75
46 to 60 minutes	1 hour

1039.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Shift Sergeant or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

Outside Employment

1041.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1041.1.1 DEFINITIONS

Outside Employment - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1041.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

1041.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within ten days of the date of denial.

Gonzales Police Department

Gonzales PD Policy Manual

Outside Employment

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

1041.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any outside employment permit may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit
- (b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

1041.3 PROHIBITED OUTSIDE EMPLOYMENT

Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department
- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department
- (d) Involves time demands that would render performance of the employee's duties for this department less efficient

Gonzales Police Department

Gonzales PD Policy Manual

Outside Employment

1041.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

- (a) The applicant will be required to enter into an indemnification agreement prior to approval.
- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:
 - 1. The officer(s) shall wear the departmental uniform/identification.
 - 2. The officer(s) shall be subject to the rules and regulations of this department.
 - 3. No officer may engage in such outside employment during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute.
 - 4. Compensation for such approved outside security services shall be pursuant to normal overtime procedures.
 - 5. Outside security services shall not be subject to the collective bargaining process.
 - 6. No officer may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Chief of Police.

1041.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

1041.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Division Commander, undercover officers or officers assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity which might reasonably disclose the officer's law enforcement status.

Gonzales Police Department

Gonzales PD Policy Manual

Outside Employment

1041.4 DEPARTMENT RESOURCES

Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1041.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

1041.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his or her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1041.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:

Gonzales Police Department

Gonzales PD Policy Manual

- (b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.
- (c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Gonzales Police Department, a request (in writing) may be made to the Chief of Police to restore the permit.

The Gonzales Police Department will address occupational diseases and work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (Labor Code § 3200 et seq.).

1043.3 RESPONSIBILITIES

1043.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational disease or work-related injury shall report such event as soon as practicable, but within 24 hours, to a supervisor, and shall seek medical care when appropriate (8 CCR 14300.35).

1043.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any occupational disease or work-related injury should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related Citywide disease- or injury-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

1043.3.3 BUREAU COMMANDER RESPONSIBILITIES

The Bureau Commander who receives a report of an occupational disease or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief of Police, the City's risk management entity, and the Administrative Services Bureau Commander to ensure any required Division of Occupational Health and Safety Administration (Cal/OSHA) reporting is made as required in the illness and injury prevention plan identified in the Illness and Injury Prevention Policy.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

1043.5 SETTLEMENT OFFERS

When a member sustains an occupational disease or work-related injury that is caused by another person and is subsequently contacted by that person, his/her agent, insurance company or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to his/her supervisor as soon as possible.

In no case shall the member accept a settlement without first providing written notice to the Chief of Police. The purpose of such notice is to permit the City to determine whether the offered settlement will affect any claim the City may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the City's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

Temporary Modified-Duty Assignments

1055.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules, current memorandums of understanding, or collective bargaining agreements. For example, nothing in this policy affects the obligation of the [Department/Office] to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability or limitation that is protected under federal or state law.

1055.2 DEFINITIONS

Modified Duty - Means a temporary, limited-term assignment not requiring performance of the full range of duties associated with the regular job classification. Modified duty also may be termed as light-duty assignments.

1055.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (Government Code § 12940 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Gonzales Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the [Department/Office]. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

1055.4 PROCEDURE

Employees may request assignment to modified duty by providing a signed statement from their health care provider describing their restrictions, limitations and expected duration to their Bureau Commander or his/her designee. The statement must also indicate if the employee requires any workplace accommodations, mobility aids or medical devices.

Gonzales Police Department

Gonzales PD Policy Manual

Temporary Modified-Duty Assignments

The Bureau Commander will determine what modified-duty assignments may be available based on the needs of the Department, limitations of the employee and suitability of the employee to work a particular assignment. Requests for a modified-duty assignment of 20 hours or less may be approved and facilitated by the Shift Sergeant or Bureau Commander. Assignments of longer duration are subject to the approval of the Chief of Police or his/her designee.

1055.4.1 MODIFIED-DUTY SCHEDULES

The schedules of employees assigned to modified duty may be adjusted to suit medical appointments or Department needs at the discretion of the Bureau Commander.

The employee and his/her supervisors should be informed in writing of the schedule, assignment and limitations and restrictions as determined by the employee's health care provider.

1055.4.2 ACCOUNTABILITY

The employee's supervisor shall coordinate efforts to ensure proper time accountability and shall complete and process a change of shift/assignment form.

- (a) Employees on modified duty are responsible for coordinating required doctor visits and physical therapy appointments in advance with their supervisor to appropriately account for any duty time taken. Doctor visits and appointments for treatment of injuries or illnesses that are not work related shall be arranged during off-duty time or otherwise charged to the employee's sick leave.
- (b) Employees shall promptly submit a status report for each visit to their treating health care provider and shall immediately notify their supervisor of any change in restrictions or limitations as determined by their health care provider. An employee assigned to a modified-duty assignment shall provide a duty status report to their supervisor no less than once every 30 days while the employee is on modified duty.
- (c) Supervisors shall keep the Bureau Commander apprised of the employee's status and ability to perform the modified-duty assignment. Modified-duty assignments that extend beyond 60 days will require a written status report and a request for an extension to the Bureau Commander with an update of the employee's current status and anticipated date of return to regular duty. Extensions require approval of the Chief of Police.
- (d) When it is determined that an employee on modified duty will return to regular duty, the supervisor shall notify the Bureau Commander and complete and process a change of shift/assignment form. All training and certification necessary for return to duty shall be reviewed and updated as necessary.

1055.4.3 MEDICAL EXAMINATIONS

The Department reserves the right to require, prior to returning to full-duty status, a fitness-for-duty examination of any employee assigned to a modified-duty assignment or of any employee having been on such assignment. Such examinations shall be at the expense of the Department.

Gonzales Police Department

Gonzales PD Policy Manual

Temporary Modified-Duty Assignments

Prior to returning to full-duty status, employees shall be required to provide a statement signed by their health care provider indicating that they are medically cleared to perform the basic and essential job functions of their assignment without restriction or limitation.

1055.5 PREGNANCY

It is the policy of the Department to reassign employees who are pregnant upon request by the employee or when deemed necessary by the Department to temporary assignments that will not routinely expose the employee to potentially hazardous environments or activities.

1055.5.1 EMPLOYEE RESPONSIBILITIES

The responsibilities of employees assigned to temporary modified duty shall include, but not be limited to:

- (a) Communicating and coordinating any required medical and physical therapy appointments in advance with their supervisors.
- (b) Promptly notifying their supervisors of any change in restrictions or limitations after each appointment with their treating medical professionals.
- (c) Communicating a status update to their supervisors no less than once every 30 days while assigned to temporary modified duty.
- (d) Submitting a written status report to the Bureau Commander that contains a status update and anticipated date of return to full-duty when a temporary modified-duty assignment extends beyond 60 days.

1055.5.2 SUPERVISOR RESPONSIBILITIES

The employee's immediate supervisor shall monitor and manage the work schedule of those assigned to temporary modified duty.

The responsibilities of supervisors shall include, but not be limited to:

- (a) Periodically apprising the Bureau Commander of the status and performance of employees assigned to temporary modified duty.
- (b) Notifying the Bureau Commander and ensuring that the required documentation facilitating a return to full duty is received from the employee.
- (c) Ensuring that employees returning to full duty have completed any required training and certification.

1055.6 PROBATIONARY EMPLOYEES

Probationary employees who are assigned to a temporary modified-duty assignment shall have their probation extended by a period of time equal to the employee's assignment to modified duty.

1055.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other temporarily disabled

employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment. Nothing in this policy limits a pregnant employee's right to a temporary modified-duty assignment if required under Government Code § 12945.

If notified by an employee or the employee's representative regarding limitations related to pregnancy, childbirth, or related medical conditions, the [Department/Office] should make reasonable efforts to provide an accommodation for the employee in accordance with federal and state law. The accommodation should be provided without unnecessary delay, as appropriate (42 USC § 2000gg-1; 29 CFR 1636.3; 29 CFR 1636.4; Government Code § 12945).

Performance History Audits

1057.1 PURPOSE AND SCOPE

This policy provides guidance for the use of performance history audits. Performance history audits can help identify commendable performance as well as provide early recognition of training needs and other potential issues (e.g., problematic conduct). This policy addresses the responsibilities, performance indicators, and components of the audit; handling of collected data; and conducting appropriate interventions, when necessary.

1057.2 RESPONSIBILITIES

Under the authority of the Administrative Services Bureau Commander, the Internal Affairs Unit is responsible for collecting performance indicators and other relevant data. The data will be compiled to generate quarterly performance history audit reports that will be provided to the appropriate Bureau Commander. The Internal Affairs Unit will utilize confidential methods to compile and track information regarding performance indicators for each officer during each quarter in order to prepare the report. Though generated quarterly, each report should contain data from a one-year period.

The Administrative Services Bureau Commander should forward a copy of each performance history audit report to the City Attorney for review and retention as attorney work product and confidential personnel information.

1057.3 COMPONENTS OF PERFORMANCE HISTORY AUDITS

Performance history audits should include the following components:

- Performance indicators
- Data analysis
- Employee review
- Follow-up monitoring

1057.3.1 PERFORMANCE INDICATORS

Performance indicators represent the categories of employee performance activity that the Chief of Police has determined may be relevant data for the generation and analysis of performance history audits. These indicators may include, but are not limited to, the frequency and/or number of:

- (a) Use of force incidents.
- (b) Involvement and conduct during vehicle pursuits.
- (c) Personnel complaints, including the findings.
- (d) Commendations, compliments, and awards from the [Department/Office] and the public.
- (e) Claims and civil suits related to the employee's actions or alleged actions.
- (f) Canine bite incidents.

Performance History Audits

- (g) Personnel investigations.
- (h) DistrictCountyAttorney case rejections and the reasons.
- (i) Intentional or unintentional firearm discharges (regardless of injury).
- (j) Vehicle collisions.
- (k) Missed court appearances.
- (l) Documented counseling.

1057.3.2 DATA ANALYSIS

The Administrative Services Bureau Commander will review each performance history audit report and determine whether it should be provided to the officer's immediate supervisor for further consideration.

1057.3.3 EMPLOYEE REVIEW

Upon receipt of a performance history audit report, the supervisor will carefully review the report with the officer to assess any potential trends or other issues that may warrant intervention to improve officer performance and avoid unnecessary uses of force. These interventions could include informal counseling, additional training, or a recommendation for other action, including discipline. The officer shall date and sign the report and should be provided with a copy of the report upon request.

If a supervisor determines that an officer's performance warrants action beyond informal counseling, the supervisor shall advise the Bureau Commander of such recommendation. If the Bureau Commander concurs with the recommendation of the supervisor, the supervisor shall take steps to initiate the appropriate action.

If discipline or other adverse action is initiated against an officer as a result of a performance history audit, the officer shall be entitled to all rights and processes set forth in the Personnel Complaints Policy.

1057.3.4 FOLLOW-UP MONITORING

Depending upon the results of each performance history audit, a determination should be made by the Administrative Services Bureau Commander, after discussion with the officer's immediate supervisor, about the need, type, and duration of any follow-up. Performance indicators and data analysis will generally provide the basis upon which such decisions should be made.

1057.4 CONFIDENTIALITY OF DATA

Information, data, and copies of material compiled to develop performance history audit reports shall be considered confidential as part of the employee's personnel file and will not be subject to discovery or release except as provided by law. Access to performance history audit reports will be governed under the same process as access to an officer's personnel file, as outlined in the Personnel Records Policy.

Gonzales Police Department

Gonzales PD Policy Manual

Performance History Audits

Access to the underlying data will be governed by the process for access to the original records (such as police reports).

1057.5 RETENTION

Performance history audit reports and associated records shall be retained in accordance with the established records retention schedule.

1057.6 POLICY

The Gonzales Police Department collects data to assist supervisors with evaluating the performance of their employees, including identifying problematic conduct and providing for appropriate interventions. While it is understood that the statistical compilation of data may be helpful to supervisors, the [Department/Office] recognizes that it cannot account for, and must carefully balance such data with, the many variables in law enforcement, such as:

- Ability to detect crime.
- Work ethic.
- Assignment and shift.
- Physical abilities (ability to perform the job-related physical tasks).
- Randomness of events.

Speech, Expression, and Social Networking

1059.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with the use of social networking sites, and provides guidelines for the regulation and balancing of member speech and expression with the needs of the Gonzales Police Department.

This policy applies to all forms of communication including but not limited to digital media, print media, public or private speech, and use of all internet services, including the web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression that is protected under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisors regarding any questions arising from the application or potential application of this policy.

1059.2 POLICY

Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of the Gonzales Police Department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that members of this [department/office] be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the [Department/Office] will carefully balance the individual member's rights against the needs and interests of the [Department/Office] when exercising a reasonable degree of control over its members' speech and expression.

1059.3 SAFETY

Members should carefully consider the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of Gonzales Police Department members, such as posting personal information in a public forum or posting a photograph taken with a Global Positioning System (GPS)-enabled camera, can result in compromising a member's home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member, a member's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working undercover.
- Disclosing the address of a fellow [department/office] member.

Gonzales Police Department

Gonzales PD Policy Manual

Speech, Expression, and Social Networking

- Otherwise disclosing where another officer can be located off-duty.

1059.4 PROHIBITED SPEECH, EXPRESSION, AND CONDUCT

To meet the safety, performance, and public-trust needs of the Gonzales Police Department, the following are prohibited unless the speech is otherwise protected (e.g., a member speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation, or professionalism of the [Department/Office] or its members.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the [Department/Office] and tends to compromise or damage the mission, function, reputation, or professionalism of the [Department/Office] or its members. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. Constitutions.
 2. Expression that demonstrates support for criminal activity.
 3. Participation in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the member as a witness. For example, posting to a website statements or expressions that glorify or endorse dishonesty, unlawful discrimination, or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the members of the [Department/Office] (e.g., a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing members by informing criminals of details that could facilitate an escape or attempted escape).
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the [Department/Office].
- (f) Use or disclosure, through whatever means, of any information, photograph, digital media, or other recording obtained or accessible as a result of employment or appointment with the [Department/Office] for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.
- (g) Posting, transmitting, or disseminating any photographs, digital media, or audio recordings, likenesses, or images of [department/office] logos, emblems, uniforms, badges, patches, marked vehicles, equipment, or other material that specifically identifies the Gonzales Police Department on any personal or social networking or other website or web page, without the express authorization of the Chief of Police.

Gonzales PD Policy Manual

Speech, Expression, and Social Networking

Members must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1059.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While members are not restricted from engaging in the following activities as private citizens or as authorized members of recognized bargaining units or employee groups, members may not represent the Gonzales Police Department or identify themselves in any way that could be reasonably perceived as representing the [Department/Office] in order to do any of the following, unless specifically authorized by the Chief of Police (Government Code § 3206; Government Code § 3302):

- (a) Endorse, support, oppose, or contradict any political campaign or initiative.
- (b) Endorse, support, oppose, or contradict any social issue, cause, or religion.
- (c) Endorse, support, or oppose any product, service, company, or other commercial entity.
- (d) Appear in any commercial, social, or nonprofit publication; or any motion picture, film, video, or public broadcast; or on any website.

Additionally, when it can reasonably be construed that a member, acting in their individual capacity or through an outside group or organization, including as an authorized member of a recognized bargaining unit or an employee group, is affiliated with this [department/office], the member shall give a specific disclaiming statement that any such speech or expression is not representative of the Gonzales Police Department.

Members retain their rights to vote as they choose, to support candidates of their choice, and to express their opinions as private citizens, including as authorized members of recognized bargaining units or employee groups, on political subjects and candidates at all times while off-duty. However, members may not use their official authority or influence to interfere with or affect the result of elections or nominations for office. Members are also prohibited from directly or indirectly using their official authority to coerce, command, or advise another member to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes (5 USC § 1502).

1059.5 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts, or anything published or maintained through file-sharing software or any internet site, including social media, that is accessed, transmitted, received, or reviewed on any [department/office] technology system (see the Information Technology Use Policy for additional guidance).

The [Department/Office] should not require a member to disclose a personal user name or password for accessing personal social media or to open a personal social website.

Gonzales Police Department

Gonzales PD Policy Manual

Speech, Expression, and Social Networking

1059.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or the authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the [Department/Office] or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the [Department/Office].
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of their duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the [Department/Office].

1059.7 TRAINING

Subject to available resources, the [Department/Office] should provide training regarding the limitations on speech, expression, and use of social networking to all members of the [Department/Office].

Anti-Retaliation

1060.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1060.2 POLICY

The Gonzales Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1060.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.

Gonzales Police Department

Gonzales PD Policy Manual

Anti-Retaliation

1060.3.1 RETALIATION PROHIBITED FOR REPORTING VIOLATIONS

An officer shall not be retaliated against for reporting a suspected violation of a law or regulation of another officer to a supervisor or other person in the [Department/Office] who has the authority to investigate the violation (Government Code § 7286(b)).

1060.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the City Personnel Officer.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1060.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.
- (d) Acknowledging receipt of the complaint, notifying the Chief of Police via the chain of command and explaining to the member how the complaint will be handled.
- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.

Gonzales Police Department

Gonzales PD Policy Manual

Anti-Retaliation

- (h) Not interfering with or denying the right of a member to make any complaint.
- (i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

1060.6 COMMAND STAFF RESPONSIBILITIES

The Chief of Police should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

1060.7 WHISTLE-BLOWING

California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

- (a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member's supervisor or any other member with the authority to investigate the reported violation.

- (e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Internal Affairs Unit for investigation pursuant to the Personnel Complaints Policy.

1060.7.1 DISPLAY OF WHISTLE-BLOWER LAWS

The [Department/Office] shall display a notice to members regarding their rights and responsibilities under the whistle-blower laws, including the whistle-blower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).

1060.8 RECORDS RETENTION AND RELEASE

The Records Supervisor shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1060.9 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Line-of-Duty Deaths

1061.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Gonzales Police Department in the event of the death of a member occurring in the line of duty and to direct the [Department/Office] in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy for a non-line-of-duty member death, or in situations where members are injured in the line of duty and the injuries are life-threatening.

1061.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of an officer during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing assigned duties.

For an officer, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1061.2 POLICY

It is the policy of the Gonzales Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this [department/office] to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1061.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Sergeant and County Communications.
 - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Sergeant should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

Gonzales Police Department

Gonzales PD Policy Manual

Line-of-Duty Deaths

- (c) If the member has been transported to the hospital, the Shift Sergeant or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the [Department/Office] Liaison as soon as practicable (see the Notifying Survivors section and the [Department/Office] Liaison and Hospital Liaison subsections in this policy).

1061.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Sergeant, or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the [Department/Office] chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
